AN ACT to amend Tennessee Code Annotated, Title 2, relative to elections.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 2, Chapter 2, is amended by adding the following new section:

2-2-142.

(a) A person or organization who has not been designated by the county election commission under § 2-2-111 and who conducts a supplemental voter registration drive in which the person or organization attempts to collect voter registration applications of one hundred (100) or more people must comply with the following conditions:

(1) Prior to conducting a voter registration drive, the person or agent of an organization shall:

(A) Provide the coordinator of elections with the name, address, and contact phone number of the person conducting the voter registration drive or the names, addresses, and contact phone numbers of the officers of the organization conducting the voter registration drive;

(B) Provide the names of the county or counties in which the voter registration drives will be held;

(C) Complete training, which is administered by the coordinator of elections, on the laws and procedures governing the voter registration process;

(D) File a sworn statement stating that the person or organization shall obey all state laws and procedures regarding the registration of voters; and

(E) Ensure that individuals, whether volunteer or paid, who conduct voter registration drives for an organization have completed the training administered by the coordinator of elections; and

(2) The person or organization shall deliver or mail completed voter registration forms within ten (10) days of the date of the voter registration drive; provided, that if the date of the voter registration drive is within ten (10) days of the voter registration deadline, the completed forms must be delivered or mailed no later than the voter registration deadline.

(b) Any person or organization conducting a voter registration drive is prohibited from copying, photographing, or in any way retaining the voter information and data collected on the voter registration application, unless the applicant consents. However, the social security number provided on the voter registration application is confidential and must not be retained by any person other than election officials in their official capacity.

HB 1079

(c) No person or organization shall employ or compensate any person, nor shall any person receive any wages or compensation for registering voters based on the number of voters registered. Nothing in this section prohibits a person from being paid on an hourly or salaried basis to register voters.

(d) No person or organization shall establish quotas or a minimum number of completed voter registration forms to be collected by individuals conducting a voter registration drive.

(e) The coordinator of elections may adopt policies or procedures to effectuate the provisions of this section, including, but not limited to, a form on which the required information may be provided and certified by interested parties. The form adopted by the coordinator of elections may be provided electronically. The coordinator of elections shall, at a minimum, offer the training online and shall not charge a fee for the training.

(f) Any person who intentionally or knowingly violates any provision of this section commits a Class A misdemeanor and each violation constitutes a separate offense.

(g) This section does not apply to individuals who are not paid to collect voter registration applications or to organizations that are not paid to collect voter registration applications and that use only unpaid volunteers to collect voter registration applications.

SECTION 2. Tennessee Code Annotated, Title 2, Chapter 2, is amended by adding the following new section:

2-2-143.

(a) If any person or organization conducts voter registration drives under § 2-2-142 and, within a calendar year, files one hundred (100) or more incomplete voter registration applications with one (1) or more county election commissions, the person or organization is subject to a civil penalty under the procedures of this section.

(b) For purposes of this section, "incomplete voter registration application" means any application that lacks the applicant's name, residential address, date of birth, declaration of eligibility, or signature. A person or organization who collects an application that only contains a name or initial is not required to file the application with the election commission.

(c)

(1) The state election commission may impose a civil penalty for a violation of this section as provided in this subsection (c).

(2) The county election commission shall file notice with the state election commission, along with a copy of each voter registration application deemed to be incomplete and identifying information about the person or organization that filed the incomplete applications.

(3) The state election commission shall review each voter registration application presented by the county election commission and shall make a finding on the number of incomplete forms filed. Based on the finding, the state election commission may impose civil penalties for Class 1 and Class 2 offenses. The state election commission may combine the number of incomplete forms filed by a person or organization in multiple counties when determining the total number of incomplete forms filed.

(4) As used in this section:

(A) "Class 1 offense" means the filing of one hundred (100) to five hundred (500) incomplete voter registration applications. A Class 1 offense is punishable by a civil penalty of one hundred fifty dollars (\$150), up to a maximum of two thousand dollars (\$2,000), in each county where the violation occurred; and

(B) "Class 2 offense" means the filing of more than five hundred (500) incomplete voter registration applications. A Class 2 offense is punishable by a civil penalty of not more than ten thousand dollars (\$10,000) in each county where the violation occurred.

(5) For any offense, the state election commission shall send, by return mail, receipt requested, an assessment letter to the person or organization in a form sufficient to advise the person or organization of the factual basis of the violation, the maximum penalty and the date a response to the letter must be filed. Failure to timely claim an assessment letter sent by return mail, receipt requested, constitutes acceptance of the assessment letter.

(6) To request a waiver, reduction, or to in any way contest a penalty imposed by the state election commission, a person or organization shall file a petition with the state election commission. Such petition may be considered as a contested case proceeding under the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(d) Penalties imposed under this section by the state election commission must be deposited into the general fund of the county or counties in which the violation occurred. When there are multiple counties involved, the penalty money must be divided pro rata based on the number of incomplete registration applications submitted in each county.

(e) This section does not apply to individuals who are not paid to collect voter registration applications or to organizations that are not paid to collect voter registration applications and that use only unpaid volunteers to collect voter registration applications.

(f) The state election commission may promulgate rules and procedures to implement the provisions of this section.

SECTION 3. Tennessee Code Annotated, Section 2-7-104(a), is amended by deleting the sixth sentence and adding the following sentence immediately before the last sentence:

All appointed poll watchers must have reached the age of seventeen (17) by election day and be residents of this state.
