

SENATE BILL 1664

By Kelsey

AN ACT to amend Tennessee Code Annotated, Title 55, Chapter 10, Part 3, relative to automated license plate recognition.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 55 , Chapter 10, Part 3, is amended by adding the following language as a new section:

(a) As used in this section, unless the context otherwise requires:

(1) "Automated license plate recognition system" means one (1) or more fixed high-speed cameras combined with computer algorithms to convert images of license plates into computer-readable data.

(2) "Captured plate data" means the global positioning device coordinates, date and time, photograph, license plate number, and any other data captured by or derived from any automated license plate recognition system; and

(3) "Law enforcement agency" means the department of safety and any other lawfully established state or local public agency that is responsible for the prevention and detection of crime, local government code enforcement, and the enforcement of penal, traffic, regulatory, game, or controlled substance laws.

(b) Any captured plate data collected or retained by a law enforcement agency or the department of transportation through the use of an automated license plate recognition system may not be stored for more than two (2) years.

SECTION 2. This act shall take effect July 1, 2014, the public welfare requiring it.
