PUBLIC CHAPTER NO. 1018

SENATE BILL NO. 1727

By Jackson, Crowe

Substituted for: House Bill No. 1862

By Faison, Russell, Terry

AN ACT to amend Tennessee Code Annotated, Title 63 and Title 68, relative to physician assistants.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 63, Chapter 19, is amended by adding the following as a new part:

63-19-301. Physician Assistant (PA) Licensure Compact.

This state hereby enters into the Physician Assistant (PA) Licensure Compact ("Compact") as set forth in this part. The text of the Compact is set forth in this part.

63-19-302. Purpose.

(a) In order to strengthen access to Medical Services, and in recognition of the advances in the delivery of Medical Services, the Participating States of the PA Licensure Compact have allied in common purpose to develop a comprehensive process that complements the existing authority of State Licensing Boards to license and discipline Physician Assistants and seeks to enhance the portability of a License to practice as a Physician Assistant while safeguarding the safety of patients. This Compact allows Medical Services to be provided by Physician Assistants, via the mutual recognition of the Licensee's Qualifying License by other Compact Participating States. This Compact also adopts the prevailing standard for Physician Assistant licensure and affirms that the practice and delivery of Medical Services by the Physician Assistant occurs where the patient is located at the time of the patient encounter, and therefore requires the Physician Assistant to be under the jurisdiction of the State Licensing Board where the patient is located. State Licensing Boards that participate in this Compact retain the jurisdiction to impose Adverse Action against a Compact Privilege in that State issued to a Physician Assistant through the procedures of this Compact.

(b) The PA Licensure Compact will alleviate burdens for military families by allowing active duty military personnel and their spouses to obtain a Compact Privilege based on having an unrestricted License in good standing from a Participating State.

63-19-303. Part definitions.

As used in this Compact:

(1) "Adverse Action" means any administrative, civil, equitable, or criminal action permitted by a state's laws which is imposed by a licensing board or other authority against a Physician Assistant license or license application or Compact Privilege such as License denial, censure, revocation, suspension, probation, monitoring of the Licensee, or restriction on the Licensee's practice;

- (3) Have a mechanism in place for receiving and investigating complaints against Licensees and License applicants;

- (8) Grant the Compact Privilege to a holder of a Qualifying License in a Participating State.

(b) Nothing in this Compact prohibits a Participating State from charging a fee for granting the Compact Privilege.

63-19-305. Compact Privilege.

(a) To exercise the Compact Privilege, a Licensee must:

- (1) Have graduated from a Physician Assistant program accredited by the Accreditation Review Commission on Education for the Physician Assistant, Inc., or other programs authorized by Commission Rule;
- (2) Hold current NCCPA certification;
- (3) Have no felony or misdemeanor Conviction;

- (7) Have had no revocation of a License or limitation or restriction on any License currently held due to an adverse action;
- (8) If a Licensee has had a limitation or restriction on a License or Compact Privilege due to an Adverse Action, two (2) years must have elapsed from the date on which the License or Compact Privilege is no longer limited or restricted due to the Adverse Action;
- (9) If a Compact Privilege has been revoked or is limited or restricted in a Participating State for conduct that would not be a basis for disciplinary action in a

Participating State in which the Licensee is practicing or applying to practice under a Compact Privilege, that Participating State shall have the discretion not to consider such action as an Adverse Action requiring the denial or removal of a Compact Privilege in that State;

(10) Notify the Compact Commission that the Licensee is seeking the Compact Privilege in a Remote State;

(11) Meet any Jurisprudence Requirement of a Remote State in which the Licensee is seeking to practice under the Compact Privilege and pay any fees applicable to satisfying the Jurisprudence Requirement; and

(12) Report to the Commission any Adverse Action taken by a non-participating State within thirty (30) days after the action is taken.

(b) The Compact Privilege is valid until the expiration or revocation of the Qualifying License unless terminated pursuant to an Adverse Action. The Licensee must also comply with all of the requirements of subsection (a) to maintain the Compact Privilege in a Remote State. If the Participating State takes Adverse Action against a Qualifying License, the Licensee shall lose the Compact Privilege in any Remote State in which the Licensee has a Compact Privilege until all of the following occur:

(1) The License is no longer limited or restricted; and

(2) Two (2) years have elapsed from the date on which the License is no longer limited or restricted due to the Adverse Action.

(c) Once a restricted or limited License satisfies the requirements of subdivisions (b)(1) and (2), the Licensee must meet the requirements of subsection (a) to obtain a Compact Privilege in any Remote State.

(d) For each Remote State in which a Physician Assistant seeks authority to prescribe controlled substances, the Physician Assistant shall satisfy all requirements imposed by such State in granting or renewing such authority.

63-19-306. Designation of the State from Which Licensee is Applying for a Compact Privilege.

(a) Upon a Licensee's application for a Compact Privilege, the Licensee shall identify to the Commission the Participating State from which the Licensee is applying, in accordance with applicable Rules adopted by the Commission, and subject to the following requirements:

(1) When applying for a Compact Privilege, the Licensee shall provide the Commission with the address of the Licensee's primary residence and thereafter shall immediately report to the Commission any change in the address of the Licensee's primary residence; and

(2) When applying for a Compact Privilege, the Licensee is required to consent to accept service of process by mail at the Licensee's primary residence on file with the Commission with respect to any action brought against the Licensee by the Commission or a Participating State, including a subpoena, with respect to any action brought or investigation conducted by the Commission or a Participating State.

63-19-307. Adverse Actions.

(a) A Participating State in which a Licensee is licensed shall have exclusive power to impose Adverse Action against the Qualifying License issued by that Participating State.

(b) In addition to the other powers conferred by State law, a Remote State shall have the authority, in accordance with existing State due process law, to do all of the following:

(1) Take Adverse Action against a Physician Assistant's Compact Privilege within that State to remove a Licensee's Compact Privilege or take other action necessary under applicable law to protect the health and safety of its citizens;

(2) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a Licensing Board in a Participating State for the attendance and testimony of witnesses or the production of evidence from another Participating State shall be enforced in the latter State by any court of competent jurisdiction,

according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located;

(3) Notwithstanding subdivision (b)(2), subpoenas may not be issued by a Participating State to gather evidence of conduct in another State that is lawful in that other State for the purpose of taking Adverse Action against a Licensee's Compact Privilege or application for a Compact Privilege in that Participating State; and

(4) Nothing in this Compact authorizes a Participating State to impose discipline against a Physician Assistant's Compact Privilege or to deny an application for a Compact Privilege in that Participating State for the individual's otherwise lawful practice in another State.

(c) For purposes of taking Adverse Action, the Participating State which issued the Qualifying License shall give the same priority and effect to reported conduct received from any other Participating State as it would if the conduct had occurred within the Participating State which issued the Qualifying License. In so doing, that Participating State shall apply its own State laws to determine appropriate action.

(d) A Participating State, if otherwise permitted by State law, may recover from the affected Physician Assistant the costs of investigations and disposition of cases resulting from any Adverse Action taken against that Physician Assistant.

(e) A Participating State may take Adverse Action based on the factual findings of a Remote State; provided, that the Participating State follows its own procedures for taking the Adverse Action.

(f) Joint Investigations.

(1) In addition to the authority granted to a Participating State by its respective State Physician Assistant laws and regulations or other applicable State law, any Participating State may participate with other Participating States in joint investigations of Licensees.

(2) Participating States shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under this Compact.

(g) If an Adverse Action is taken against a Physician Assistant's Qualifying License, the Physician Assistant's Compact Privilege in all Remote States shall be deactivated until two (2) years have elapsed after all restrictions have been removed from the State License. All disciplinary orders by the Participating State which issued the Qualifying License that impose Adverse Action against a Physician Assistant's License shall include a Statement that the Physician Assistant's Compact Privilege is deactivated in all Participating States during the pendency of the order.

(h) If any Participating State takes Adverse Action, it promptly shall notify the administrator of the Data System.

63-19-308. Establishment of the PA Licensure Compact Commission.

(a) The Participating States hereby create and establish a joint government agency and national administrative body known as the PA Licensure Compact Commission. The Commission is an instrumentality of the Compact States acting jointly and not an instrumentality of any one State. The Commission shall come into existence on or after the effective date of the Compact as set forth in § 63-19-312(a).

(b) Membership, Voting, and Meetings.

(1) Each Participating State shall have and be limited to one (1) delegate selected by that Participating State's Licensing Board or, if the State has more than one Licensing Board, selected collectively by the Participating State's Licensing Boards.

(15) Establish a budget and make expenditures;

(22) Prepare and provide to the Participating States an annual report; and

(23) Perform such other functions as may be necessary or appropriate to achieve the purposes of this Compact consistent with the State regulation of Physician Assistant licensure and practice.

(d) Meetings of the Commission.

(1) All meetings of the Commission that are not closed pursuant to this subsection (d) shall be open to the public. Notice of public meetings shall be posted on the Commission's website at least thirty (30) days prior to the public meeting.

(2) Notwithstanding subdivision (d)(1), the Commission may convene a public meeting by providing at least twenty-four (24) hours' prior notice on the Commission's website, and any other means as provided in the Commission's Rules, for any of the reasons it may dispense with notice of proposed rulemaking under § 63-19-310(l).

(3) The Commission may convene in a closed, nonpublic meeting or non-public part of a public meeting to receive legal advice or to discuss:

(A) Non-compliance of a Participating State with its obligations under this Compact;

(J) Legal advice; or

(K) Matters specifically exempted from disclosure by federal or Participating States' statutes.

(4) If a meeting, or portion of a meeting, is closed pursuant to this provision, the chair of the meeting or the chair's designee shall certify that the meeting or portion of the meeting may be closed and shall reference each relevant exempting provision.

(5) The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.

(e) Financing of the Commission.

(2) The Commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

(3) The Commission may levy on and collect an annual assessment from each Participating State and may impose Compact Privilege fees on Licensees of Participating States to whom a Compact Privilege is granted to cover the cost of the operations and activities of the Commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved by the Commission each year for which revenue is not provided by other sources. The aggregate annual assessment amount levied on Participating States shall be allocated based upon a formula to be determined by Commission Rule.

(A) A Compact Privilege expires when the Licensee's Qualifying License in the Participating State from which the Licensee applied for the Compact Privilege expires.

(B) If the Licensee terminates the Qualifying License through which the Licensee applied for the Compact Privilege before its scheduled expiration, and the Licensee has a Qualifying License in another Participating State, the Licensee shall inform the Commission that it is changing to that Participating State the Participating State through which it applies for a Compact Privilege and pay to the Commission any Compact Privilege fee required by Commission Rule.

(4) The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the Participating States, except by and with the authority of the Participating State.

(5) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the Commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the Commission.

(7) All meetings of the Executive Committee at which it votes or plans to vote on matters in exercising the powers and duties of the Commission shall be open to the public and public notice of such meetings shall be given as public meetings of the Commission are given.

(8) The Executive Committee may convene in a closed, nonpublic meeting for the same reasons that the Commission may convene in a nonpublic meeting as set forth in subdivision (d)(3) and shall announce the closed meeting as the Commission is required to under subdivision (d)(4) and keep minutes of the closed meeting as the Commission is required to under subdivision (d)(5).

(g) Qualified Immunity, Defense, and Indemnification.

(1) The members, officers, executive director, employees, and representatives of the Commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided, that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the Commission shall not in any way compromise or limit the immunity granted hereunder.

(2) The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or

responsibilities; provided, that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided, that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

(4) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses in any proceedings as authorized by Commission Rules.

(5) Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

(6) Nothing herein shall be construed to designate the venue or jurisdiction to bring actions for alleged acts of malpractice, professional misconduct, negligence, or other such civil action pertaining to the practice of a Physician Assistant. All such matters shall be determined exclusively by State law other than this Compact.

(7) Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Participating State's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

(8) Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Participating States or by the Commission.

63-19-309. Data System.

(a) The Commission shall provide for the development, maintenance, operation, and utilization of a coordinated data and reporting system containing licensure, Adverse Action, and the reporting of the existence of Significant Investigative Information on all licensed Physician Assistants and applicants denied a License in Participating States.

(b) Notwithstanding any other State law to the contrary, a Participating State shall submit a uniform data set to the Data System on all Physician Assistants to whom this Compact is applicable (utilizing a unique identifier) as required by the Rules of the Commission, including:

- (1) Identifying information;
- (2) Licensure data;
- (3) Adverse Actions against a License or Compact Privilege;
- (4) Any denial of application for licensure, and the reason(s) for such denial (excluding the reporting of any Criminal history record information where prohibited by law);
- (5) The existence of Significant Investigative Information; and
- (6) Other information that may facilitate the administration of this Compact, as determined by the Rules of the Commission.

(c) Significant Investigative Information pertaining to a Licensee in any Participating State shall only be available to other Participating States.

(d) The Commission shall promptly notify all Participating States of any Adverse Action taken against a Licensee or an individual applying for a License that has been reported to it. This Adverse Action information shall be available to any other Participating State.

(e) Participating States contributing information to the Data System may, in accordance with State or federal law, designate information that may not be shared with the public without the express permission of the contributing State. Notwithstanding any such designation, such information shall be reported to the Commission through the Data System.

(f) Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Participating State contributing the information shall be removed from the Data System upon reporting of such by the Participating State to the Commission.

(g) The records and information provided to a Participating State pursuant to this Compact or through the Data System, when certified by the Commission or an agent thereof, shall constitute the authenticated business records of the Commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a Participating State.

63-19-310. Rulemaking.

(a) The Commission shall exercise its Rulemaking powers pursuant to the criteria set forth in this Section and the Rules adopted thereunder. Commission Rules shall become binding as of the date specified by the Commission for each Rule.

(b) The Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer this Compact and achieve its purposes. A Commission Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Commission exercised its rulemaking authority in a manner that is beyond the scope of the purposes of this Compact, or the powers granted hereunder, or based upon another applicable standard of review.

(c) The Rules of the Commission shall have the force of law in each Participating State, provided, however, that where the Rules of the Commission conflict with the laws of the Participating State that establish the medical services a Physician Assistant may perform in the Participating State, as held by a court of competent jurisdiction, the Rules of the Commission shall be ineffective in that State to the extent of the conflict.

(d) If a majority of the legislatures of the Participating States rejects a Commission Rule, by enactment of a statute or resolution in the same manner used to adopt this Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Participating State or to any State applying to participate in the Compact.

(e) Commission Rules shall be adopted at a regular or special meeting of the Commission.

(f) Prior to promulgation and adoption of a final Rule or Rules by the Commission, and at least thirty (30) days in advance of the meeting at which the Rule will be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

(1) On the website of the Commission or other publicly accessible platform;

(2) To persons who have requested notice of the Commission's notices of proposed rulemaking; and

(3) In such other way(s) as the Commission may by Rule specify.

(g) The Notice of Proposed Rulemaking shall include:

(1) The time, date, and location of the public hearing on the proposed Rule and the proposed time, date, and location of the meeting in which the proposed Rule will be considered and voted upon;

(2) The text of the proposed Rule and the reason for the proposed Rule;

(3) A request for comments on the proposed Rule from any interested person and the date by which written comments must be received; and

(4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing or provide any written comments.

(h) Prior to adoption of a proposed Rule, the Commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(i) If the hearing is to be held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall as directed in the Notice of Proposed Rulemaking, not less than five (5) business days before the scheduled date of the hearing, notify the Commission of their desire to appear and testify at the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording and the written comments, data, facts, opinions, and arguments received in response to the proposed rulemaking shall be made available to a person upon request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each proposed Rule. Proposed Rules may be grouped for the convenience of the Commission at hearings required by this section.

(j) Following the public hearing the Commission shall consider all written and oral comments timely received.

(k) The Commission shall, by majority vote of all delegates, take final action on the proposed Rule and shall determine the effective date of the Rule, if adopted, based on the Rulemaking record and the full text of the Rule.

(1) If adopted, the Rule shall be posted on the Commission's website.

(2) The Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.

(3) The Commission shall provide on its website an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.

(4) The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in subsection (l), the effective date of the Rule shall be no sooner than thirty (30) days after the Commission issued the notice that it adopted the Rule.

(l) Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule with twenty-four (24) hours' prior notice, without the opportunity for comment, or hearing; provided, that the usual rulemaking procedures provided in this Compact and in this section shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately by the Commission in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of Commission or Participating State funds;

(3) Meet a deadline for the promulgation of a Commission Rule that is established by federal law or Rule; or

(4) Protect public health and safety.

(m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Commission Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made as set forth in the notice of revisions and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will

take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

(n) No Participating State's rulemaking requirements shall apply under this Compact.

63-19-311. Oversight, Dispute Resolution, and Enforcement.

(a) Oversight.

(1) The executive and judicial branches of State government in each Participating State shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.

(2) Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

(3) The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact or the Commission's Rules and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission with service of process shall render a judgment or order in such proceeding void as to the Commission, this Compact, or Commission Rules.

(b) Default, Technical Assistance, and Termination.

(1) If the Commission determines that a Participating State has defaulted in the performance of its obligations or responsibilities under this Compact or the Commission Rules, the Commission shall provide written notice to the defaulting State and other Participating States. The notice shall describe the default, the proposed means of curing the default, and any other action that the Commission may take and shall offer remedial training and specific technical assistance regarding the default.

(2) If a State in default fails to cure the default, the defaulting State may be terminated from this Compact upon an affirmative vote of a majority of the delegates of the Participating States, and all rights, privileges, and benefits conferred by this Compact upon such State may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

(3) Termination of participation in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and to the Licensing Board(s) of each of the Participating States.

(4) A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(5) The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from this Compact, unless agreed upon in writing between the Commission and the defaulting State.

(6) The defaulting State may appeal its termination from the Compact by the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(7) Upon the termination of a State's participation in the Compact, the State shall immediately provide notice to all Licensees within that State of such termination:

(A) Licensees who have been granted a Compact Privilege in that State shall retain the Compact Privilege for one hundred eighty (180) days following the effective date of such termination; and

(B) Licensees who are licensed in that State who have been granted a Compact Privilege in a Participating State shall retain the Compact Privilege for one hundred eighty (180) days unless the Licensee also has a Qualifying License in a Participating State or obtains a Qualifying License in a Participating State before the one-hundred-eighty-day period ends, in which case the Compact Privilege shall continue.

(c) Dispute Resolution.

(1) Upon request by a Participating State, the Commission shall attempt to resolve disputes related to this Compact that arise among Participating States and between participating and non-Participating States.

(2) The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(d) Enforcement.

(1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this Compact and Rules of the Commission.

(2) If compliance is not secured after all means to secure compliance have been exhausted, by majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices, against a Participating State in default to enforce compliance with the provisions of this Compact and the Commission's promulgated Rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or State law.

(e) Legal Action Against the Commission.

(1) A Participating State may initiate legal action against the Commission in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

(2) No person other than a Participating State shall enforce this Compact against the Commission.

63-19-312. Date of Implementation of the PA Licensure Compact Commission.

(a) This Compact shall come into effect on the date on which this Compact statute is enacted into law in the seventh Participating State.

(1) On or after the effective date of the Compact, the Commission shall convene and review the enactment of each of the States that enacted the Compact prior to the Commission convening ("Charter Participating States") to determine if the statute enacted by each such Charter Participating State is materially different than the Model Compact.

(A) A Charter Participating State whose enactment is found to be materially different from the Model Compact shall be entitled to the default process set forth in § 63-19-311(b).

(B) If any Participating State later withdraws from the Compact or its participation is terminated, the Commission shall remain in existence and the Compact shall remain in effect even if the number of Participating States should be less than seven (7). Participating States enacting the Compact subsequent to the Commission convening shall be subject to the process set forth in § 63-19-308(c)(21) to determine if their enactments are materially different from the Model Compact and whether they qualify for participation in the Compact.

(2) Participating States enacting the Compact subsequent to the seven (7) initial Charter Participating States shall be subject to the process set forth in § 63-19-308(c)(21) to determine if their enactments are materially different from the Model Compact and whether they qualify for participation in the Compact.

(3) All actions taken for the benefit of the Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Commission coming into existence shall be considered to be actions of the Commission unless specifically repudiated by the Commission.

(b) Any State that joins this Compact shall be subject to the Commission's Rules and bylaws as they exist on the date on which this Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day this Compact becomes law in that State.

(c) Any Participating State may withdraw from this Compact by enacting a statute repealing the same.

(1) A Participating State's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute. During this one-hundred-eighty-day-period, all Compact Privileges that were in effect in the withdrawing State and were granted to Licensees licensed in the withdrawing State shall remain in effect. If any Licensee licensed in the withdrawing State is also licensed in another Participating State or obtains a license in another Participating State within the one hundred eighty (180) days, the Licensee's Compact Privileges in other Participating States shall not be affected by the passage of the one hundred eighty (180) days.

(2) Withdrawal shall not affect the continuing requirement of the State Licensing Board(s) of the withdrawing State to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

(3) Upon the enactment of a statute withdrawing a State from this Compact, the State shall immediately provide notice of such withdrawal to all Licensees within that State. Such withdrawing State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.

(d) Nothing contained in this Compact shall be construed to invalidate or prevent any Physician Assistant licensure agreement or other cooperative arrangement between Participating States and between a Participating State and non-Participating State that does not conflict with the provisions of this Compact.

(e) This Compact may be amended by the Participating States. No amendment to this Compact shall become effective and binding upon any Participating State until it is enacted materially in the same manner into the laws of all Participating States as determined by the Commission.

63-19-313. Construction and Severability.

(a) This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

(b) The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Participating State, a State seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

(c) Notwithstanding subsection (a) or (b), the Commission may deny a State's participation in the Compact or, in accordance with the requirements of § 63-19-311(b), terminate a Participating State's participation in the Compact, if it determines that a constitutional requirement of a Participating State is, or would be with respect to a State seeking to participate in the Compact, a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Participating State, the

Compact shall remain in full force and effect as to the remaining Participating States and in full force and effect as to the Participating State affected as to all severable matters.

63-19-314. Binding Effect of Compact.

(a) Nothing herein prevents the enforcement of any other law of a Participating State that is not inconsistent with this Compact.

(b) Any laws in a Participating State in conflict with this Compact are superseded to the extent of the conflict.

(c) All agreements between the Commission and the Participating States are binding in accordance with their terms.

SECTION 2. The department of health, in consultation with the board of physician assistants, may promulgate rules in accordance with the Uniform Administrative Procedures Act, compiled in Tennessee Code Annotated, Title 4, Chapter 5, to implement this act.

SECTION 3. The chair of the board of physician assistants shall notify the chair of the government operations committee of the senate, the chair of the government operations committee of the house of representatives, and the revisor of statutes in the general assembly's office of legal services within thirty (30) days of the date the compact comes into effect, as provided in § 63-19-312 of the compact.

SECTION 4. The headings in this act are for reference purposes only and do not constitute a part of the law enacted by this act. However, the Tennessee Code Commission is requested to include the headings in any compilation or publication containing this act.

SECTION 5. For the purpose of promulgating rules, this act takes effect upon becoming a law, the public welfare requiring it. For all other purposes, this act takes effect January 1, 2025, the public welfare requiring it.
