

SENATE BILL 1728

By Faulk

AN ACT to amend Tennessee Code Annotated, Title 39;
Title 53; Title 63 and Title 71, relative to drugs.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 53-10-309, is amended by adding the following language immediately after the existing language:

Beginning with the committee's report on program outcomes and effects that is made in 2010, the committee shall specifically address the outcome of the program with respect to its effect on distribution and abuse of controlled opiates and opiate derivatives, including recommendations for improving control and prevention of diversion of opiates and opiate derivatives in this state. The committee may report on drug specific program outcomes and effects for drugs other than opiates and opiate derivatives.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
