

SENATE BILL 1908

By Rose

AN ACT to amend Tennessee Code Annotated, Title 46  
and Title 47, relative to cemeteries.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 46-1-108, is amended by adding the following as a new subsection:

( ) A cemetery company offering to sell a grave space in a pre-need contract shall also offer the option to pre-pay for the interment right and interment services applicable to the grave space. The offer of an option to pre-pay for the interment right and interment services must include a written disclosure with the following information:

(1) Which days of the week the services for the pre-paid interment right would be available without additional fees beyond the amount paid to purchase the interment right; and

(2) That the potential purchaser is not required to pre-pay for the interment right and interment services, but the choice to wait to purchase the interment right and interment services will likely result in an increase in the purchase cost in the future.

SECTION 2. This act takes effect July 1, 2024, the public welfare requiring it, and applies to offers and contracts made and entered into, or renewed, on or after that date.
