BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 49-4-930(f), is amended by designating the existing language as subdivision (1) and adding the following as a new subdivision (2):

(2) Each TCAT shall reserve an enrollment slot for each dual enrollment student in the term immediately following the last term in which the student was enrolled in the TCAT as a dual enrollment student if space is available for the student at the TCAT in the program in which the student was previously enrolled. If space is unavailable in that term, then the student must be given enrollment priority when space becomes available at the TCAT in the program in which the student was previously enrolled. A TCAT may establish a deadline by which a dual enrollment student must indicate the student's intent to enroll in the term immediately following the student's last term as a dual enrollment student before the TCAT is required to reserve an enrollment slot for the student in accordance with this subdivision (f)(2).
