(2) Be the general accountant and auditor of the city;

(3) Have custody of all records, papers and vouchers relating to the fiscal affairs of the city, and the records in the city manager's office shall show the financial operations and conditions, property, assets, claims and liabilities of the city, all expenditures authorized, and all contracts in which the city is interested;

Section 14-4. Tax books to be made out by the finance director. The city tax books shall be compiled by the finance director from the information furnished by the Rutherford County Tax Assessor by the first day of September or as soon thereafter as practicable, of each and every year for which assessment is made.

Section 14-5. Property tax due date; delinquent date. Unless otherwise established by ordinance, the due date of property taxes shall be October 1 of each and

every year and the delinquent date shall be March 1 next succeeding of each and every year. A penalty of one-half of one percent (0.5%) and interest of one percent (1%) shall be added to the amount of the tax due on the delinquent date and on the first day of each succeeding month.

(b) No assessment shall be invalid because the size and dimensions of any tract, lot or parcel of land shall not have been precisely named nor the amount of the valuation or tax not correctly given, nor because the property has been assessed in the name of a person who did not own the same, nor because the same was assessed to unknown owners, or on account of any objection or informality merely technical, but all such assessments shall be good and valid.

(c) The city council shall have power to correct any errors in the tax assessments upon a certificate filed by the assessor of property or assessing body.

Section 14-7. Improvements or services; assessment procedure. The city council has the power, and is hereby given authority, to file complaints in the chancery court in the name of the city for the collection of assessments and levies made for payment for improvements or service in the city, such as paving, sidewalks, curbing, guttering, sewers and other improvements, or services for which assessments may be

made under the charter, or by any other acts of the general assembly, and the cost of which is made a charge on property owners abutting the improvements and a lien on abutting property. The suits commenced by such complaints shall be conducted as other suits in chancery for the enforcement of like liens and under the rules of law and practice provided for the same. The complaints shall not be objectionable because the owners of different parcels or lots of land are made parties thereto, it being the intention that all persons in the same improvement district, or liable for portions of the same assessment and levy for improving a portion of the city as provided in this section, and on whose property the assessment or levy is a lien, shall be made parties defendant to one (1) complaint.

Section 14-8. License taxes; imposition and collection.

(a) License taxes may be imposed upon any and all privileges, businesses, occupations, vocations, pursuits or callings, or any class or classes thereof, now or hereafter subject to such taxation under the laws of Tennessee, and a separate license tax may be imposed for each place of business conducted or maintained by the same person, firm or corporation.

This estimate shall be compiled from detailed information obtained from the several departments on uniform blanks to be furnished by the city manager.

(b) Upon receipt of the estimate by the city manager, the city council shall adopt an appropriation ordinance for each fiscal year before the first day of the fiscal year.

(c) Amendments may be made to the original appropriations ordinance at any time during a current fiscal year; provided, however, that, except for emergency expenditures under Tennessee Code Annotated, § 6-22-129, increased appropriations may be made only after the city manager has certified in writing that sufficient unappropriated revenue will be available.

Section 14-15. Reversions to source fund. At the end of each fiscal year, all unencumbered balances or appropriations shall revert to the fund appropriated, and be subject to further appropriations. Section 14-16. Finance director; powers and duties; claims against city.

(a) Except as by this charter or by law or ordinance otherwise provided, the finance director shall prescribe and regulate the manner of paying creditors, officers and employees of the city. The finance director shall audit all payrolls, accounts and claims against the city and certify thereon the balance as stated by the finance director, but no payroll, account or claim, or any part thereof, shall be audited against the city or paid unless authorized by law or ordinance and approved and certified by the city manager and the head of the department for which the indebtedness was incurred, and the amount required for payment of the same appropriated for that purpose by ordinance and in the treasury.

(b) Whenever any claim is presented to the finance director, the finance director shall have power to require evidence that the amount claimed is justly due, and is in conformity to law and ordinance, and for that purpose may summon before such finance director any officer, agent or employee of any department, or any other person, and examine the officer, agent or employee upon oath or affirmation relative thereto.

Section 14-17. Warrants.

(a) Warrants shall be issued by the finance director.

(b) Each warrant shall specify the particular departmental fund against which it is drawn and shall be payable out of no other fund.

(c) Any officer or employee in the finance director's office may be designated by such finance director to draw warrants with the same effect as if signed by the finance director, such designation to be in writing, in duplicate, filed

with the city manager. The city manager may make such designation if the finance director is absent or disabled and there is no one in the finance director's office designated to act. Any such designation may be revoked by the finance director while acting as such by filing the revocation in duplicate with the city manager and the treasury division.

Section 14-18. City obligations; availability of funds; certification. No contract, agreement, or other obligation involving the expenditure of money shall be entered into, nor shall any ordinance, resolution or order for the expenditure of money be passed by the city council or be authorized by any officer of the city, unless the finance director shall first certify to the council or the proper officer, as the case may be, that the money required for such contract, agreement, obligation or expenditure is in the treasury or safely assured to be forthcoming and available in time to comply with, or meet such contract, agreement, obligation or expenditures, and no contract, agreement or other obligation involving the expenditure of money payable from the proceeds of bonds of the city shall be entered into until the issuance and sale of such bonds have been duly authorized in accordance with the provisions of this charter in reference to city bonds.

Section 14-19. Expenditures; emergencies. No contract liability shall be incurred without previous authority of law or ordinance, but the city council may, by ordinance, empower the proper officials to pay out money or incur contract liability for the city for the necessary preservation of the city's credit, or in other extreme emergency, under such restrictions as may be provided in the ordinance; provided, that any such liability shall mature not later than one (1) year from the date of its incurrence.
