

SENATE BILL 2795

By Stevens

AN ACT to amend Tennessee Code Annotated, Title 9;
Title 55 and Title 67, relative to vehicles wholly or
partly powered by electricity.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The department of transportation is urged to study opportunities for financing electric vehicle charging station infrastructure in this state, including any possible corridors in which electric vehicle charging infrastructure, such as battery charging stations, may be installed. If such study is conducted, the department shall report its findings and any recommendations to the transportation committee of the house of representatives and the transportation and safety committee of the senate on or before January 1, 2023.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
