

SENATE RESOLUTION 276

By Walley

A RESOLUTION to recognize National Window Film Day.

WHEREAS, window film, when professionally installed on existing windows, upgrades the performance of windows to today's energy ratings; and

WHEREAS, window film aids in the reduction of energy use and therefore reduces carbon emissions; and

WHEREAS, window film, by lowering energy costs, especially during seasonal changes, greatly impacts citizens and may help make their utility costs more affordable; and

WHEREAS, window film helps reduce peak demand for electricity when utilities are most challenged; and

WHEREAS, window film helps screen out dangerous UV rays and may help protect skin from cancer and eyes from cataracts; and

WHEREAS, window film provides job and business opportunities for people in their local communities; now, therefore,

BE IT RESOLVED BY THE SENATE OF THE ONE HUNDRED THIRTEENTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that we honor National Window Film Day in Tennessee on April 30, 2024, recognizing the many benefits of window film for consumers and local businesses.

BE IT FURTHER RESOLVED, that an appropriate copy of this resolution be prepared for presentation with this final clause omitted from such copy.
