

111TH CONGRESS
1ST SESSION

H. R. 1115

To repeal a requirement to reduce by 2 percent the amount payable to each State in fiscal year 2008.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 23, 2009

Mr. REHBERG introduced the following bill; which was referred to the Committee on Natural Resources

A BILL

To repeal a requirement to reduce by 2 percent the amount payable to each State in fiscal year 2008.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Restoring the West’s
5 Fair Share Act of 2009”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

8 (1) Congress agreed to give each State a fair
9 share of the receipts generated from mineral devel-
10 opment on Federal lands in the State. In essence,

1 the State government and Federal Government were
2 to be partners in the mineral production that takes
3 place on Federal lands.

4 (2) The Consolidated Appropriations Act, 2008
5 (Public Law 110–161) reduces these State receipts
6 by as much as 2 percent for fiscal year 2008.

7 (3) The States have at least as much interest
8 in public lands within their borders as does the cen-
9 tral Federal Government.

10 (4) The Federal Government does not pay prop-
11 erty taxes for public lands to States or localities in
12 any form approaching financial equity. As a con-
13 sequence, those States in which there are Federal
14 public land holdings are denied revenues that are
15 needed for necessary public purposes, such as edu-
16 cation, roads, and hospitals. This creates a burden
17 on private owners of property. The burden is greater
18 for private owners of property in States with larger
19 Federal public land holdings.

20 (5) The Consolidated Appropriations Act, 2008
21 will have a negative impact on mineral producing
22 Western States.

1 **SEC. 3. REPEAL OF REQUIREMENT TO DEDUCT FROM AN**
2 **AMOUNT PAYABLE TO EACH STATE.**

3 Title I of division F of the Consolidated Appropria-
4 tions Act, 2008 is amended under the heading “Minerals
5 Management Service”, under the heading “administrative
6 provisions”, by striking the second sentence.
