20 (a) SENSE OF THE CONGRESS.—It is the sense of the  
21 Congress that—

22 (1) all participants in the fed cattle market  
23 have a responsibility to contribute to sufficient levels  
24 of negotiated trade of fed cattle in all cattle feeding  
25 regions in order to achieve competitive bidding and

1 maximum transparency in all relevant markets and  
2 robust price discovery for the benefit of all market  
3 participants;

4 (2) covered packers that use negotiated market  
5 prices or internal formulations thereof as the basis  
6 for formula marketing arrangements may have in-  
7 centives to not participate in price discovery in fed  
8 cattle markets, including in order to influence the  
9 price, especially if the majority of the cattle pur-  
10 chases are under fed cattle formula marketing ar-  
11 rangements under which it is particularly important  
12 to have minimum participation; and

13 (3) the Department of Agriculture should exam-  
14 ine academic literature regarding minimum levels of  
15 negotiated transactions necessary to achieve robust  
16 price discovery, eliminate the potential for price ma-  
17 nipulation, and enhance cattle producer leverage in  
18 the marketplace in each of the cattle marketing re-  
19 gions.

3 subparagraph (B), any packer”;

4 (B) by adding at the end the following:

7 259 may be assessed a civil penalty by the Sec-  
8 retary of not more than \$90,000 for each viola-  
9 tion (as adjusted for inflation).”;

10 (2) in paragraph (2)—

11 (A) by striking “Each day” and inserting  
12 the following:

13 “(A) IN GENERAL.—Except as provided in

18 259 continues shall be considered to be a sepa-  
19 rate violation.”.

20 (c) MANDATORY MINIMUMS.—The Agricultural Mar-  
21 keting Act of 1946 is amended—

22 (1) by redesignating sections 259 and 260 (7  
23 U.S.C. 1636h, 1636i) as sections 260 and 261, re-  
24 spectively; and

1           (2) by inserting after section 258 (7 U.S.C.  
2           1636g) the following:

3   **“SEC. 259. MANDATORY MINIMUMS.**

4           “(a) PURPOSE.—The purpose of this section is to es-  
5           tablish mandatory minimums—

6                   “(1) to enhance price discovery, transparency,  
7                   and cattle producer leverage for cattle market par-  
8                   ticipants; and

9                   “(2) to minimize and mitigate conflicts of inter-  
10                  est and other incentives for a covered packer to in-  
11                  fluence the base price of formula marketing arrange-  
12                  ments for the benefit of the covered packer through  
13                  action or inaction in the market in which the base  
14                  price is determined.

15          “(b) ESTABLISHMENT.—

16                  “(1) IN GENERAL.—Not later than 2 years  
17                  after the date of enactment of the Cattle Price Dis-

19                  shall establish—

20                          “(A) 5 to 7 contiguous regions (referred to

14          “(2) MODIFICATIONS.—The Secretary—

17       purchases or negotiated grid purchases relative  
18       to the number of formula marketing arrange-  
19       ments that use the negotiated prices or nego-  
20       tiated grid prices as base prices.

21          “(5) INITIAL MANDATORY MINIMUM REQUIRE-  
22       MENT.—The initial mandatory minimum established  
23       under paragraph (1)(B) for each covered region  
24       shall be—

23                         quent periods, subject to paragraph (2).

24                 “(2) NONREMEDY.—The Secretary shall not
