## A BILL

To amend the Elementary and Secondary Education Act of 1965 to protect students from sexual abuse, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as “Preventing Sexual Abuse  
5 of K–12 Students Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Child sexual abuse victims are at greater  
9 risk of experiencing feelings of guilt and shame, suf-  
10 fering from low self-esteem, and developing sub-

1 stance abuse symptoms, depression, and post-trau-  
2 matic stress disorder.

3 (2) A 2004 study by the Department of Edu-  
4 cation indicated that 9.6 percent of students in sec-  
5 ondary schools reported that they had been sub-  
6 jected to sexual misconduct by school personnel.

7 (3) A 2014 report by the Government Account-  
8 ability Office revealed that only 42 States had codes  
9 of conduct for school personnel of which only 22  
10 dealt with appropriate relationships between per-  
11 sonnel and students.

12 (4) Such 2014 report by GAO also revealed  
13 that only 18 States mandated that school districts  
14 provide sexual abuse and misconduct awareness and  
15 prevention training.

16 (5) Title IX of the Education Amendments of  
17 1972 (20 U.S.C. 1681 et seq.), which prohibits sex  
18 discrimination in education programs or activities  
19 receiving federal funds, requires elementary and sec-  
20 ondary schools to protect students from sexual abuse  
21 and misconduct.

22 (6) Educators are dedicated and tireless indi-  
23 viduals serving our communities and they make in-  
24 valuable contributions to our country by preparing  
25 students for the future. They work to provide chil-

1       dren with safe and secure environments in which to  
2       learn and these safe environments should be  
3       strengthened by including the resources and training  
4       necessary to help prevent the sexual abuse of stu-  
5       dents.

6               (7) It is in the interest of the United States to  
7       protect students in elementary and secondary  
8       schools from sexual abuse and misconduct.
