## A BILL

To protect the voting rights of Native American and Alaska Native voters.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Native American Vot-  
5 ing Rights Act of 2019”.

6 **SEC. 2. FINDINGS AND PURPOSES.**

7        (a) FINDINGS.—Congress finds the following:

8            (1) The Constitution explicitly and implicitly  
9 grants Congress broad general powers to legislate on  
10 issues relating to Indian Tribes, powers consistently  
11 described as plenary and exclusive. These powers  
12 arise from the grant of authority in the Indian Com-  
13 merce Clause and through legislative matters arising  
14 under the Treaty Clause.

15            (2) The Federal Government is responsible for  
16 upholding the obligations that the Federal Govern-  
17 ment has agreed to through treaties, legislation, and  
18 executive orders, referred to as the Federal trust re-  
19 sponsibility toward Indian Tribes and their mem-  
20 bers.

21            (3) The Supreme Court has repeatedly relied on  
22 the nature of this “government to government” rela-  
23 tionship between the United States and sovereign  
24 Indian Tribes for congressional authority to enact  
25 “legislation that singles out Indians for particular

1 and special treatment.” *Morton v. Mancari*, 417  
2 U.S. 535, 554–555 (1974).

3 (4) Legislation removing barriers to Native  
4 American voting is vital for the fulfillment of Con-  
5 gress’ “unique obligation” toward Indians, particu-  
6 larly ensuring that Native American voters are fully  
7 included as “qualified members of the modern body  
8 politic.” *Board of County Comm’rs v. Seber*, 318  
9 U.S. 705, 715 (1943).

10 (5) Under the Elections Clause of article I, sec-  
11 tion 4 of the Constitution, Congress has additional  
12 power to regulate any election conducted at least in  
13 part to select Members of Congress. Taken together,  
14 the Indian Commerce Clause and the Election  
15 Clause give Congress broad authority to enact legis-  
16 lation to safeguard the voting rights of Native Amer-  
17 ican voters.

18 (6) Despite Congress’ decision to grant Native  
19 Americans Federal citizenship, and with it the pro-  
20 tections of the Fifteenth Amendment, with passage  
21 of the Act of June 2, 1924 (Public Law 68–233; 43  
22 Stat. 253) (commonly known as the “Indian Citizen-  
23 ship Act of 1924”), States continued to deploy dis-  
24 tinct methods for disenfranchising Indians by enact-  
25 ing statutes to exclude from voter rolls Indians liv-

1 ing on reservations, requiring that Indians first ter-  
2 minate their relationship with their Indian Tribe, re-  
3 stricting the right to vote on account of a Tribal  
4 member’s “guardianship” status, and imposing lit-  
5 eracy tests.

6 (7) Barriers to voter access for Native Ameri-  
7 cans persist today, and such barriers range from ob-  
8 structing voter access, to vote dilution and inten-  
9 tional malapportionment of electoral districts.

10 (8) The Native American Voting Rights Coaliti-  
11 on’s recent 9 field hearings in Indian Country and  
12 4-State survey of voter discrimination revealed a  
13 number of additional obstacles that Native Ameri-  
14 cans must overcome in some States, including—

15 (A) a lack of accessible registration and  
16 polling sites, either due to conditions such as  
17 geography, lack of paved roads, the absence of  
18 reliable and affordable broadband connectivity,  
19 and restrictions on the time and place that peo-  
20 ple can register and vote, and the manner in  
21 which people can register and vote, including  
22 unequal opportunities for absentee, early, mail-  
23 in, and in-person voting;

24 (B) nontraditional addresses for residents  
25 on Indian reservations, which make voter reg-

1           istration, acquisition of mail-in ballots, and se-  
2           curing required identification difficult, if not  
3           impossible;

4           (C) inadequate language assistance for  
5           Tribal members, including lack of outreach and  
6           publicity, the failure to provide complete, accu-  
7           rate, and uniform translations of all voting ma-  
8           terials in the relevant Native language, and an  
9           insufficient number of trained bilingual poll  
10          workers; and

11          (D) voter identification laws that discrimi-  
12          nate against Native Americans.

13          (9) The Department of Justice and courts have  
14          also recognized that some jurisdictions have been  
15          unresponsive to reasonable requests from federally  
16          recognized Indian Tribes for more accessible voter  
17          registration sites and in-person voting locations.

18          (10) According to the National Congress of  
19          American Indians, there is a wide gap between the  
20          voter registration and turnout rates of eligible Amer-  
21          ican Indians and Alaska Natives, and the voter reg-  
22          istration and turnout rates of non-Hispanic White  
23          and other racial and ethnic groups.

1           (11) Despite these obstacles, the Native Amer-  
2           ican vote continues to play a significant role in na-  
3           tional, State, and local elections.

4           (12) In Alaska, New Mexico, Oklahoma, and  
5           South Dakota, Native Americans comprise approxi-  
6           mately 10 percent or more of the voting population.

7           (13) The Native American vote also holds great  
8           potential, with over 1,000,000 voters who are eligible  
9           to vote, but are not registered to vote.

10          (b) PURPOSES.—The purposes of this Act are—

11           (1) to fulfill the Federal Government’s trust re-  
12           sponsibility to protect and promote Native Ameri-  
13           cans’ exercise of their constitutionally guaranteed  
14           right to vote, including the right to register to vote  
15           and the ability to access all mechanisms for voting;

16           (2) to establish preclearance procedures for a  
17           specific subset of State actions that have been used  
18           to restrict access to the polls on Indian lands;

19           (3) to expand voter registration under the Na-  
20           tional Voter Registration Act of 1993 (52 U.S.C.  
21           20506 et seq.) to cover all Federal facilities, at the  
22           request of the Indian Tribe;

23           (4) to afford equal treatment to forms of identi-  
24           fication unique to Indian Tribes and their members;

1           (5) to clarify the obligations of States and polit-  
2           ical subdivisions regarding the provision of trans-  
3           lated voting materials for American Indians and  
4           Alaska Natives under section 203 of the Voting  
5           Rights Act of 1965 (52 U.S.C. 10503);

6           (6) to provide Tribal leaders with a direct path-  
7           way to request Federal election observers, and to  
8           allow public access to the reports of those election  
9           observers; and

10           (7) to direct the Department of Justice to con-  
11           sult on an annual basis with Indian Tribes on issues  
12           related to voting.

23 “(8) Where practicable, each Federal agency

3 for the purpose of informing members of the Indian  
4 Tribe of the timing, registration requirements, and  
5 voting procedures in elections for Federal office, at  
6 no cost to the Indian Tribe.”.

7 **SEC. 6. ACCESSIBLE TRIBAL DESIGNATED POLLING SITES.**

8 (a) IN GENERAL.—

9 (1) DESIGNATION OF STATE OFFICER.—Each  
10 of the several States whose territory contains all or  
11 part of an Indian Tribe’s Indian lands shall des-  
12 ignate for each Indian Tribe an officer within that  
13 State who will be responsible for compliance with the  
14 provisions of this section. The State shall provide  
15 written notice to each such Indian Tribe of the offi-  
16 cer so designated.

17 (2) PROVISION OF POLLING PLACES.—For each  
18 Indian Tribe that satisfies the obligations of sub-  
19 section (c), and for each election for a Federal offi-  
20 cial that is held 180 days or later after the date on  
21 which the Indian Tribe initially satisfies such obliga-  
22 tions, any State or political subdivision whose terri-  
23 tory contains all or part of an Indian Tribe’s Indian  
24 lands—

1 (A) shall provide a minimum of one polling  
2 place for each precinct in which there are eligi-

5 to the Indian Tribe;

6 (B) shall provide, at no cost to the Indian  
7 Tribe, additional polling places in locations se-  
8 lected by an Indian Tribe if, based on the total-  
9 ity of circumstances described in subsection (b),  
10 it is shown that not providing those additional  
11 polling places would result in members of the  
12 Indian Tribe and individuals residing on the In-  
13 dian Tribe's Indian lands having less oppor-  
14 tunity to vote than eligible voters in that State  
15 or political subdivision who are not members of  
16 an Indian Tribe and do not reside on Indian  
17 lands;

18 (C) shall, at each polling place located on  
19 Indian lands and at no cost to the Indian Tribe,  
20 make voting machines, tabulation machines,  
21 ballots, provisional ballots, and other voting ma-  
22 terials available to the same extent that such  
23 equipment and materials are made available at  
24 other polling places in the State or political

1 subdivision that are not located on Indian  
2 lands;

3 (D) shall, at each polling place located on  
4 Indian lands, conduct the election using the  
5 same voting procedures that are used at other  
6 polling places in the State or political subdivi-  
7 sion that are not located on Indian lands;

8 (E) shall, at each polling place located on  
9 Indian lands, provide training, compensation,  
10 and other benefits to election officials and poll  
11 workers at no cost to the Indian Tribe and to  
12 the same extent that such training, compensa-  
13 tion, and benefits are provided to election offi-  
14 cials and poll workers at other polling places in  
15 the State or political subdivision that are not lo-  
16 cated on Indian lands;

17 (F) shall cooperate in good faith with the  
18 efforts of the Indian Tribe to satisfy the re-  
19 quirements of subsection (c); and

20 (G) may fulfill the State's obligations  
21 under subparagraphs (A) and (B) by relocating  
22 existing polling places, by creating new polling  
23 places, or both.

24 (b) **EQUITABLE OPPORTUNITIES TO VOTE.**—When  
25 assessing the opportunities to vote provided to members

1 of an Indian Tribe and to other eligible voters in the State  
2 residing on Indian lands in order to determine the number  
3 of additional polling places (if any) that a State or political  
4 subdivision must provide in accordance with subsection  
5 (a)(2)(B), the State, political subdivision, and any court  
6 applying this section, shall consider the totality of cir-  
7 cumstances of—

8 (1) the number of voting-age citizens assigned  
9 to each polling place;

10 (2) the distances that voters must travel to  
11 reach the polling places;

12 (3) the time that voters must spend traveling to  
13 reach the polling places, including under inclement  
14 weather conditions;

15 (4) the modes of transportation, if any, that are  
16 available to voters to use to reach the polling places;

17 (5) the existence of and access to public trans-  
18 portation to the polling places; and

19 (6) any other factor relevant to effectuating the  
20 purposes of this Act.

21 (c) OBLIGATIONS OF THE INDIAN TRIBE.—

22 (1) IN GENERAL.—The State and political sub-  
23 division obligations under subsection (a)(2) shall  
24 apply with respect to an Indian Tribe only if that  
25 Indian Tribe files a standing request with the officer

1 designated under subsection (a)(1) for a polling  
2 place or polling places for future elections, pursuant  
3 to subsection (a)(2)(A), or subsection (a)(2)(B) (if  
4 applicable), which—

5 (A) specifies the number and locations of  
6 such polling places that the Indian Tribe is re-  
7 questing;

8 (B) certifies that the Indian Tribe has ar-  
9 ranged access to the facilities in which such  
10 polling places will be located, and that such ac-  
11 cess is in accordance with Federal and State  
12 law;

13 (C) certifies that the Indian Tribe will en-  
14 sure that each such polling place will be open  
15 and available to all eligible voters who reside in  
16 the precinct or other geographic area assigned  
17 to such polling place, regardless of whether  
18 such eligible voters are members of the Indian  
19 Tribe or of any other Indian Tribe; and

20 (D) requests that the State shall designate  
21 election officials and poll workers to staff such  
22 polling places, or certifies that the Indian Tribe  
23 will designate election officials and poll workers  
24 to staff such polling places on every day that  
25 the polling places will be open.

1           (2) OPT OUT.—At any time that is 60 days or  
2           more before the date of an election, an Indian Tribe  
3           that previously has satisfied the obligations of para-  
4           graph (1) may notify the State that the Indian Tribe  
5           intends to opt out of the standing request for one  
6           or more polling places that were requested in accord-  
7           ance with subsection (a)(2)(A) or subsection  
8           (a)(2)(B) for a particular election or for all future  
9           elections.

10          (d) FEDERAL POLLING SITES.—At an Indian Tribe’s  
11          request, each State shall designate as voter polling facili-  
12          ties any of the facilities identified in accordance with sec-  
13          tion 7(a)(2)(C) or (D) of the National Voter Registration  
14          Act of 1993 (52 U.S.C. 20506(a)(2)), at no cost to the  
15          Indian Tribe, provided that the facility meets the require-  
16          ments of Federal and State law as applied to other polling  
17          places within the State or political subdivision. The appli-  
18          cable agency of the Federal Government shall ensure that  
19          such designated facilities are made available as polling  
20          places.

21          (e) MAIL-IN BALLOTING.—In States or political sub-  
22          divisions that permit absentee or mail-in balloting, the fol-  
23          lowing shall apply with respect to an election for Federal

12           (i) that person or Tribal Government  
13      provides the notice described in subpara-

19      passed since the date on which the chief  
20      election official of the State receives the  
21      notice under subparagraph (A); or

22           (II) in the case of a violation that oc-  
23      curs 120 days or less before the date of an

17          Indian Tribe under this section.

19          (a) ACTIONS REQUIRING PRECLEARANCE.—No State

22          been met:

23                  (1) Eliminating the only polling place or voter  
24                  registration site on the Indian lands of an Indian  
25                  Tribe.

1           (2) Moving or consolidating a polling place or  
2 voter registration site on the Indian lands of an In-

6           (3) Moving or consolidating a polling place on  
7 the Indian lands of an Indian Tribe to a location

10 voter, regardless of distance.

11           (4) Eliminating in-person voting on the Indian  
12 lands of an Indian Tribe by designating an Indian  
13 reservation as a permanent absentee voting location,  
14 unless—

15                   (A) the entire State is or becomes a per-

3 (b) PRECLEARANCE.—

4 (1) IN GENERAL.—The requirements of this  
5 subsection have been met if—

6 (A) the impacted Tribal Government sub-  
7 mits to the Attorney General the Tribal Govern-  
8 ment’s written consent to the proposed activity  
9 described in subsection (a);

10 (B) the State or political subdivision insti-  
11 tutes an action in the United States District  
12 Court for the District of Columbia for a declar-  
13 atory judgment, and a declaratory judgment is  
14 issued, establishing that the specified activity  
15 described in subsection (a) that the State or po-  
16 litical subdivision desires to carry out neither  
17 has the purpose nor will have the effect of deny-  
18 ing or abridging the right to vote on account of  
19 race or color, or membership in a language mi-  
20 nority group; or

21 (C) the chief legal officer or other appro-  
22 priate official of such State or political subdivi-  
23 sion submits a request to carry out the specified  
24 activity described in subsection (a) to the Attor-

4 after such submission, the Attorney General has  
5 affirmatively indicated that such objection will  
6 not be made.

7 (2) NO LIMITATION ON FUTURE ACTIONS.—  
8 Neither an affirmative indication by the Attorney  
9 General that no objection will be made, nor the At-

11 judgment entered under this section, nor a written  
12 consent issued under paragraph (1)(A) shall bar a  
13 subsequent action to enjoin enforcement of an activ-  
14 ity described in subsection (a). In the event the At-  
15 torney General affirmatively indicates that no objec-  
16 tion will be made within the 60-day period following  
17 receipt of a submission, the Attorney General may  
18 reserve the right to reexamine the submission if ad-  
19 ditional information comes to the Attorney General's  
20 attention during the remainder of the 60-day period  
21 which would otherwise require objection in accord-  
22 ance with this section. Any action under this section  
23 shall be heard and determined by a court of 3 judges

13 (b) VALIDITY OF TRIBAL IDENTIFICATION CARD.—  
14 An individual shall not be required to show that a Tribal  
15 identification card includes a residential address or an ex-

18 to vote. The voter may instead separately designate the  
19 voter's appropriate voting precinct through a description  
20 of the voter's address that conforms with the regulations  
21 for national mail voter registration forms, as established  
22 under section 9428.4(a)(2) of title 11, Code of Federal  
23 Regulations.

24 (c) ONLINE REGISTRATION.—If a State or political  
25 subdivision requires an identification card for an indi-

4 of identification for the purpose of registering to vote on-  
5 line or voting online.

22           ten translations in the minority language.

23           “(3) WRITTEN TRANSLATIONS FOR ELECTION  
24           WORKERS.—Notwithstanding paragraph (2), the  
25           State or political division may be required to provide

1 written translations of voting materials, with the
