

113TH CONGRESS
1ST SESSION

H. R. 1821

To amend title XVIII of the Social Security Act to provide for patient protection by establishing safe nurse staffing levels at certain Medicare providers, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 30, 2013

Mrs. CAPPS (for herself and Mr. JOYCE) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To amend title XVIII of the Social Security Act to provide for patient protection by establishing safe nurse staffing levels at certain Medicare providers, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Registered Nurse Safe
5 Staffing Act of 2013”.

6 **SEC. 2. FINDINGS.**

7 Congress makes the following findings:

1 (1) Research shows that patient safety in hos-
2 pitals is directly proportionate to the number of reg-
3 istered nurses working in the hospital. Higher staff-
4 ing levels by experienced registered nurses are re-
5 lated to lower rates of negative patient outcomes.

6 (2) A 2011 study on nurse staffing and inpa-
7 tient hospital mortality shows that sub-optimal nurse
8 staffing is linked with a greater likelihood of patient
9 death in the hospital. A 2012 study of serious pa-
10 tient events reported to the Joint Commission dem-
11 onstrates that one of the leading causes of all hos-
12 pital sentinel events is human factors, including
13 staffing and staffing skill mix.

14 (3) Health care worker fatigue has been identi-
15 fied as a major patient safety hazard, and appro-
16 priate staffing policies and practices are indicated as
17 an effective strategy to reduce health care worker fa-
18 tigue and to protect patients. A national survey of
19 registered nurses found that 74 percent experience
20 acute or chronic effects of stress and overwork.

21 (4) A strategy that ensures optimal nurse staff-
22 ing and skill mix greatly influences patient satisfac-
23 tion and results in greater overall savings to hos-
24 pitals through reductions in adverse patient events.

1 (5) A 2009 study demonstrated that improved
2 patient satisfaction due to increased and appropriate
3 nurse staffing is reflected on hospital scores on
4 HCAHPS, which is a key measure for value-based
5 payment programs under the Medicare program and
6 used by other payors.

7 (6) Registered nurses play a vital role in pre-
8 venting patient care errors. A 2009 study found that
9 sufficient staffing of critical care nurses can prevent
10 adverse patient events, which can cost anywhere
11 from \$2,200,000 to \$13,200,000. By contrast, the
12 nurse staffing costs in the study time period were
13 only \$1,360,000.

14 (7) Higher nurse staffing also generates cost
15 savings to payors, as demonstrated in a 2011 cost-
16 benefit analysis that weighed registered nursing per-
17 sonnel costs against emergency department utiliza-
18 tion after patient discharge from a hospital.

19 (8) A 2012 study of Pennsylvania hospitals
20 shows that by reducing nurse burnout, which is at-
21 tributed in part to poor nurse staffing, those hos-
22 pitals could prevent an estimated 4,160 infections
23 with an associated savings of \$41,000,000. That
24 study also found that for each additional patient as-
25 signed to a registered nurse for care, there is an in-

1 evidence of roughly one additional catheter-acquired
2 urinary tract infection per 1,000 patients or 1,351
3 infections per year, costing those hospitals as much
4 as \$1,100,000 annually.

5 (9) When hospitals employ insufficient numbers
6 of nursing staff, registered nurses are being required
7 to perform professional services under conditions
8 that do not support quality health care or a health-
9 ful work environment for registered nurses.

10 (10) As a payor for inpatient and outpatient
11 hospital services furnished to Medicare beneficiaries,
12 the Federal Government has a compelling interest in
13 promoting the safety of these patients by requiring
14 any hospital participating in the Medicare program
15 to establish minimum safe staffing levels for reg-
16 istered nurses.

17 **SEC. 3. ESTABLISHMENT OF SAFE NURSE STAFFING LEV-**
18 **ELS BY MEDICARE PARTICIPATING HOS-**
19 **PITALS.**

2 and quality of care, and of how nurse
3 staffing may vary based on patient case
4 mix.

5 “(iii) OPPORTUNITY TO CORRECT ER-
6 RORS.—The Secretary shall establish a
7 process under which participating hospitals

25 in regulations).

1 “(B) PROCEDURES.—The provisions of
2 section 1128A (other than subsections (a) and

16 information as the Secretary determines
17 appropriate.

18 “(ii) CHANGE OF OWNERSHIP.—With
19 respect to a participating hospital that had
20 a change in ownership, as determined by
21 the Secretary, penalties imposed on the

2 change in ownership.

3 “(5) PENALTY FOR FAILURE TO COLLECT AND
4 REPORT QUALITY DATA ON NURSING SERVICES.—

6 ticipating hospital that fails to comply with re-
7 quirements under subsection (e)(2) to collect,
8 aggregate, maintain, and report quality data re-
9 lating to nursing services furnished by the hos-
10 pital, instead of the remedies described in para-
11 graph (3), the provisions of subparagraph (B)
12 shall apply with respect to each such failure of
13 the participating hospital.

14 “(B) PENALTY.—In the case of a failure
15 by a participating hospital to comply with the
16 requirements under subsection (e)(2) for a year,
17 each such failure shall be deemed to be a failure
18 to submit data required under section
19 1833(t)(17)(A), section 1886(b)(3)(B)(viii),
20 section 1886(j)(7)(A), or section

8 this section shall be construed as exempting or relieving
9 any person from any liability, duty, penalty, or punish-
10 ment provided by the law of any State or political subdivi-
11 sion of a State, other than any such law which purports
12 to require or permit any action prohibited under this title.

13 “(j) RELATIONSHIP TO CONDUCT PROHIBITED
14 UNDER THE NATIONAL LABOR RELATIONS ACT OR
