

112TH CONGRESS
1ST SESSION

H. R. 2030

To establish centers of excellence for green infrastructure, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

MAY 26, 2011

Ms. EDWARDS (for herself, Mr. CARNAHAN, Ms. LEE of California, Mr. GRIJALVA, Ms. HIRONO, Mr. STARK, Ms. MOORE, Mr. MORAN, Mr. CLEAVER, Mr. TONKO, Ms. PINGREE of Maine, Mr. HOLT, Mr. VAN HOLLEN, Ms. SCHAKOWSKY, Mr. PRICE of North Carolina, and Mr. MCGOVERN) introduced the following bill; which was referred to the Committee on Transportation and Infrastructure, and in addition to the Committee on Science, Space, and Technology, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To establish centers of excellence for green infrastructure,
and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Green Infrastructure
5 for Clean Water Act of 2011”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Many water resources in the United States
2 are declining, particularly in urban areas.

3 (2) This decline of water resources is the result
4 of an increase in population, water consumption, and
5 impermeable surfaces, as well as the negative effects
6 of urbanization, commercial and industrial activities,
7 and climate change.

8 (3) An October 2008 study by the National Re-
9 search Council found that some of the benefits of
10 green infrastructure include increased water sup-
11 plies, the creation of green jobs, cost savings, and a
12 reduction of stormwater runoff, surface water dis-
13 charge, stormwater pollution, and stormwater flows.

14 **SEC. 3. CENTERS OF EXCELLENCE FOR GREEN INFRA-**
15 **STRUCTURE.**

16 (a) ESTABLISHMENT OF CENTERS.—

17 (1) IN GENERAL.—The Administrator shall
18 make grants on a competitive basis to eligible insti-
19 tutions to establish and maintain not fewer than 3
20 and not more than 5 centers of excellence for green
21 infrastructure, located throughout the United States.

22 (2) GENERAL OPERATION.—Each center
23 shall—

24 (A) conduct research on green infrastruc-
25 ture that is relevant to the geographic region in

1 which the center is located, including
2 stormwater and sewer overflow reduction, other
3 approaches to water resource enhancement, and
4 other environmental, economic, and social bene-
5 fits;

6 (B) develop manuals and set industry
7 standards on best management practices relat-
8 ing to State, local, and commercial green infra-
9 structure for use by State and local govern-
10 ments and the private sector;

11 (C) provide information about research
12 conducted under subparagraph (A) and manu-
13 als produced under subparagraph (B) to the na-
14 tional electronic clearinghouse center for publi-
15 cation on the Web site created pursuant to sub-
16 section (c) to inform the Federal Government,
17 State and local governments, and the private
18 sector about green infrastructure;

19 (D) provide technical assistance to State
20 and local governments to assist with green in-
21 frastructure projects;

22 (E) collaborate with institutions of higher
23 education and private and public organizations
24 in the geographic region in which the center is

1 located on green infrastructure research and
2 technical assistance projects;

3 (F) assist institutions of higher education,
4 secondary schools, and vocational schools to de-
5 velop green infrastructure curricula;

6 (G) provide training about green infra-
7 structure to institutions of higher education and
8 professional schools;

9 (H) evaluate regulatory and policy issues
10 about green infrastructure; and

11 (I) coordinate with the other centers to
12 avoid duplication of efforts.

13 (b) APPLICATION.—To be eligible to receive a grant
14 under this section, an eligible institution shall prepare and
15 submit to the Administrator an application at such a time,
16 in such form, and containing such information and assur-
17 ances as the Administrator may require.

18 (c) NATIONAL ELECTRONIC CLEARINGHOUSE CEN-
19 TER.—One of the centers established under subsection
20 (a)(1) shall be designated as the “national electronic clear-
21 inghouse center” and, in addition to its other functions,
22 shall develop, operate, and maintain a Web site and a pub-
23 lic database containing information relating to green in-
24 frastructure, including information received from the
25 other centers under subsection (a)(2)(C).

1 **SEC. 4. GREEN INFRASTRUCTURE GRANTS.**

2 (a) GRANT AUTHORITY.—The Administrator shall
3 make grants on a competitive basis to eligible entities to
4 carry out green infrastructure projects in accordance with
5 this section.

6 (b) GREEN INFRASTRUCTURE PROJECTS.—

7 (1) PLANNING AND DEVELOPMENT GRANTS.—

8 The Administrator may make planning and develop-
9 ment grants under this section for the following
10 projects:

11 (A) Planning and designing green infra-
12 structure projects, including engineering sur-
13 veys, landscape plans, and implementation
14 plans.

15 (B) Identifying and developing standards
16 and revisions to local zoning, building, or other
17 local codes necessary to accommodate green in-
18 frastructure projects.

19 (C) Identifying and developing fee struc-
20 tures to provide financial support for design, in-
21 stallation, and operations and maintenance of
22 green infrastructure.

23 (D) Developing training and educational
24 materials about green infrastructure for dis-
25 tribution to both those with applicable technical
26 knowledge and the public in general.

1 (E) Developing a green infrastructure
2 portfolio standard program described in section
3 5(e).

4 (2) IMPLEMENTATION GRANTS.—The Adminis-
5 trator may make implementation grants under this
6 section for the following projects:

7 (A) Installing green infrastructure.

8 (B) Monitoring and evaluating the environ-
9 mental, economic, or social benefits of green in-
10 farastructure.

11 (C) Implementing a best practices stand-
12 ard for a green infrastructure program.

13 (D) Implementing a green infrastructure
14 portfolio standard program described in section
15 5(e).

16 (c) APPLICATION.—Except as otherwise provided, to
17 be eligible to receive a grant under this section, an eligible
18 entity shall prepare and submit to the Administrator an
19 application at such time, in such form, and containing
20 such information and assurances as the Administrator
21 may require that includes, where applicable—

22 (1) a description of the green infrastructure
23 project;

1 (2) a plan for monitoring the impacts of the
2 green infrastructure project on water quality and
3 quantity;

4 (3) an evaluation of other environmental, eco-
5 nomic, or social benefits of the green infrastructure
6 project; and

7 (4) a plan for the long-term operation and
8 maintenance of the green infrastructure project.

9 (d) **ADDITIONAL REQUIREMENT FOR GREEN INFRA-**
10 **STRUCTURE PORTFOLIO STANDARD PROGRAM.**—A State
11 applying for a grant for a green infrastructure portfolio
12 standard program described in section 5(e) shall prepare
13 and submit a schedule of increasing minimum percentages
14 of the annual water to be managed using green infrastruc-
15 ture under the program.

16 (e) **PRIORITY.**—In making grants under this section,
17 the Administrator shall give priority to applications sub-
18 mitted from—

19 (1) a community that—

20 (A) has combined storm and sanitary sew-
21 ers in its collection system; or

22 (B) is low-income or disadvantaged as de-
23 termined by the Administrator; or

24 (2) an eligible entity that will use 10 percent of
25 the grant provided for a low-income or disadvan-

1 tagged community as determined by the Adminis-
2 trator.

3 (f) GRANT LIMITATION.—

4 (1) PLANNING AND DEVELOPMENT GRANT.—

5 The Administrator may not make a planning and
6 development grant under this section in an amount
7 that exceeds \$200,000. The Administrator may not
8 make planning and development grants of more than
9 \$100,000,000, in the aggregate, in each fiscal year.

10 (2) IMPLEMENTATION GRANT.—The Adminis-

11 trator may not make an implementation grant under
12 this section in an amount that exceeds \$3,000,000.
13 The Administrator may not make implementation
14 grants of more than \$200,000,000, in the aggregate,
15 in each fiscal year.

16 (g) FEDERAL SHARE.—

17 (1) IN GENERAL.—Except as provided under
18 paragraph (3), the Federal share of a grant provided
19 under this section may not exceed 65 percent of the
20 total project cost.

21 (2) CREDIT FOR IMPLEMENTATION GRANT.—

22 The Administrator shall credit toward the non-Fed-
23 eral share of the cost of an implementation project
24 carried out under this section the cost of planning,
25 design, and construction work completed for the

1 project with funds other than funds provided under
2 this Act.

3 (3) EXCEPTION.—The Administrator may waive
4 the Federal share limitation under paragraph (1) for
5 an eligible entity that has adequately demonstrated
6 financial need.

7 **SEC. 5. ENVIRONMENTAL PROTECTION AGENCY GREEN IN-**
8 **FRASTRUCTURE PROGRAM.**

9 (a) IN GENERAL.—The Administrator shall ensure
10 that the Office of Water, the Office of Enforcement and
11 Compliance, the Office of Research and Development, and
12 the Office of Policy promote the use of green infrastruc-
13 ture and coordinate the integration of green infrastructure
14 into permitting programs, planning efforts, research, tech-
15 nical assistance, and funding guidance.

16 (b) DUTIES.—The Administrator shall ensure that
17 the Office of Water—

18 (1) promotes the use of green infrastructure in
19 the programs of the Agency; and

20 (2) coordinates efforts to increase the use of
21 green infrastructure with other Federal agencies,
22 State and local governments, and the private sector.

23 (c) REGIONAL IMPLEMENTATION OF GREEN INFRA-
24 STRUCTURE.—The Administrator shall direct each re-
25 gional office of the Agency, where appropriate based on

1 local factors, to promote and integrate the use of green
2 infrastructure within the region, including developing—

3 (1) a plan for monitoring, financing, and de-
4 signing the green infrastructure;

5 (2) outreach and training on green infrastruc-
6 ture implementation for State and local govern-
7 ments, tribal communities, and the private sector;
8 and

9 (3) the incorporation of green infrastructure
10 into permitting and other regulatory programs,
11 codes, and ordinance development, including the re-
12 quirements under consent decrees and settlement
13 agreements in enforcement actions.

14 (d) GREEN INFRASTRUCTURE COMPLIANCE ASSIST-
15 ANCE CENTER.—The Administrator shall create a compli-
16 ance assistance center, including a Web site, to share in-
17 formation with and provide technical assistance to State
18 and local governments, tribal communities, the private sec-
19 tor, and the public about green infrastructure approaches
20 to reducing water pollution, protecting water resources,
21 complying with regulatory requirements, and achieving
22 other environmental, public health, and community goals.

23 (e) GREEN INFRASTRUCTURE PORTFOLIO STAND-
24 ARD.—The Administrator, in collaboration with State,
25 tribal, and local government water resource managers,

1 shall establish measurable goals, to be known as the
2 “green infrastructure portfolio standard”, to increase an-
3 nually the percentage of water managed by eligible entities
4 that use green infrastructure.

5 **SEC. 6. REPORT TO CONGRESS.**

6 Before the end of fiscal year 2016, the Administrator
7 shall submit to Congress a report that includes the fol-
8 lowing:

9 (1) A description of all grants made under this
10 Act and a detailed description of the projects sup-
11 ported and their outcomes.

12 (2) A description of the improvements in tech-
13 nology, environmental benefits, resources conserved,
14 efficiencies, and other benefits of the projects funded
15 under this Act.

16 (3) Recommendations on improvements to pro-
17 mote and support green infrastructure for the cen-
18 ters, grants, and programs under this Act.

19 (4) A description of the existing challenges con-
20 cerning the use of green infrastructure.

21 **SEC. 7. DEFINITIONS.**

22 In this Act:

23 (1) ADMINISTRATOR.—The term “Adminis-
24 trator” means the Administrator of the Environ-
25 mental Protection Agency.

1 (2) AGENCY.—The term “Agency” means the
2 Environmental Protection Agency.

3 (3) CENTER.—The term “center” means a cen-
4 ter of excellence for green infrastructure established
5 under section 3(a).

6 (4) ELIGIBLE ENTITY.—The term “eligible enti-
7 ty” means—

8 (A) a State or local government; or

9 (B) a local, regional, or other entity that
10 manages stormwater, water resources, or waste
11 water resources.

12 (5) ELIGIBLE INSTITUTION.—

13 (A) IN GENERAL.—The term “eligible in-
14 stitution” means an institution of higher edu-
15 cation, or a research institution, that has dem-
16 onstrated excellence in green infrastructure
17 by—

18 (i) conducting research on green in-
19 frastructure to determine how it reduces
20 municipal stormwater runoff, enhances and
21 protects drinking water sources, and im-
22 proves water quality;

23 (ii) developing and disseminating in-
24 formation about how an organization can
25 use green infrastructure;

1 (iii) providing technical assistance to
2 an organization for a green infrastructure
3 project;

4 (iv) developing best practices stand-
5 ards for green infrastructure;

6 (v) providing job training in green in-
7 frastructure;

8 (vi) developing course curricula about
9 green infrastructure for elementary
10 schools, secondary schools, institutions of
11 higher education, and vocational schools;

12 (vii) training students in green infra-
13 structure; or

14 (viii) providing information to the
15 Federal Government or State and local
16 governments about the implementation of
17 green infrastructure.

18 (B) ADDITIONAL DEFINITIONS.—For pur-
19 poses of subparagraph (A):

20 (i) ELEMENTARY SCHOOL.—The term
21 “elementary school” has the meaning given
22 that term in section 9101 of the Elemen-
23 tary and Secondary Education Act of 1965
24 (20 U.S.C. 7801).

1 (ii) INSTITUTION OF HIGHER EDU-
2 CATION.—The term “institution of higher
3 education” has the meaning given that
4 term in section 101 of the Higher Edu-
5 cation Act of 1965 (20 U.S.C. 1001).

6 (iii) RESEARCH INSTITUTION.—The
7 term “research institution” means an enti-
8 ty that is—

9 (I) described in section 501(c)(3)
10 of the Internal Revenue Code of 1986;

11 (II) exempt from tax under sec-
12 tion 501(a) of the Internal Revenue
13 Code of 1986; and

14 (III) organized and operated for
15 research purposes.

16 (iv) SECONDARY SCHOOL.—The term
17 “secondary school” has the meaning given
18 that term in section 9101 of the Elemen-
19 tary and Secondary Education Act of 1965
20 (20 U.S.C. 7801).

21 (6) GREEN INFRASTRUCTURE.—The term
22 “green infrastructure”—

23 (A) means any stormwater management
24 technique that preserves, restores, enhances, or
25 mimics natural hydrology;

1 (B) includes methods that promote absorp-
2 tion, uptake, percolation, evapotranspiration,
3 and filtration by soil and plant life; and

4 (C) includes the preservation or restoration
5 of—

6 (i) natural topography, including hills,
7 plains, ravines, and shorelines;

8 (ii) ecology, including forests, grass-
9 lands, and deserts;

10 (iii) bodies of water, including lakes,
11 flood plains, headwaters, and wetlands; or

12 (iv) native soil characteristics of com-
13 position, structure, and transmissivity.

14 (7) STATE.—The term “State” means each of
15 the several States, the District of Columbia, the
16 Commonwealth of Puerto Rico, the United States
17 Virgin Islands, Guam, American Samoa, the Com-
18 monwealth of the Northern Mariana Islands, the
19 Trust Territory of the Pacific Islands, and any other
20 territory or possession of the United States.

21 **SEC. 8. AUTHORIZATION OF APPROPRIATIONS.**

22 For each of fiscal years 2013 through 2016, there
23 is authorized to be appropriated to the Administrator—

24 (1) to carry out section 3, \$25,000,000;

25 (2) to carry out section 4, \$300,000,000; and

1 (3) to carry out section 5, \$25,000,000.

○
