

113TH CONGRESS  
1ST SESSION

# H. R. 251

To direct the Secretary of the Interior to convey certain Federal features of the electric distribution system to the South Utah Valley Electric Service District, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

JANUARY 15, 2013

Mr. CHAFFETZ introduced the following bill; which was referred to the Committee on Natural Resources

---

## A BILL

To direct the Secretary of the Interior to convey certain Federal features of the electric distribution system to the South Utah Valley Electric Service District, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*

2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “South Utah Valley

5       Electric Conveyance Act”.

6       **SEC. 2. DEFINITIONS.**

7       In this Act:

1                             (1) DISTRICT.—The term “District” means the  
2                             South Utah Valley Electric Service District, orga-  
3                             nized under the laws of the State of Utah.

4                             (2) ELECTRIC DISTRIBUTION SYSTEM.—The  
5                             term “Electric Distribution System” means fixtures,  
6                             irrigation, or power facilities lands, distribution fix-  
7                             ture lands, and shared power poles.

8                             (3) FIXTURES.—The term “fixtures” means all  
9                             power poles, cross-members, wires, insulators and  
10                             associated fixtures, including substations, that—

11                                 (A) comprise those portions of the Straw-  
12                             berry Valley Project power distribution system  
13                             that are rated at a voltage of 12.5 kilovolts and  
14                             were constructed with Strawberry Valley  
15                             Project revenues; and

16                                 (B) any such fixtures that are located on  
17                             Federal lands and interests in lands.

18                             (4) IRRIGATION OR POWER FACILITIES  
19                             LANDS.—The term “irrigation or power facilities  
20                             lands” means all Federal lands and interests in  
21                             lands where the fixtures are located on the date of  
22                             the enactment of this Act and which are encumbered  
23                             by other Strawberry Valley Project irrigation or  
24                             power features, including lands underlying the  
25                             Strawberry Substation.

1                             (5) DISTRIBUTION FIXTURE LANDS.—The term  
2                             “distribution fixture lands” means all Federal lands  
3                             and interests in lands where the fixtures are located  
4                             on the date of the enactment of this Act and which  
5                             are unencumbered by other Strawberry Valley  
6                             Project features, to a maximum corridor width of 30  
7                             feet on each side of the centerline of the fixtures’  
8                             power lines as those lines exist on the date of the  
9                             enactment of this Act.

10                           (6) SHARED POWER POLES.—The term “shared  
11                             power poles” means poles that comprise those por-  
12                             tions of the Strawberry Valley Project Power Trans-  
13                             mission System, that are rated at a voltage of 46.0  
14                             kilovolts, are owned by the United States, and sup-  
15                             port fixtures of the Electric Distribution System.

16                           (7) SECRETARY.—The term “Secretary” means  
17                             the Secretary of the Interior.

18 **SEC. 3. CONVEYANCE OF ELECTRIC DISTRIBUTION SYS-**  
19 **TEM.**

20                           (a) IN GENERAL.—Inasmuch as the Strawberry  
21 Water Users Association conveyed its interest, if any, in  
22 the Electric Distribution System to the District by a con-  
23 tract dated April 7, 1986, and in consideration of the Dis-  
24 trict assuming from the United States all liability for ad-  
25 ministration, operation, maintenance, and replacement of

1 the Electric Distribution System, the Secretary shall, as  
2 soon as practicable after the date of the enactment of this  
3 Act and in accordance with all applicable law convey and  
4 assign to the District without charge or further consider-  
5 ation—

6 (1) all of the United States right, title, and in-  
7 terest in and to—

8 (A) all fixtures owned by the United States  
9 as part of the Electric Distribution System; and  
10 (B) the distribution fixture land;

11 (2) license for use in perpetuity of the shared  
12 power poles to continue to own, operate, maintain,  
13 and replace Electric Distribution Fixtures attached  
14 to the shared power poles; and

15 (3) licenses for use and for access in perpetuity  
16 for purposes of operation, maintenance, and replace-  
17 ment across, over, and along—

18 (A) all project lands and interests in irri-  
19 gation and power facilities lands where the  
20 Electric Distribution System is located on the  
21 date of the enactment of this Act that are nec-  
22 essary for other Strawberry Valley Project fa-  
23 cilities (the ownership of such underlying lands  
24 or interests in lands shall remain with the

1                   United States), including lands underlying the  
2                   Strawberry Substation; and

3                   (B) such corridors where Federal lands  
4                   and interests in lands—

5                         (i) are abutting public streets and  
6                         roads; and

7                         (ii) can provide access that will facil-  
8                         tate operation, maintenance, and replace-  
9                         ment of facilities.

10                  (b) COMPLIANCE WITH ENVIRONMENTAL LAWS.—

11                  (1) IN GENERAL.—Before conveying lands, in-  
12                  terest in lands, and fixtures under subsection (a),  
13                  the Secretary shall comply with all applicable re-  
14                  quirements under—

15                         (A) the National Environmental Policy Act  
16                         of 1969 (42 U.S.C. 4321 et seq.);

17                         (B) the Endangered Species Act of 1973  
18                         (16 U.S.C. 1531 et seq.); and

19                         (C) any other law applicable to the land  
20                         and facilities.

21                  (2) EFFECT.—Nothing in this Act modifies or  
22                  alters any obligations under—

23                         (A) the National Environmental Policy Act  
24                         of 1969 (42 U.S.C. 4321 et seq.); or

(B) the Endangered Species Act of 1973  
(16 U.S.C. 1531 et seq.).

## 12 SEC. 4. EFFECT OF CONVEYANCE.

13 On conveyance of any land or facility under section  
14 3(a)(1)—

15                   (1) the conveyed and assigned land and facil-  
16                   ties shall no longer be part of a Federal reclamation  
17                   project;

18                   (2) the District shall not be entitled to receive  
19                   any future Bureau or Reclamation benefits with re-  
20                   spect to the conveyed and assigned land and facili-  
21                   ties, except for benefits that would be available to  
22                   other non-Bureau of Reclamation facilities; and

1       the transaction of April 7, 1986, between the Straw-  
2       berry Water Users Association and Strawberry Elec-  
3       tric Service District.

4 **SEC. 5. REPORT.**

5       If a conveyance required under section 3 is not com-  
6       pleted by the date that is 1 year after the date of the  
7       enactment of this Act, not later than 30 days after that  
8       date, the Secretary shall submit to Congress a report  
9       that—

- 10              (1) describes the status of the conveyance;  
11              (2) describes any obstacles to completing the  
12       conveyance; and  
13              (3) specifies an anticipated date for completion  
14       of the conveyance.
