

118TH CONGRESS
1ST SESSION

H. R. 2730

To amend the Public Health Service Act to include Middle Easterners and North Africans in the statutory definition of a “racial and ethnic minority group”, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 19, 2023

Ms. TLAIB (for herself, Mrs. DINGELL, Ms. ESHOO, and Ms. KELLY of Illinois) introduced the following bill; which was referred to the Committee on Energy and Commerce

A BILL

To amend the Public Health Service Act to include Middle Easterners and North Africans in the statutory definition of a “racial and ethnic minority group”, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Health Equity and
5 Middle Eastern and North African Community Inclusion
6 Act of 2023” or the “Health Equity and MENA Commu-
7 nity Inclusion Act of 2023”.

1 **SEC. 2. DEFINITION.**

2 In this Act, the terms “Middle Eastern and North
3 African” or “MENA”, with respect to individuals or popu-
4 lations, includes individuals and populations who identify
5 with one or more nationalities or ethnic groups originating
6 in a country (or portion thereof) in the Middle Eastern
7 and North African region (such as Lebanese, Iranians,
8 Egyptians, Moroccans, Yemenis, Chaldeans, Imazighen,
9 Kurds, Palestinians, and Yazidis).

10 **SEC. 3. FINDINGS.**

11 Congress finds the following:

12 (1) Through the establishment of the Office of
13 Minority Health (OMH) in 1986, the Department of
14 Health and Human Services has developed health
15 policies and programs that eliminate health dispari-
16 ties and improve the health of racial and ethnic mi-
17 nority populations.

18 (2) Congress has funded the OMH to develop
19 and implement health care service programs that ad-
20 dress physical activity and nutrition, clinical condi-
21 tions, individual social needs, and the social deter-
22 minants of health for “racial and ethnic minority
23 groups”.

24 (3) Before the amendments made by this Act,
25 section 1707(g)(1) of the Public Health Service Act
26 (42 U.S.C. 300u–6(g)(1))—

1 (A) defined the term “racial and ethnic mi-
2 nority group” (for whom the OMH works to
3 improve health outcomes and eliminate health
4 disparities) to exclude Middle Easterners and
5 North Africans; and

6 (B) thereby prevented MENA populations
7 from accessing critical resources intended to as-
8 sist historically marginalized communities.

9 (4) Independent researchers and private sector
10 research initiatives have found significant health dis-
11 parities between MENA individuals and the non-
12 Hispanic White population, as well as significant
13 overlap between the health outcomes and health con-
14 ditions of MENA individuals and those of other ra-
15 cial and ethnic minority groups.

16 (5) Poor health outcomes are often connected to
17 impoverishment in other aspects of life and are exac-
18 erbated by additional barriers to access high-quality
19 health coverage, whether in terms of language, eligi-
20 bility, health literacy, or discrimination at the point-
21 of-service.

22 (6) A recent study published in Proceedings of
23 the National Academy of Sciences suggested that
24 MENA individuals are not perceived as White and
25 do not perceive themselves as White.

1 (7) Research on the health outcomes and health
2 conditions of MENA individuals is troubling and
3 suggests that efforts must be made on the Federal
4 level to disaggregate the demographic data of
5 MENA individuals from the demographic data of in-
6 dividuals in the non-Hispanic White category and
7 fully understand the social determinants of health
8 for health disparities and outcomes experienced by
9 MENA individuals.

10 (8) Under the current Federal standards for
11 data on race and ethnicity, demographic data on
12 MENA individuals is aggregated into the same cat-
13 egory as demographic data on individuals of Euro-
14 pean ancestry, which limits the ability of the Federal
15 Government to understand the factors that con-
16 tribute to health outcomes for MENA individuals.

17 (9) The Federal standards for data on race and
18 ethnicity effectively obscure the reality of minority
19 health and health disparities by aggregating demo-
20 graphic health data on MENA individuals with that
21 Europeans.

22 (10) MENA individuals are not included among
23 the groups for whom the OMH works to improve
24 health outcomes and eliminate health disparities,
25 which further limits the opportunity of MENA indi-

1 individuals to access programs designed to address their
2 experiences and health conditions.

3 (11) The OMH could better assess and elimi-
4 nate health disparities by conducting a comprehen-
5 sive study of the health of MENA individuals and
6 recognizing MENA individuals as a racial and ethnic
7 minority group.

8 **SEC. 4. INCLUSION OF MIDDLE EASTERNERS AND NORTH**
9 **AFRICANS IN DEFINITION OF RACIAL AND**
10 **ETHNIC MINORITY GROUPS.**

11 (a) IN GENERAL.—Section 1707(g)(1) of the Public
12 Health Service Act (42 U.S.C. 300u–6(g)(1)) is amended
13 by striking “and Hispanics” and inserting “Hispanics,
14 and Middle Easterners and North Africans”.

15 (b) SENSE OF CONGRESS.—It is the sense of Con-
16 gress that subsection (a) should be implemented so as to
17 ensure that—

18 (1) the definition of a “racial and ethnic minor-
19 ity group” in section 1707(g)(1) of the Public
20 Health Service Act (42 U.S.C. 300u–6(g)(1)), as
21 amended by subsection (a), is applied in the imple-
22 mentation and execution of Federal programs and
23 activities that reference such definition; and

1 (2) no racial and ethnic minority group served
2 by such programs and activities is negatively im-
3 pacted by subsection (a).

4 (c) UNDEFINED REFERENCES.—Not later than 2
5 years after the date of enactment of this Act, the Sec-
6 retary of Health and Human Services shall—

7 (1) identify all regulations, guidance, orders,
8 and documents of the Department of Health and
9 Human Services for establishment or implementa-
10 tion of a health care or public health program, activ-
11 ity, or survey that—

12 (A) use the term “racial and ethnic minor-
13 ity group” or similar terminology; but

14 (B) do not define such term or termi-
15 nology; and

16 (2) take such actions as may be necessary to
17 clarify whether the definition of “racial and ethnic
18 minority group” in section 1707(g)(1) of the Public
19 Health Service Act (42 U.S.C. 300u–6(g)(1)), as
20 amended by subsection (a), applies to such term or
21 terminology.

22 (d) REPORT TO CONGRESS.—Not later than 2 years
23 after the date of enactment of this Act, the Secretary of
24 Health and Human Services shall submit a report to the
25 Congress on the implementation of this section.

1 **SEC. 5. REPORT ON THE HEALTH OF THE MIDDLE EASTERN**
2 **AND NORTH AFRICAN POPULATION.**

3 (a) STUDY REQUIRED.—The Secretary of Health and
4 Human Services (in this section referred to as the “Sec-
5 retary”) shall conduct or support a comprehensive study
6 regarding the unique health patterns and outcomes of
7 MENA populations.

8 (b) REQUIREMENTS FOR STUDY.—The comprehen-
9 sive study under subsection (a) shall include an enumera-
10 tion of MENA populations across the United States,
11 disaggregated by subpopulation, and with respect to each
12 such population and subpopulation—

13 (1) the rates of—

14 (A) obesity, diabetes, sickle cell anemia,
15 stroke, asthma, pneumonia, lung cancer, HIV/
16 AIDS, HPV, high cholesterol, high blood pres-
17 sure, chronic heart, lung, and kidney disease;

18 (B) morbidity and mortality, including the
19 rates of morbidity and mortality associated with
20 the health conditions listed in subparagraph
21 (A);

22 (C) mental health and substance use dis-
23 orders; and

24 (D) domestic violence, dating violence, sex-
25 ual assault, sexual harassment, and stalking;

26 (2) analysis of—

1 (A) the rates described in paragraph (1);

2 (B) the leading causes of pregnancy-associ-
3 ated morbidity and mortality; and

4 (C) access to health care facilities and the
5 associated outcomes of care;

6 (3) analysis, enumeration, or quantification of
7 any other health or health-related parameters the
8 Secretary may deem necessary; and

9 (4) analysis of the relationship between the
10 health factors, outcomes, and conditions described in
11 paragraphs (1) through (3) and the implementation
12 of Federal health programs.

13 (c) CONSULTATION.—The Secretary shall—

14 (1) carry out this section in consultation, as ap-
15 propriate, with the Director of the Census Bureau,
16 the Director of the Centers for Disease Control and
17 Prevention, the Director of the National Institutes
18 of Health, the Assistant Secretary for Mental Health
19 and Substance Use, and other stakeholders (includ-
20 ing community-based organizations); and

21 (2) determine through such consultation the
22 subpopulations to be used for purposes of
23 disaggregation of data pursuant to subsection (b).

1 (d) DEADLINE.—The Secretary shall conclude the
2 comprehensive study under this section not later than two
3 years after the enactment of this Act.

4 (e) ONLINE PORTAL.—Upon conclusion of the com-
5 prehensive study under this section, the Secretary shall
6 establish a public online portal to catalogue the results of
7 the study, its underlying data, and information in the re-
8 port submitted pursuant to subsection (f).

9 (f) REPORT.—Not later than 30 days after the con-
10 clusion of the comprehensive study under this section, the
11 Secretary shall submit to Congress a report describing—

12 (1) the results of the study; and

13 (2) the rulemakings and other actions the agen-
14 cies described in subsection (c)(1) can undertake to
15 more equitably include MENA individuals in their
16 programs.

17 (g) PRIVACY.—The Secretary shall not include any
18 personally identifiable information on the online portal
19 under subsection (e) or in the report under subsection (f).

○
