IN THE HOUSE OF REPRESENTATIVES

JULY 19, 2013

Ms. PELOSI (for herself, Ms. ESHOO, Mr. HUFFMAN, Ms. LEE of California, Ms. LOFGREN, Mr. GEORGE MILLER of California, Mrs. NAPOLITANO, Ms. ROYBAL-ALLARD, Ms. SPEIER, Mr. SWALWELL of California, and Mr. THOMPSON of California) introduced the following bill; which was referred to the Committee on Financial Services

A BILL

To require the Secretary of the Treasury to mint coins in commemoration of the centennial of the Panama-Pacific International Exposition and the Panama Canal, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Panama Canal and
5 Pan-Pacific Exhibition Centennial Celebration Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

1 (1) The Panama Canal, which cuts across the
2 Isthmus of Panama, was built between 1890 and
3 1914. It was the world’s greatest engineering feat of
4 its time and required a labor force of almost 40,000.

5 (2) President Theodore Roosevelt, recognizing
6 the value of a canal, led the United States in buying
7 the equipment and concession to build the canal for
8 \$40 million, and championed the effort that over-
9 came malaria and immense logistical problems. The
10 Canal opened on August 15, 1914—401 years after
11 Spanish explorer Vasco Nuñez de Balboa first
12 crossed Panama.

13 (3) Stretching 51 miles, the Panama Canal con-
14 nected the Atlantic Ocean and the Pacific Ocean,
15 saving sailors a dangerous 8,000-mile journey
16 around Cape Horn and through the Straits of Ma-
17 gellan, and cutting in half the time previously re-
18 quired to sail between the oceans.

19 (4) The 1915 Panama-Pacific International Ex-
20 position was a world’s fair held in San Francisco,
21 California. The Exposition ran from February 20
22 until December 4, 1915.

23 (5) The Exposition commemorated the comple-
24 tion of the Panama Canal and the 400th anniver-
25 sary of the discovery of the Pacific Ocean by Balboa.

1 (6) Congress authorized the United States Mint
2 to issue five different coins dated 1915 in connection
3 with the Panama-Pacific International Exposition.
4 The coins represent a high-water mark for American
5 commemorative coins. Produced at the San Fran-
6 cisco Mint, these were the first United States com-
7 memorative coins to bear the motto “In God We
8 Trust”, and included the silver Panama-Pacific half
9 dollar and four gold coins in denominations of one
10 dollar, 2½ dollars, a 50-dollar round coin, and a
11 unique 50-dollar octagonal coin.

12 (7) The octagonal \$50 gold piece was the larg-
13 est coin authorized by Congress, and the first mint-
14 ed since 1852 in a shape other than round.

15 (8) The United States should mark the centen-
16 nial of this important event in San Francisco and
17 the monumental achievement of the opening of the
18 Panama Canal.

19 (9) The proceeds from the surcharge on the
20 sale of such commemorative coins will assist in sup-
21 porting the educational programs of the San Fran-
22 cisco Museum and Historical Society.
