## A BILL

To amend title 23, United States Code, to provide for a national standard to prevent driving while intoxicated by requiring ignition interlocks for DWI offenders, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “End Driving While  
5 Intoxicated Act of 2025” or the “End DWI Act of 2025”.

6 **SEC. 2. FINDINGS.**

7       Congress finds the following:

1                   (1) According to Mothers Against Drunk Driving,  
2 there has been a historic increase in alcohol-im-  
3 paired driving fatalities since 2019 resulting in one  
4 person dying in a driving while intoxicated crash in  
5 the United States every 39 minutes.

6                   (2) According to the National Highway Traffic  
7 Safety Administration, between 2020 and 2021,  
8 driving while intoxicated deaths increased 14 percent  
9 and 13,384 people were killed, a level not seen since  
10 2006.

11                  (3) Studies show that ignition interlocks reduce  
12 recidivism, by up to 70 percent, among first-time,  
13 repeat and high-risk driving while intoxicated offend-  
14 ers while they are installed.

15                  (4) Ignition interlocks are required for people  
16 who have been convicted for driving while intoxicated  
17 in 31 States and the District of Columbia, according  
18 to the National Conference of State Legislators.

19                  (5) The rise in polysubstance impaired driving  
20 significantly increases the crash risk on our nation's  
21 roads.

22                  (6) One 2018 study from Washington State re-  
23 vealed that polysubstance impairment was the most  
24 common type of impairment found among drivers in-  
25 volved in fatal crashes between 2008 and 2016 and

1 among drivers involved in fatal crashes during this  
2 timeframe, 44 percent tested positive for 2 or more  
3 substances with alcohol and THC being the most  
4 common combination.

5 **SEC. 3. NATIONAL STANDARD FOR IGNITION INTERLOCKS**  
6 **FOR DWI OFFENDERS.**

7 (a) IN GENERAL.—Chapter 1 of title 23, United
