  - (8) The Tour de France, the world's preeminent cycling competition, was first held over a century ago, in 1903.
    - (9) The Tour de France takes place over 23 days, covering an extraordinary 2,200 miles, winding through multiple mountain ranges, spanning multiple nations, and is viewed as comparable to running a marathon every day for three consecutive weeks.
    - (10) Greg first competed in the Tour de France in 1984, finishing third, and finishing second the following year, in both years deputizing himself to his teammates, sacrificing a chance to win himself to boost his teammates toward victory.

  - (13) Greg mounted the greatest comeback in the history of American sports, taking home an astonishing victory at the 1989 Tour de France, following multiple surgeries, life-threatening gunshot wounds, tendon repair, and an appendectomy, winning by 8 seconds in the closest finish in the history of the Tour de France.
