To establish the Office of Internet Connectivity and Growth, and for other purposes.

---

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 6, 2017

Mr. TONKO (for himself and Mr. LANCE) introduced the following bill; which was referred to the Committee on Energy and Commerce

---

## A BILL

To establish the Office of Internet Connectivity and Growth, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Advancing Critical  
5 Connectivity Expands Service, Small Business Resources,  
6 Opportunities, Access, and Data Based on Assessed Need  
7 and Demand Act” or the “ACCESS BROADBAND Act”.

1 **SEC. 2. ESTABLISHMENT OF THE OFFICE OF INTERNET**  
2 **CONNECTIVITY AND GROWTH.**

3 Not later than 180 days after the date of the enact-  
4 ment of this Act, the Assistant Secretary shall establish  
5 the Office of Internet Connectivity and Growth within the  
6 National Telecommunications and Information Adminis-  
7 tration.

8 **SEC. 3. DUTIES.**

9 (a) **OUTREACH.**—The Office shall—

10 (1) connect with communities that need access  
11 to high-speed internet and improved digital inclusion  
12 efforts through various forms of outreach and com-  
13 munication techniques;

14 (2) hold regional workshops across the country  
15 to share best practices and effective strategies for  
16 promoting broadband access and adoption;

17 (3) develop targeted broadband training and  
18 presentations for various demographic communities  
19 through various media; and

20 (4) develop and distribute publications (includ-  
21 ing toolkits, primers, manuals, and white papers)  
22 providing guidance, strategies, and insights to com-  
23 munities as the communities develop strategies to  
24 expand broadband access and adoption.

25 (b) **TRACKING OF FEDERAL DOLLARS.**—

1           (1) BROADBAND INFRASTRUCTURE.—The Of-  
2           fice shall track the construction and use of any  
3           broadband infrastructure built using any Federal  
4           support in a central database.

5           (2) ACCOUNTING MECHANISM.—The Office  
6           shall develop a streamlined accounting mechanism  
7           by which any agency offering a Federal broadband  
8           support program and the Commission through the  
9           Universal Service Fund shall provide the information  
10          described in paragraph (1) in a standardized and ef-  
11          ficient fashion.

12          (3) REPORT.—Not later than 1 year after the  
13          date of the enactment of this Act, and every year  
14          thereafter, the Office shall make public on the  
15          website of the Office and submit to the Committee  
16          on Energy and Commerce of the House of Rep-  
17          resentatives and the Committee on Commerce,  
18          Science, and Transportation of the Senate a report  
19          on the following:

20                 (A) A description of the work of the Office  
21                 for the previous year and the number of resi-  
22                 dents of the United States that received  
23                 broadband as result of Federal broadband sup-  
24                 port programs and the Universal Service Fund  
25                 program.

1 (B) A description of how many residents of  
2 the United States were provided broadband by  
3 which universal service mechanism or which  
4 Federal broadband support program.

5 (C) An estimate of the economic impact of  
6 such broadband deployment efforts on the local  
7 economy, including any effect on small busi-  
8 nesses or jobs.

9 **SEC. 4. STREAMLINED APPLICATIONS FOR SUPPORT.**

10 (a) AGENCY CONSULTATION.—The Office shall con-  
11 sult with any agency offering a Federal broadband support  
12 program to streamline and standardize the applications  
13 process for such program.

14 (b) AGENCY STREAMLINING.—Any agency offering a  
15 Federal broadband support program shall amend their ap-  
16 plications for broadband support, to the extent practicable  
17 and as necessary, to streamline and standardize applica-  
18 tions for Federal broadband support programs across the  
19 Government.

20 (c) SINGLE APPLICATION.—To the greatest extent  
21 practicable, the Office shall seek to create one application  
22 that may be submitted to apply for all, or substantially  
23 all, Federal broadband support programs.

24 (d) WEBSITE REQUIRED.—Not later than 180 days  
25 after the date of the enactment of this Act, the Office shall

1 create a central website through which potential applicants  
2 can learn about and apply for support through any Fed-  
3 eral broadband support program.

4 **SEC. 5. COORDINATION OF SUPPORT.**

5 The Office, any agency that offers a Federal  
6 broadband support program, and the Commission through  
7 the Universal Service Fund shall coordinate with the Of-  
8 fice to ensure that support is being distributed in an effi-  
9 cient manner, in a financial sustainable manner, with the  
10 goal of serving the largest number of persons in the  
11 United States while promoting the most job and economic
