# A BILL

To amend titles XVI, XVIII, XIX, and XXI of the Social Security Act to remove limitations on Medicaid, Medicare, SSI, and CHIP benefits for persons in custody pending disposition of charges.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Restoring the Partner-  
5 ship for County Health Care Costs Act of 2015”.

1   **SEC. 2. FINDINGS.**

2       Congress makes the following findings:

3           (1) The United States Supreme Court has in-  
4       terpreted the 8th Amendment to require govern-  
5       mental entities to provide medical care to persons in-  
6       voluntarily confined in jails, detention centers, and  
7       prisons.

8           (2) The Federal Government does not provide  
9       health benefits under Medicare, Medicaid, Supple-  
10      mental Security Income (SSI), or the Children's  
11      Health Insurance Program (CHIP) to inmates even  
12      if the person is awaiting trial in jail and has not  
13      been convicted. However, beneficiaries who are re-  
14      leased after posting bond, or who are released under  
15      their own recognizance, or who are released under  
16      house arrest may continue to receive Medicare, Med-  
17      icaid, SSI, and CHIP benefits.

18           (3) The cost of providing health care in prisons  
19      and jails has increased exponentially due in part to  
20      high incarceration rates, infectious diseases, chronic  
21      conditions, substance abuse treatment, mental ill-  
22      ness, aging prison populations, rising prescription  
23      drug costs, and mandatory sentencing laws.

24           (4) Providing health care for inmates con-  
25      stitutes a major portion of local jail operating costs.  
26      Requiring county governments to cover health care

1 costs for inmates who have not been convicted places  
2 an unnecessary burden on local governments who  
3 have been negatively impacted by recession, wide-  
4 spread budget deficits, and cuts to safety net pro-  
5 grams and services.

6 (5) Jails generally have a higher instance of  
7 mentally ill inmates because jails frequently serve as  
8 holding places for low-income persons who are wait-  
9 ing placement in a mental facility and for mentally  
10 ill persons who commit nuisance crimes because of  
11 inadequate access to treatment in their communities.

12 (6) The rising cost of bail has also contributed  
13 to an overall increase in the jail population and  
14 health care costs for inmates. The high cost of bail  
15 has contributed to the disproportionate rate of incar-  
16 ceration among African-Americans and Latinos.

17 (7) Terminating benefits to people in county  
18 jails who are awaiting trial violates the presumption  
19 of innocence, because it does not distinguish between  
20 persons awaiting disposition of charges and those  
21 who have been duly convicted and sentenced.

22 (8) Otherwise eligible individuals who have been  
23 charged with a crime and incarcerated, but not con-  
24 victed, should continue to be eligible for Federal  
25 health benefits, such as Medicare, Medicaid, SSI, or

1       CHIP, until such time as they may be convicted and  
2       sentenced to an institution. SSI payments should be  
3       held until the inmate has been acquitted and re-  
4       leased, or until the inmate has completed his or her  
5       sentence and been released.

6       **SEC. 3. REMOVAL OF INMATE LIMITATION ON BENEFITS**

7                   **UNDER MEDICAID, MEDICARE, SSI, AND CHIP.**

8       (a) MEDICAID.—The subdivision (A) of section  
9       1905(a) of the Social Security Act (42 U.S.C. 1396d(a))  
10      that follows paragraph (29) is amended by inserting “or  
11      in custody pending disposition of charges” after “patient  
12      in a medical institution”.

13       (b) MEDICARE.—Section 1862(a)(3) of the Social Se-  
14       curity Act (42 U.S.C. 1395y(a)(3)) is amended by insert-  
15       ing “in the case of services furnished to individuals who  
16       are in custody pending disposition of charges,” after  
17       “1880(e)”.

18       (c) SSI.—Section 1611(e)(1) of the Social Security  
19       Act (42 U.S.C. 1382(e)(1)) is amended by adding at the  
20      end the following new subparagraph:

21               “(K)(i) As used in subparagraph (A), the term ‘in-  
22       mate of a public institution’ does not include an individual  
23       who is in custody pending disposition of charges.

24               “(ii) In the case of an individual who is an eligible  
25       individual or eligible spouse for purposes of this title only

1 because of the application of the definition in clause (i),  
2 any supplemental security income benefits otherwise pay-  
3 able shall be withheld until such time as the individual  
4 is no longer either in custody pending disposition of  
5 charges or an inmate of a public institution or shall be  
6 paid to the individual's estate if the individual dies before  
7 the pending charges are disposed of or while the individual  
8 is an inmate of a public institution.”.

9       (d) CHIP.—Section 2110(b)(2)(A) of the Social Se-  
10 curity Act (42 U.S.C. 1397jj(b)(2)(A)) is amended by in-  
11 serting “(except as an individual in custody pending dis-  
12 position of charges)” after “inmate of a public institu-  
13 tion”.

14       (e) EFFECTIVE DATE.—The amendments made by  
15 this section shall take effect on the first day of the first  
16 calendar quarter beginning more than 60 days after the  
17 date of the enactment of this Act and shall apply to items  
18 and services furnished, and supplemental security income  
19 benefits paid, for periods beginning on or after such date.
