10 almost 200 years.

1 (2) Such institutions operate for the purpose of
2 serving the local depositors and borrowers and the
3 communities in which they operate.

5 aging thrift, providing home loans and loans for
6 small businesses.

7 (4) Mutual banks are among the strongest fi-
8 nancial institutions in the country and are charac-
9 terized by high capital ratios and conservative, com-
10 munity-focused management.

11 (5) Congress deems it necessary to provide for
12 the support and continued development of these vital
13 community financial institutions.
