17          gust Pfluger.

18          (6) One of the several duties Joanne spear-  
19          headed was the annual process of nominations to the  
20          military service academies, which was always a year-  
21          round process for her.

22          (7) With Joanne's assistance, many of the  
23          young men and women of the 11th District went on  
24          to serve the Nation and attend one of the military  
25          service academies.

1           (8) In addition, Joanne was a fierce advocate of
