H. R. 4681

AN ACT

To limit assistance for areas of Syria controlled by the Government of Syria or associated forces, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “No Assistance for
3 Assad Act”.

4 **SEC. 2. FINDINGS.**

5 Congress makes the following findings:

6 (1) Seven years into the conflict in Syria, over
7 11 million Syrians have been displaced from their
8 homes and more than 400,000 have been killed.

9 (2) Since the conflict in Syria began, the
10 United States has provided more than \$7.6 billion to
11 meet humanitarian needs of the Syrian people, mak-
12 ing the United States the world’s single largest
13 donor to the Syrian humanitarian response.

14 (3) It is estimated that the reconstruction of
15 Syria could cost between \$200 and \$350 billion.

16 (4) According to the 2016 Transparency Inter-
17 national Corruption Index, Syria is among the most
18 corrupt countries in the world.

19 (5) In October 2015, a visiting Russian delega-
20 tion to Syria announced that Russian firms would
21 lead in the effort to rebuild Syria, and Syrian Presi-
22 dent Bashar al-Assad reportedly said, “Syria is
23 ready to provide Russian companies with all the con-
24 tracts worth hundreds of billions of dollars.”.

25 (6) In August 2017, the Government of the
26 People’s Republic of China hosted a trade fair in

1 Syria, and a Chinese-Arab business group an-
2 nounced a \$2 billion commitment from the Chinese
3 government to fund the construction of industrial
4 parks in Syria.

5 **SEC. 3. STATEMENT OF POLICY.**

6 It is the policy of the United States that United
7 States foreign assistance made available for early recov-
