

117TH CONGRESS  
1ST SESSION

# H. R. 476

To strengthen American economic resiliency and equitably expand economic opportunity by launching a national competition, promoting State and local strategic planning, encouraging innovation by the public and private sectors, and by substantially investing Federal resources in research and development.

---

## IN THE HOUSE OF REPRESENTATIVES

JANUARY 25, 2021

Mr. MORELLE (for himself, Ms. SEWELL, Mr. PHILLIPS, Ms. NORTON, and Mr. CASE) introduced the following bill; which was referred to the Committee on Science, Space, and Technology, and in addition to the Committees on Small Business, Education and Labor, Energy and Commerce, Transportation and Infrastructure, Ways and Means, and Financial Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To strengthen American economic resiliency and equitably expand economic opportunity by launching a national competition, promoting State and local strategic planning, encouraging innovation by the public and private sectors, and by substantially investing Federal resources in research and development.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Innovation Centers Ac-  
3 celeration Act”.

4 **SEC. 2. DEFINITIONS.**

5 In this Act:

6 (1) **COMMITTEE.**—The term “Committee”  
7 means the Innovation Center Selection Committee  
8 established under section 3.

9 (2) **ELIGIBLE AREA.**—The term “eligible area”  
10 means a metropolitan statistical area that—

11 (A) has a population of not less than  
12 500,000; and

13 (B) is not designated as an established  
14 tech hub.

15 (3) **ESTABLISHED TECH HUB.**—The term “es-  
16 tablished tech hub” means the 9 metropolitan statis-  
17 tical areas in the United States with the largest  
18 total number of innovation sector jobs in 2019.

19 (4) **HISPANIC-SERVING INSTITUTION.**—The  
20 term “Hispanic-serving institution” has the meaning  
21 given the term in section 502 of the Higher Edu-  
22 cation Act of 1965 (20 U.S.C. 1101a).

23 (5) **HISTORICALLY BLACK COLLEGE OR UNI-**  
24 **VERSITY.**—The term “historically Black college or  
25 university” has the meaning given the term “part B

1 institution” in section 322 of the Higher Education  
2 Act of 1965 (20 U.S.C. 1061).

3 (6) INNOVATION CENTER.—The term “innova-  
4 tion center” means an eligible area designated by  
5 the Committee under section 3(e).

6 (7) INNOVATION SECTOR JOB.—The term “in-  
7 novation sector job” means a job in the following re-  
8 search and development sectors, as categorized  
9 under the North American Industry Classification  
10 System:

11 (A) Basic chemical manufacturing (3251).

12 (B) Pesticide, fertilizer, and other agricul-  
13 tural chemical manufacturing (3253).

14 (C) Pharmaceutical and medicine manufac-  
15 turing (3254).

16 (D) Computer and peripheral equipment  
17 manufacturing (3341).

18 (E) Communications equipment manufac-  
19 turing (3342).

20 (F) Semiconductor and other electronic  
21 components manufacturing (3344).

22 (G) Navigational, measuring,  
23 electromedical, and control instruments manu-  
24 facturing (3345).

1 (H) Aerospace product and parts manufac-  
2 turing (3364).

3 (I) Software publishers (5112).

4 (J) Satellite telecommunications (5174).

5 (K) Data processing, hosting, and related  
6 services (5182).

7 (L) Other information services (5191).

8 (M) Scientific research and development  
9 services (5417).

10 (8) STEM.—The term “STEM” means science,  
11 technology, engineering, and mathematics.

12 **SEC. 3. INNOVATION CENTER SELECTION COMMITTEE.**

13 (a) ESTABLISHMENT.—There is established the Inno-  
14 vation Center Selection Committee, which shall—

15 (1) establish the global competitive edge of the  
16 United States in the 21st century across a range of  
17 innovation sectors critical to national and economic  
18 security;

19 (2) enable 9 metropolitan statistical areas in  
20 the United States to become innovation centers for  
21 global innovation leadership and models for inclusive  
22 growth, equal opportunity, and rising living stand-  
23 ards for disadvantaged populations;

24 (3) inspire, within metropolitan statistical areas  
25 in the United States across the country, new and

1 constructive collaboration among local, State, and  
2 Federal government entities, academia, and private  
3 industry by issuing a call for innovation center pro-  
4 posals with clear, ambitious objectives;

5 (4) carry out a transparent, competitive, fair,  
6 and rigorous process for selecting innovation centers;

7 (5) ensure the transparent, efficient and effec-  
8 tive use of taxpayer funds; and

9 (6) empirically evaluate the effectiveness of in-  
10 novation centers through release of publicly available  
11 reports and data.

12 (b) MEMBERSHIP.—

13 (1) COMPOSITION.—

14 (A) VOTING MEMBERS.—The Committee  
15 shall be composed of the following voting mem-  
16 bers:

17 (i) The Secretary of Commerce, who  
18 shall serve as chairperson of the Com-  
19 mittee.

20 (ii) The Administrator of the Small  
21 Business Administration.

22 (iii) The Deputy Secretary for Hous-  
23 ing and Urban Development.

24 (iv) The Director of the Community  
25 Development Financial Institution Fund.

1 (v) The Director of the National  
2 Science Foundation.

3 (vi) The Director of the National In-  
4 stitute of Standards and Technology.

5 (vii) The Director of the National  
6 Economic Council.

7 (viii) The Assistant Secretary of Com-  
8 merce for Economic Development.

9 (ix) The Assistant Secretary for Em-  
10 ployment and Training.

11 (x) The Director of the Office of  
12 Science and Technology Policy.

13 (xi) The Under Secretary of Defense  
14 for Research and Engineering.

15 (xii) The Under Secretary for Science  
16 of the Department of Energy.

17 (xiii) The Director of the National In-  
18 stitutes of Health.

19 (xiv) The Under Secretary for Science  
20 and Technology of the Department of  
21 Homeland Security.

22 (xv) The Administrator of the Na-  
23 tional Aeronautics and Space Administra-  
24 tion.

25 (2) NONVOTING MEMBERS.—

1 (A) IN GENERAL.—The Committee shall  
2 have 8 nonvoting members, of which, from  
3 among leaders of labor organizations or re-  
4 search institutions, or leaders from private in-  
5 dustry or professional societies—

6 (i) 2 shall be appointed by the major-  
7 ity leader of the Senate;

8 (ii) 2 shall be appointed by the minor-  
9 ity leader of the Senate;

10 (iii) 2 shall be appointed by the  
11 Speaker of the House of Representatives;  
12 and

13 (iv) 2 shall be appointed by the minor-  
14 ity leader of the House of Representatives.

15 (B) TERM.—The nonvoting members ap-  
16 pointed under subparagraph (A)—

17 (i) shall serve for a term of 5 years;

18 and

19 (ii) may be reappointed to subsequent  
20 terms.

21 (C) VACANCIES.—A vacancy in the non-  
22 voting membership of the Committee shall be  
23 filled in the same manner as the original ap-  
24 pointment, but the individual appointed to fill  
25 the vacancy shall serve only for the unexpired

1           portion of the term for which the individual's  
2           predecessor was appointed.

3           (D) DEADLINE FOR APPOINTMENTS.—The  
4           nonvoting members of the Committee shall be  
5           appointed under this paragraph not later than  
6           30 days after the date of enactment of this Act.

7           (3) INITIAL MEETING.—Not later than 30 days  
8           after the date on which all members of the Com-  
9           mittee are appointed, the Committee shall hold its  
10          first meeting.

11          (c) COMPENSATION.—A nonvoting member of the  
12          Committee appointed under subsection (b)(2) shall be al-  
13          lowed travel expenses, including per diem in lieu of sub-  
14          sistence, at rates authorized for employees of agencies  
15          under subchapter I of chapter 57 of title 5, United States  
16          Code, while away from their homes or regular places of  
17          business in the performance of services for the Committee.

18          (d) STAFF.—

19                 (1) IN GENERAL.—The Committee may appoint  
20                 a staff director and other personnel as necessary to  
21                 carry out the duties of the Committee.

22                 (2) MEMBER AGENCIES.—The Department of  
23                 Commerce, the Department of Labor, the Depart-  
24                 ment of the Treasury, the Department of Housing  
25                 and Urban Development, the Department of De-

1 fense, the Department of Energy, the Department of  
2 Health and Human Services, the Small Business  
3 Administration, and the Department of Transpor-  
4 tation shall provide necessary staffing support to the  
5 Committee, as determined by the Committee.

6 (e) SELECTION OF INNOVATION CENTERS.—

7 (1) IN GENERAL.—The Committee shall select  
8 9 eligible areas to serve as innovation centers and  
9 receive the Federal innovation supports described in  
10 section 4.

11 (2) APPLICATION.—

12 (A) REQUEST FOR PROPOSALS.—Not later  
13 than 3 months after the date of enactment of  
14 this Act, the Committee shall issue a request  
15 for applications from eligible entities.

16 (B) SUBMISSION.—Each eligible area de-  
17 siring to be selected as an innovation center  
18 shall submit to the Committee an application  
19 through a proposal committee created by the el-  
20 igible area, which shall include representation  
21 from each State located in the eligible area and  
22 each municipal government representing not  
23 less than 200,000 individuals located in the eli-  
24 gible area.

1           (3) SELECTION CRITERIA.—In selecting innova-  
2           tion centers under this section, the Committee shall  
3           evaluate each applicant based on—

4                   (A) the performance of the applicant in—

5                           (i) STEM spending per capita;

6                           (ii) the number of patents per  
7                           100,000 residents;

8                           (iii) the share of the population with  
9                           a Bachelor of Arts degree or a higher de-  
10                           gree; and

11                           (iv) the number of STEM university  
12                           degrees per capita;

13                   (B) a plan to use data-driven strategies to  
14                   promote innovation-based, advanced sector  
15                   takeoff, focused on local interplay of university,  
16                   Federal research institution, and industry core  
17                   competencies;

18                   (C) a plan to increase innovation readi-  
19                   ness, including expanding research and tech-  
20                   nology development facilities and developing the  
21                   local STEM workforce, including through part-  
22                   nerships with entities with demonstrated suc-  
23                   cess of administering apprenticeship and other  
24                   workforce development models;

1 (D) a plan to build or improve areas that  
2 attract and support workers and firms;

3 (E) a plan to foster racial equity and inclu-  
4 sive growth, including by leveraging minority  
5 serving institutions, preventing gentrification,  
6 combatting segregation, promoting the inclusion  
7 of underrepresented residents, and ensuring af-  
8 fordable housing options;

9 (F) a plan to invest the financial resources  
10 of the applicant;

11 (G) a plan to partner with local workforce  
12 development boards to scale up training to meet  
13 new workforce demands;

14 (H) a plan to incorporate and bring  
15 growth and opportunity to a broad geographic  
16 area beyond the limits of the metropolitan sta-  
17 tistical area, including rural areas, through im-  
18 proved transportation, high speed internet ac-  
19 cess, other investments, and partnerships; and

20 (I) the relative potential for the selection  
21 of the innovation center to reverse a decline, or  
22 accelerate growth, in innovation sector jobs.

23 (4) GEOGRAPHIC DIVERSITY.—In selecting in-  
24 novation centers under this section, the Committee

1 shall ensure a broad geographic representation of  
2 the United States.

3 (5) SITE VISITS.—The Committee may conduct  
4 site visits to eligible areas that are finalists for selec-  
5 tion as an innovation center.

6 (6) TIMELINE FOR SELECTION.—The Com-  
7 mittee shall, by secret ballot, vote to select the 9 in-  
8 novation centers not later than 12 months after the  
9 date of enactment of this Act.

10 (7) EVALUATION AND RENEWAL.—

11 (A) IN GENERAL.—Not later than 1 year  
12 after the date of enactment of this Act, the  
13 Committee shall establish evaluation and re-  
14 newal criteria to measure—

15 (i) the progress of an innovation cen-  
16 ter toward becoming a center for tech-  
17 nology innovation;

18 (ii) the effectiveness of an innovation  
19 center in translating innovation sector  
20 growth into broadly shared economic op-  
21 portunity within the innovation center; and

22 (iii) the ethical and efficient use of  
23 Federal funds.

24 (B) REPORT TO CONGRESS.—Beginning in  
25 the third full year following the date of enact-

1           ment of this Act, and not less frequently than  
2           once every 3 years thereafter, the Committee  
3           shall submit to Congress and each agency rep-  
4           resented on the Committee, and make publicly  
5           available, a report on the progress of each inno-  
6           vation center in meeting the objectives de-  
7           scribed in paragraph (3).

8           (C) EVALUATION.—

9           (i) IN GENERAL.—During the third  
10          year in which an innovation center is in ex-  
11          istence, the Committee shall conduct an  
12          evaluation based on established bench-  
13          marks for achieving the objectives de-  
14          scribed in paragraph (3) to determine  
15          whether the designation as an innovation  
16          center shall be renewed for 3 additional  
17          years.

18          (ii) FAILURE TO MEET BENCH-  
19          MARKS.—An innovation center that fails to  
20          meet a majority of the benchmarks estab-  
21          lished under clause (i) shall not be renewed  
22          as an innovation center.

23          (D) RENEWAL LIMIT.—An innovation cen-  
24          ter shall be designated as such for a period of  
25          3 years, and the Committee may renew the des-

1           ignation for not more than 2 additional 3-year  
2           terms.

3           (f) FINAL REPORT.—Not later than 1 year after the  
4 date on which all innovation centers have exhausted their  
5 designations and renewals as an innovation center, the  
6 Committee shall submit to Congress and each agency rep-  
7 resented on the Committee, and make publicly available,  
8 a final cumulative report on the efficacy of the program.

9           (g) AUTHORIZATION OF APPROPRIATIONS.—There is  
10 authorized to be appropriated to the Committee for travel  
11 and administrative expenses related to carrying out the  
12 duties of the Committee—

13           (1) \$5,000,000 for each of the first 2 fiscal  
14 years beginning after the date of enactment of this  
15 Act; and

16           (2) \$1,000,000 for each of the 8 fiscal years  
17 following the 2 fiscal years described in paragraph  
18 (1).

19 **SEC. 4. FEDERAL INNOVATION SUPPORTS.**

20           (a) IN GENERAL.—An innovation center shall be eli-  
21 gible for the Federal innovation supports described in this  
22 section.

23           (b) DIRECT FEDERAL INVESTMENT.—

24           (1) NATIONAL SCIENCE FOUNDATION RE-  
25 SEARCH FUNDING.—

1 (A) FUNDING GOAL.—The Director of the  
2 National Science Foundation shall pursue a  
3 goal of awarding through a rigorous selection  
4 process, for each innovation center that gets its  
5 designation renewed continually for 3 terms, a  
6 total of \$1,250,000,000 in grant funds to enti-  
7 ties located in that innovation center by the end  
8 of the 9th year of the designation of that inno-  
9 vation center, by proportionally increasing the  
10 total amount of the grants awarded over the 9-  
11 year period.

12 (B) ADDITIONAL FUNDING.—In addition  
13 to awarding grants in pursuit of the goal de-  
14 scribed in subparagraph (A), the Director shall  
15 award grants—

16 (i) with a focus on universities or  
17 other research institutions that commit to  
18 expanding research and workforce capabili-  
19 ties aligned with industries and tech-  
20 nologies and with a preference for univer-  
21 sities or institutions that are—

22 (I) concentrated in an innovation  
23 center; or

24 (II) key to national challenges; or

1 (ii) that include industry-university  
2 research partnership programs.

3 (C) TRACKING.—In each year, the Direc-  
4 tor of the National Science Foundation shall  
5 track the aggregate amount of grants awarded  
6 by the Director to entities in that year,  
7 disaggregated by innovation center.

8 (D) AUTHORIZATION OF ADDITIONAL AP-  
9 PROPRIATIONS.—There are authorized to be ap-  
10 propriated to carry out this paragraph, in addi-  
11 tion to amounts that would otherwise be appro-  
12 priated in a year for the National Science  
13 Foundation, amounts as follows:

14 (i) For fiscal year 2022, \$0.

15 (ii) For fiscal year 2023,  
16 \$1,110,000,000.

17 (iii) For fiscal year 2024,  
18 \$2,220,000,000.

19 (iv) For fiscal year 2025,  
20 \$3,330,000,000.

21 (v) For fiscal year 2026,  
22 \$4,440,000,000.

23 (vi) For fiscal year 2027,  
24 \$5,550,000,000.

1 (vii) For fiscal year 2028,  
2 \$6,660,000,000.

3 (viii) For fiscal year 2029,  
4 \$7,770,000,000.

5 (ix) For fiscal year 2030,  
6 \$8,880,000,000.

7 (x) For fiscal year 2031,  
8 \$9,990,000,000.

9 (2) NATIONAL SCIENCE FOUNDATION GRAD-  
10 UATE RESEARCH FELLOWSHIPS AND UNDER-  
11 GRADUATE RESEARCH PROGRAMS.—

12 (A) EXPANSION.—The Director of the Na-  
13 tional Science Foundation shall expand grad-  
14 uate research fellowships and programs focused  
15 on undergraduate research opportunities, in-  
16 cluding—

17 (i) research experiences for under-  
18 graduates;

19 (ii) advanced technological education  
20 programs;

21 (iii) historically Black colleges and  
22 universities undergraduate programs; and

23 (iv) Hispanic-serving institutions.

24 (B) ALLOCATION.—The amounts expended  
25 by the Director to carry out subparagraph (A),

1           35 percent of such amounts shall be expended  
2           for the expansion of graduate research fellow-  
3           ships and undergraduate research opportunities  
4           in innovation centers.

5           (C) AUTHORIZATION OF APPROPRIA-  
6           TIONS.—There are authorized to be appro-  
7           priated to carry out this paragraph amounts as  
8           follows:

9                   (i) In fiscal year 2023, \$57,000,000.

10                   (ii) In fiscal year 2024, \$114,000,000.

11                   (iii) In fiscal year 2025,  
12                   \$171,000,000.

13                   (iv) In fiscal year 2026,  
14                   \$228,000,000.

15                   (v) In fiscal year 2027, \$285,000,000.

16                   (vi) In fiscal year 2028,  
17                   \$342,000,000.

18                   (vii) In fiscal year 2029,  
19                   \$399,000,000.

20                   (viii) In fiscal year 2030,  
21                   \$456,000,000.

22                   (ix) In fiscal year 2031,  
23                   \$513,000,000.

24           (3) NATIONAL SCIENCE FOUNDATION INDUS-  
25           TRY-UNIVERSITY COOPERATIVE RESEARCH CENTERS

1 PROGRAM.—The Director of the National Science  
2 Foundation shall consider the location of a univer-  
3 sity within an innovation center to be a strength for  
4 purposes of selection criteria under the Industry-  
5 University Cooperative Research Centers program.

6 (4) SMALL BUSINESS INNOVATION RE-  
7 SEARCH.—Section 9(j) of the Small Business Act  
8 (15 U.S.C. 638(j)) is amended by adding at the end  
9 the following:

10 “(5) MODIFICATIONS RELATING TO INNOVA-  
11 TION CENTERS.—

12 “(A) DEFINITION.—In this paragraph, the  
13 term ‘innovation center’ has the meaning given  
14 the term in section 2 of the Innovation Centers  
15 Acceleration Act.

16 “(B) REQUIREMENT.—Not later than 6  
17 months after the date of enactment of the Inno-  
18 vation Centers Acceleration Act, the Adminis-  
19 trator shall modify the policy directives issued  
20 pursuant to this subsection—

21 “(i) to provide that, during the 10-  
22 year period beginning on the date of enact-  
23 ment of the Innovation Centers Accelera-  
24 tion Act, the location of a small business  
25 concern within an innovation center shall

1 be considered a strength under the selec-  
2 tion criteria for Phase I and Phase II pro-  
3 posals under the SBIR program of a Fed-  
4 eral agency; and

5 “(ii) to require the Administrator to  
6 track and publish on an annual basis the  
7 total value of SBIR awards made to small  
8 business concerns located in innovation  
9 centers.”.

10 (5) MANUFACTURING USA PROGRAM.—

11 (A) DEFINITIONS.—In this paragraph:

12 (i) MANUFACTURING USA PROGRAM.—

13 The term “Manufacturing USA Program”  
14 means the program established under sec-  
15 tion 34(b) of the National Institute of  
16 Standards and Technology Act (15 U.S.C.  
17 278s(b)).

18 (ii) MANUFACTURING USA INSTI-  
19 TUTE.—The term “Manufacturing USA

20 institute” means an institute described in  
21 section 34(d) of the National Institute of  
22 Standards and Technology Act (15 U.S.C.  
23 278s(d)).

24 (B) EXPANSION.—Under section 34(e) of  
25 the National Institute of Standards and Tech-

1 nology Act (15 U.S.C. 278s(e)), the Secretary  
2 shall award financial assistance to assist in the  
3 establishment and support of—

4 (i) 9 new Manufacturing USA insti-  
5 tutes; or

6 (ii) a combination of satellites to ex-  
7 isting Manufacturing USA institutes or  
8 new Manufacturing USA institutes.

9 (C) SELECTION.—

10 (i) IN GENERAL.—Manufacturing  
11 USA institutes and satellites shall be iden-  
12 tified and funded under subparagraph (B)  
13 from among proposals submitted to the  
14 Secretary for purposes of this paragraph.

15 (ii) PROPOSAL ELEMENTS.—Any pro-  
16 posal submitted to the Secretary in accord-  
17 ance with clause (i) shall include—

18 (I) a plan for the institute or sat-  
19 ellite concerned to support or other-  
20 wise align with existing Manufac-  
21 turing USA institutes, including  
22 through—

23 (aa) membership in, or part-  
24 nership or formal affiliation with,

1 an existing Manufacturing USA  
2 institute; or

3 (bb) a plan to reach a seg-  
4 ment, population, or geographic  
5 area not already covered by or  
6 engaged with existing Manufac-  
7 turing USA institutes; and

8 (II) a plan for cost-sharing for  
9 the activities of the institute or sat-  
10 ellite concerned, including the sources  
11 of funds and amounts to be contrib-  
12 uted.

13 (iii) SELECTION OF SATELLITES.—  
14 Any selection of a satellite to an existing  
15 Manufacturing USA institute under this  
16 subparagraph shall be made by the Sec-  
17 retary in consultation with exiting Manu-  
18 facturing USA institutes.

19 (iv) PRIORITY RELATING TO INNOVA-  
20 TION CENTERS.—In identifying and fund-  
21 ing a new Manufacturing USA institute or  
22 a combination of satellites to existing or  
23 new Manufacturing USA institutes under  
24 subparagraph (B), the Secretary shall give  
25 priority to proposals for identification and

1 funding of Manufacturing USA institutes  
2 in an innovation center, in whole or in sub-  
3 stantial part.

4 (v) PREVENTION OF OVERLAP AND  
5 REDUNDANCY.—In identifying and funding  
6 Manufacturing USA institutes or satellites  
7 to Manufacturing USA institutes under  
8 subparagraph (B), the Secretary shall, to  
9 the extent practicable, avoid overlap or re-  
10 dundancy in mission, technology focus, or  
11 funding with existing Manufacturing USA  
12 institutes.

13 (D) AMOUNT OF FINANCIAL ASSIST-  
14 ANCE.—

15 (i) NEW MANUFACTURING USA INSTI-  
16 TUTES.—For each Manufacturing USA in-  
17 stitute identified and funded under sub-  
18 paragraph (B), the Secretary may expend  
19 up to \$70,000,000 during the period of fis-  
20 cal years 2022 through 2033.

21 (ii) MANUFACTURING USA INSTITUTE  
22 SATELLITES.—For each Manufacturing  
23 USA institute satellite or expansion sup-  
24 ported under subparagraph (B), the Sec-  
25 retary may expend up to \$25,000,000 dur-

1           ing the period of fiscal years 2022 through  
2           2033.

3           (E) ALLOCATION.—Not less than 33 per-  
4           cent of the financial assistance provided under  
5           subparagraph (B) shall be for identifying and  
6           funding Manufacturing USA institutes in inno-  
7           vation centers.

8           (6) MANUFACTURING UNIVERSITIES.—The Sec-  
9           retary of Commerce and the Secretary of Defense  
10          shall consider the location of a university within an  
11          innovation center to be a strength for purposes of  
12          selection criteria under the Manufacturing Univer-  
13          sities Program.

14          (7) MINORITY BUSINESS DEVELOPMENT AGEN-  
15          CY.—

16                (A) IN GENERAL.—The National Director  
17                of the Minority Business Development Agency  
18                may, acting through the Inner City Innovation  
19                Hub program, award not more than 2 grants to  
20                eligible entities located within each innovation  
21                center.

22                (B) AMOUNT OF GRANT.—A grant award-  
23                ed under subparagraph (A) may not exceed  
24                \$1,500,000.

1           (C) AUTHORIZATION OF APPROPRIA-  
2           TIONS.—There are authorized to be appro-  
3           priated to the National Director of the Minority  
4           Business Development Agency \$27,000,000 for  
5           each of fiscal years 2023 through 2031.

6           (8) ADDITIONAL REGIONAL INNOVATIONS  
7           STRATEGIES GRANTS.—

8           (A) DEFINITION OF INNOVATION CEN-  
9           TER.—Section 4 of the Stevenson-Wydler Tech-  
10          nology Innovation Act of 1980 (15 U.S.C.  
11          3703) is amended by adding at the end the fol-  
12          lowing:

13          “(12) ‘Innovation center’ has the meaning given  
14          the term in section 2 of the Innovation Centers Ac-  
15          celeration Act.”.

16          (B) GRANTS.—Section 27 of the Steven-  
17          son-Wydler Technology Innovation Act of 1980  
18          (15 U.S.C. 3722) is amended—

19                 (i) in subsection (c)—

20                         (I) in paragraph (1), by striking  
21                         “As part of the program” and insert-  
22                         ing the following:

23                         “(A) IN GENERAL.—As part of the pro-  
24                         gram”; and

1 (II) by adding at the end the fol-  
2 lowing:

3 “(B) INNOVATION CENTER GRANTS.—As a  
4 part of the program established pursuant to  
5 subsection (b), the Assistant Secretary of Com-  
6 merce for Economic Development may award  
7 grants, on a competitive basis, to eligible recipi-  
8 ents described in subsection (a)(1)(D) located  
9 within innovation centers.”; and

10 (ii) in subsection (h)—

11 (I) by striking “From amounts  
12 appropriated” and inserting the fol-  
13 lowing:

14 “(1) IN GENERAL.—From amounts appro-  
15 priated”; and

16 (II) by adding at the end the fol-  
17 lowing:

18 “(2) INNOVATION CENTER GRANTS.—There are  
19 authorized to be appropriated to the Secretary to  
20 award grants under subsection (c)(1)(B) \$5,000,000  
21 for each of fiscal years 2023 through 2031.”.

22 (9) WORKFORCE INVESTMENT ACTIVITIES IN  
23 CONSULTATION WITH INNOVATION CENTERS.—

24 (A) YOUTH WORKFORCE ACTIVITIES.—Sec-  
25 tion 129 of the Workforce Innovation and Op-

1 opportunity Act (29 U.S.C. 3164) is amended by  
2 adding at the end the following:

3 “(d) YOUTH WORKFORCE ACTIVITIES IN CONSULTA-  
4 TION WITH INNOVATION CENTERS.—

5 “(1) FUNDING.—

6 “(A) IN GENERAL.—Using funds made  
7 available under section 136(d), the Secretary  
8 shall provide a grant to each local area that—

9 “(i) is within the area covered by an  
10 innovation center selected under subsection  
11 (e) of section 3 of the Innovation Centers  
12 Acceleration Act; and

13 “(ii) the Innovation Center Selection  
14 Committee established under that section 3  
15 certifies is working in partnership with  
16 that innovation center.

17 “(B) AMOUNT.—The amount of the grant  
18 for a fiscal year shall be equal to the allocation  
19 that the local area receives under section 128(b)  
20 for that fiscal year.

21 “(C) PROHIBITION.—The Secretary may  
22 not reduce the amount that any local area re-  
23 ceives through an allocation under section  
24 128(b) because local areas described in sub-

1 paragraph (A) receive grants under this sub-  
2 section.

3 “(2) USE OF FUNDS.—The local area shall use  
4 the grant funds in accordance with subsection (c),  
5 after consultation with the innovation center.”.

6 (B) ADULT AND DISLOCATED WORKER EM-  
7 PLOYMENT AND TRAINING ACTIVITIES.—Section  
8 134 of the Workforce Innovation and Oppor-  
9 tunity Act (29 U.S.C. 3174) is amended by  
10 adding at the end the following:

11 “(e) ADULT AND DISLOCATED WORKER EMPLOY-  
12 MENT AND TRAINING ACTIVITIES IN CONSULTATION  
13 WITH INNOVATION CENTERS.—

14 “(1) FUNDING.—

15 “(A) IN GENERAL.—Using funds made  
16 available under section 136(d), the Secretary  
17 shall provide a grant to each local area that—

18 “(i) is within the area covered by an  
19 innovation center selected under subsection  
20 (e) of section 3 of the Innovation Centers  
21 Acceleration Act; and

22 “(ii) the Innovation Center Selection  
23 Committee established under that section 3  
24 certifies is working in partnership with  
25 that innovation center.

1           “(B) AMOUNT.—The amount of the grant  
2           for a fiscal year shall be equal to the sum of the  
3           allocations that the local area receives under  
4           paragraphs (1) and (2) of section 133(b) for  
5           that fiscal year.

6           “(C) PROHIBITION.—The Secretary may  
7           not reduce the amount that any local area re-  
8           ceives through an allocation under paragraph  
9           (1) or (2) of section 133(b)(3) because local  
10          areas described in subparagraph (A) receive  
11          grants under this subsection.

12          “(2) USE OF FUNDS.—The local area shall use  
13          the grant funds in accordance with subsections (b),  
14          (c), and (d), after consultation with the innovation  
15          center.”.

16                 (C) AUTHORIZATION OF APPROPRIA-  
17                 TIONS.—Section 136 of the Workforce Innova-  
18                 tion and Opportunity Act (29 U.S.C. 3181) is  
19                 amended—

20                         (i) in subsections (a), (b), and (c), by  
21                         inserting before the first comma the fol-  
22                         lowing: “(except for activities funded from  
23                         amounts appropriated under subsection  
24                         (d))”; and

1 (ii) by adding at the end the fol-  
 2 lowing:

3 “(d) WORKFORCE INVESTMENT ACTIVITIES IN CON-  
 4 SULTATION WITH INNOVATION CENTERS.—There are au-  
 5 thorized to be appropriated to carry out sections 129(d)  
 6 and 134(e) such sums as may be necessary for each fiscal  
 7 year that an innovation center designation is in effect.”.

8 (10) ADDITIONAL STEM APPRENTICESHIP  
 9 GRANTS.—Section 28 of the Stevenson-Wydler Tech-  
 10 nology Innovation Act of 1980 (15 U.S.C. 3723) is  
 11 amended by adding at the end the following:

12 “(e) INNOVATION CENTER GRANTS.—

13 “(1) DEFINITION OF ELIGIBLE ENTITY.—In  
 14 this subsection, the term ‘eligible entity’ means an  
 15 eligible recipient that is—

16 “(A) described in subsection (b)(4); and

17 “(B) located within an innovation center.

18 “(2) GRANTS AUTHORIZED.—The Assistant  
 19 Secretary of Commerce for Economic Development  
 20 shall provide to not less than 1 eligible entity located  
 21 in each innovation center a grant to develop infra-  
 22 structure to expand STEM apprenticeship programs.

23 “(3) AMOUNT; RENEWAL.—

1           “(A) AMOUNT.—The amount of a grant  
2           under paragraph (2) shall be not more than  
3           \$5,000,000 for each year over a 3-year period.

4           “(B) RENEWAL.—The Secretary may pro-  
5           vide an eligible entity that receives a grant  
6           under paragraph (2) not more than 2 additional  
7           grants under that paragraph.

8           “(4) PREFERENCE.—The Assistant Secretary  
9           of Commerce for Economic Development shall give  
10          preference for a grant under this subsection to an el-  
11          igible entity with demonstrated success of admin-  
12          istering apprenticeship and other workforce develop-  
13          ment models and that demonstrates a commitment  
14          to serving individuals—

15                 “(A) from underrepresented populations;

16                 or

17                 “(B) who face barriers to employment, in-  
18          cluding—

19                         “(i) long-term unemployment;

20                         “(ii) past incarceration; or

21                         “(iii) veteran or disability status.

22          “(f) AUTHORIZATION OF APPROPRIATIONS.—There  
23          are authorized to be appropriated to carry out this section  
24          \$50,000,000 for each of fiscal years 2023 through 2031.”.

1           (11) NATIONAL INSTITUTES OF HEALTH RE-  
2           SEARCH FUNDING.—

3           (A) FUNDING GOAL.—The Director of the  
4           National Institutes of Health shall pursue a  
5           goal of awarding through a rigorous selection  
6           process and subject to peer review, for each in-  
7           novation center that gets its designation re-  
8           newed continually for 3 terms, a total of  
9           \$1,250,000,000 in meritorious research awards  
10          in priority areas of biomedical science to enti-  
11          ties located in that innovation center by the end  
12          of the 9th year of the designation of that inno-  
13          vation center, by proportionally increasing the  
14          total amount of the grants, contracts, or other  
15          transactions awarded in each innovation center  
16          each year over the 9-year period.

17          (B) ADDITIONAL FUNDING.—In addition  
18          to awarding grants, contracts, or other trans-  
19          actions in pursuit of the goal described in sub-  
20          paragraph (A), the Director of the National In-  
21          stitutes of Health shall award grants—

22                 (i) with a focus on universities or  
23                 other research institutions that commit to  
24                 expanding research capabilities aligned  
25                 with industries and technologies and with a

1 preference for universities or institutions  
2 that are—

3 (I) concentrated in an innovation  
4 center; or

5 (II) key to national challenges; or

6 (ii) that include industry-university  
7 research partnership programs.

8 (C) TRACKING.—In each year, the Direc-  
9 tor of the National Institutes of Health shall  
10 track the aggregate amount of grants, con-  
11 tracts, or other transactions awarded by the Di-  
12 rector to entities in that year, disaggregated by  
13 innovation center.

14 (D) AUTHORIZATION OF ADDITIONAL AP-  
15 PROPRIATIONS.—There are authorized to be ap-  
16 propriated to carry out this paragraph, in addi-  
17 tion to amounts that would otherwise be appro-  
18 priated in a year for the National Institutes of  
19 Health, amounts as follows:

20 (i) For fiscal year 2022, \$0.

21 (ii) For fiscal year 2023,  
22 \$140,000,000.

23 (iii) For fiscal year 2024,  
24 \$280,000,000.

1 (iv) For fiscal year 2025,  
2 \$420,000,000.

3 (v) For fiscal year 2026,  
4 \$560,000,000.

5 (vi) For fiscal year 2027,  
6 \$700,000,000.

7 (vii) For fiscal year 2028,  
8 \$840,000,000.

9 (viii) For fiscal year 2029,  
10 \$980,000,000.

11 (ix) For fiscal year 2030,  
12 \$1,120,000,000.

13 (x) For fiscal year 2031,  
14 \$1,260,000,000.

15 (c) TAX INCENTIVES.—

16 (1) NEW MARKETS TAX CREDIT ALLOCA-  
17 TIONS.—Subsection (f) of section 45D of the Inter-  
18 nal Revenue Code of 1986 is amended by adding at  
19 the end the following new paragraph:

20 “(4) SPECIAL ALLOCATION FOR INNOVATION  
21 CENTERS.—In the case of any calendar year begin-  
22 ning after 2021—

23 “(A) the limitation under paragraph (1)  
24 (including in calendar years for which the limi-  
25 tation under paragraph (1) is zero) shall be in-

1           creased by \$50,000,000 for each metropolitan  
2           statistical area which is designated as an inno-  
3           vation center under section 3(e) of the Innova-  
4           tion Centers Acceleration Act for such calendar  
5           year, and

6                   “(B) the additional limitation under sub-  
7           paragraph (A) shall be divided equally among  
8           such innovation centers and allocated (as pro-  
9           vided in paragraph (2)) among qualified com-  
10          munity development entities in such innovation  
11          centers.”.

12          (2) RESEARCH CREDIT.—

13                   (A) IN GENERAL.—Section 41 of such  
14          Code is amended by adding at the end the fol-  
15          lowing new subsection:

16          “(i) SPECIAL RULES RELATING TO INNOVATION  
17          CENTERS.—

18                   “(1) IN GENERAL.—In the case of—

19                           “(A) any qualified research expenses paid  
20                           or incurred for qualified services or qualified re-  
21                           search,

22                           “(B) any basic research payments for basic  
23                           research, and

24                           “(C) amounts paid or incurred by the tax-  
25                           payer in carrying on any trade or business of

1           the taxpayer (including as contributions) to an  
2           energy research consortium for energy research,  
3           during the taxable year at a location in a metropoli-  
4           tan statistical area which is an innovation center for  
5           such taxable year, this section shall be applied as  
6           provided in paragraphs (2) and (3).

7           “(2) CREDIT RATE.—Subsection (a) shall be  
8           applied by substituting ‘30 percent’ for ‘20 percent’  
9           each place it appears.

10          “(3) ALTERNATIVE SIMPLIFIED CREDIT.—Sub-  
11          section (c)(4) shall be applied—

12                 “(A) by substituting ‘21 percent’ for ‘14  
13                 percent’ in subparagraph (A), and

14                 “(B) by substituting ‘9 percent’ for ‘6 per-  
15                 cent’ in subparagraph (B)(ii).

16          “(4) CREDIT FOR QUALIFIED SMALL BUSI-  
17          NESSES.—In the case of a trade or business located  
18          primarily within a metropolitan statistical area  
19          which is an innovation center for the taxable year,  
20          subsection (h) shall be applied—

21                 “(A) by substituting ‘\$15,000,000’ for  
22                 ‘\$5,000,000’ in paragraph (3)(A)(i)(I),

23                 “(B) by substituting ‘8-taxable-year’ for  
24                 ‘5-taxable-year’ in paragraph (3)(A)(i)(II), and

1           “(C) by substituting ‘\$500,000’ for  
2           ‘\$250,000’ both places it appears in paragraphs  
3           (4)(B)(i) and (5)(B)(ii).

4           “(5) INNOVATION CENTER.—For purposes of  
5           this subsection, for any taxable year, the term ‘inno-  
6           vation center’ means a metropolitan statistical area  
7           with a designation as an innovation center under  
8           section 3(e) of the Innovation Centers Acceleration  
9           Act in effect for calendar years beginning in such  
10          year.

11          “(6) TERMINATION.—This subsection shall not  
12          apply to expenses paid or incurred after December  
13          31, 2030.”.

14                   (B) TRAINING INCLUDED AS RESEARCH  
15                   EXPENSES.—

16                   (i) IN GENERAL.—Paragraph (1) of  
17                   section 41(b) of such Code is amended—

18                           (I) by striking “and” at the end  
19                           of subparagraph (A),

20                           (II) by striking the period at the  
21                           end of subparagraph (B) and insert-  
22                           ing “, and”, and

23                           (III) by adding at the end the  
24                           following new subparagraph:

25                           “(C) employee training expenses.”.

1                   (ii) EMPLOYEE TRAINING EX-  
2                   PENSES.—Subsection (b) of section 41 of  
3                   such Code is amended—

4                   (I) by redesignating paragraph  
5                   (4) as paragraph (5), and

6                   (II) by inserting after paragraph  
7                   (3) the following new paragraph:

8                   “(4) EMPLOYEE TRAINING EXPENSES.—

9                   “(A) IN GENERAL.—The term ‘employee  
10                   training expenses’ means any wages paid or in-  
11                   curred to an employee in connection with train-  
12                   ing for the employee to perform qualified serv-  
13                   ices described in clause (i) or (ii) of paragraph  
14                   (2)(B). Such term does not include wages paid  
15                   or incurred in connection with general employer  
16                   training which does not specifically pertain to  
17                   such qualified services.

18                   “(B) WAGES, ETC.—For purposes of this  
19                   paragraph—

20                   “(i) IN GENERAL.—The term ‘wages’  
21                   shall not include any amount taken into  
22                   account under paragraph (2)(A)(i).

23                   “(ii) RULES.—The rules of paragraph  
24                   (2)(D) shall apply.

1           “(C) TERMINATION.—The term ‘employee  
2           training expenses’ does not include any wages  
3           paid or incurred after December 31, 2030.”.

4           (C) EFFECTIVE DATE.—The amendments  
5           made by this paragraph shall apply to taxable  
6           years beginning after December 31, 2021.

7           (d) REGULATORY MODERNIZATION.—

8           (1) DEFINITION.—In this paragraph, the term  
9           “startup” means a small business concern (as de-  
10          fined in section 3(a) of the Small Business Act (15  
11          U.S.C. 632(a))) that—

12                  (A) has been in existence for less than 3  
13                  years; and

14                  (B) has annual average gross receipts of  
15                  less than \$3,000,000.

16          (2) REQUIREMENT.—Notwithstanding any  
17          other provision of law, in the case of a startup that  
18          is operating within an innovation center, any re-  
19          quirement related to a Federal grant that prohibits  
20          the use of university laboratory or other research as-  
21          sets purchased or supposed by the grant from being  
22          used for commercial purposes for an initial time pe-  
23          riod shall be waived.

24          (e) BUSINESS ACCESS TO CAPITAL.—

25                  (1) INNOVATION CENTER DEBENTURES.—

1           (A) IN GENERAL.—Section 303 of the  
2           Small Business Investment Act of 1958 (15  
3           U.S.C. 683) is amended by adding at the end  
4           the following:

5           “(1) INNOVATION CENTER DEBENTURES.—In addi-  
6           tion to any other authority under this Act, on and after  
7           the first day of the first fiscal year beginning after the  
8           date of enactment of this subsection, a small business in-  
9           vestment company may issue innovation center debentures.”.

11           (B) DEFINITIONS.—Section 103 of the  
12           Small Business Investment Act of 1958 (15  
13           U.S.C. 662) is amended—

14           (i) in paragraph (19), by striking  
15           “and” at the end;
