# A BILL

To assist States in, and pay for the Federal share of the cost of, defraying the cost of pre-apprenticeships or related instruction associated with qualified apprenticeship programs, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*

2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “American Apprentice-

5       ship Act”.

6       **SEC. 2. PRE-APPRENTICESHIP AND QUALIFIED APPREN-**

7                   **TICESHIP PROGRAMS.**

8       (a) DEFINITIONS.—In this Act:

1                             (1) QUALIFIED APPRENTICESHIP.—The term  
2                             “qualified apprenticeship”, used with respect to a  
3                             program, means an apprenticeship program that  
4                             is—

5                                 (A) registered under the Act of August 16,  
6                             1937 (commonly known as the “National Ap-  
7                             prenticeship Act”; 50 Stat. 664, chapter 663;  
8                             29 U.S.C. 50 et seq.); and

9                                 (B) concentrated in an industry sector or  
10                             occupation that represents less than 10 percent  
11                             of apprenticeable occupations or of the pro-  
12                             grams under the national apprenticeship sys-  
13                             tem.

14                             (2) POSTSECONDARY EDUCATIONAL INSTITU-  
15                             TION.—The term “postsecondary educational institu-  
16                             tion” means an institution of higher education, as  
17                             defined in section 102 of the Higher Education Act  
18                             of 1965 (20 U.S.C. 1002).

19                             (3) PRE-APPRENTICESHIP.—The term “pre-ap-  
20                             prenticeship”, used with respect to a program,  
21                             means an initiative or set of strategies that—

22                                 (A) is designed to prepare individuals to  
23                             enter and succeed in a qualified apprenticeship  
24                             program;

(B) is carried out by a sponsor described in paragraph (6)(B) that has a documented partnership with one or more sponsors of qualified apprenticeship programs; and

(C) includes each of the following:

(i) Training (including a curriculum for the training), aligned with industry standards related to apprenticeships in a qualified apprenticeship program, and reviewed and approved annually by sponsors of such apprenticeships within the documented partnership, that will prepare individuals by teaching the skills and competencies needed to enter one or more qualified apprenticeship programs.

(ii) Provision of hands-on training and theoretical education to individuals that—

(I) is carried out in a manner that includes proper observation of supervision and safety protocols; and

(II) is carried out in a manner that does not displace a paid employee.

(iii) A formal agreement with a sponsor of a qualified apprenticeship program

1                   that would enable participants who suc-  
2                   cessfully complete the pre-apprenticeship  
3                   program to enter directly into the qualified  
4                   apprenticeship program (if a place in the  
5                   program is available and if the participant  
6                   meets the qualifications of the qualified ap-  
7                   prenticeship program), and includes agree-  
8                   ments concerning earning credit recognized  
9                   by a postsecondary educational institution  
10                  for skills and competencies acquired during  
11                  the pre-apprenticeship program.

12                 (4) RELATED INSTRUCTION.—The term “re-  
13                 lated instruction” means an organized and system-  
14                 atic form of classroom or web-based instruction de-  
15                 signed to provide an apprentice with the knowledge  
16                 of the theoretical and technical subjects related to  
17                 the occupation of the apprentice or the instruction  
18                 needed to prepare an individual to enter and succeed  
19                 in an qualified apprenticeship program.

20                 (5) SECRETARY.—The term “Secretary” means  
21                 the Secretary of Labor.

22                 (6) SPONSOR.—The term “sponsor” means—  
23                   (A) with respect to a qualified apprentice-  
24                   ship program, an employer, joint labor-manage-  
25                   ment partnership, trade association, profes-

1 sional association, labor organization, or other  
2 entity, that administers the qualified appren-  
3 ticeship program; and

4 (B) with respect to a pre-apprenticeship  
5 program, a local educational agency, a sec-  
6 ondary school, an area career and technical  
7 education school, a State board, a local board,  
8 a joint labor-management committee, a labor  
9 organization, or a community-based organiza-  
10 tion, with responsibility for the pre-apprentice-  
11 ship program.

12 (7) WORKFORCE INNOVATION AND OPPOR-  
13 TUNITY ACT DEFINITIONS.—The terms “area career  
14 and technical education school”, “community-based  
15 organization”, “individual with a barrier to employ-  
16 ment”, “local board”, “local educational agency”,  
17 “secondary school”, and “State board” have the  
18 meanings given the terms in section 3 of the Work-  
19 force Innovation and Opportunity Act (29 U.S.C.  
20 3102).

21 (b) GRANTS FOR TUITION ASSISTANCE.—

22 (1) IN GENERAL.—The Secretary may make  
23 grants to States on a competitive basis to assist the  
24 States in, and pay for the Federal share of the cost  
25 of, defraying the cost of a pre-apprenticeship, or the

1 cost of related instruction, associated with a qual-  
2 ified apprenticeship program.

3 (2) APPLICATION.—To be eligible to receive a  
4 grant under this subsection, a State shall submit an  
5 application to the Secretary for such a project at  
6 such time, in such manner, and containing a stra-  
7 tegic plan that contains such information as the Sec-  
8 retary may require, including—

9 (A) information identifying the State agen-  
10 cy (referred to in this Act as the “State enti-  
11 ty”) that will administer the grant as deter-  
12 mined by the Governor of the State;

13 (B) a description of strategies that the  
14 State entity will use to collaborate with key in-  
15 dustry representatives, State agencies, postsec-  
16 ondary educational institutions, labor-manage-  
17 ment entities, and other relevant partners to  
18 launch or expand pre-apprenticeships for and  
19 apprenticeships in qualified apprenticeship pro-  
20 grams;

21 (C) a description of how the State entity  
22 will—

23 (i) coordinate activities carried out  
24 under this subsection with activities car-  
25 ried out under the Carl D. Perkins Career

and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.) and the Workforce Innovation and Opportunity Act (29 U.S.C. 3101 et seq.) to support pre-apprenticeships for and apprenticeships in qualified apprenticeship programs;

(ii) leverage funds provided under the Acts specified in clause (i) to support pre-apprenticeships for and apprenticeships in qualified apprenticeship programs; and

(iii) utilize, and encourage individual participants in programs supported under this subsection to utilize, available Federal and State financial assistance, including assistance available under the Workforce Innovation and Opportunity Act (29 U.S.C. 3101 et seq.), education assistance benefits available to veterans, and Federal Pell Grants available under section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a), prior to using assistance made available under this Act;

(D) a description of strategies to elevate apprenticeships in qualified apprenticeship programs as a workforce solution in nontraditional

1           industries, such as information technology,  
2           health care, advanced manufacturing, transpor-  
3           tation, and other industries determined to be  
4           high-demand by the State board for the State;

5                 (E) a description of activities that the  
6                 State entity will carry out to build awareness  
7                 about the economic potential of apprenticeships  
8                 in qualified apprenticeship programs;

9                 (F) a description that outlines how the  
10                State entity will increase opportunities for pre-  
11                apprenticeships for and apprenticeships in  
12                qualified apprenticeship programs, among mem-  
13                bers of minority groups, youth, individuals with  
14                disabilities, veterans, and individuals with bar-  
15                riers to employment;

16                 (G) a description of—

17                         (i) how the State entity will ensure  
18                        that the qualified apprenticeship program  
19                        meets certain performance measures and  
20                        quality standards, including that the quali-  
21                        fied apprenticeship program has been in  
22                        existence for not fewer than 6 months  
23                        prior to the application date;

24                         (ii) the targeted outreach strategies  
25                        that the State entity will use for popu-

lations previously underserved through apprenticeships; and

(iii) any State performance measures that the State will use, at the election of the State, to measure the effectiveness of the project; and

(H) in the case of a State that has already received a grant under this subsection for a project, information indicating that the State has met the performance measures with respect to the project.

(3) APPLICATION REVIEW PROCESS.—A joint team of employees from the Department of Labor and the Department of Education shall—

(A) review such an application; and

(B) make recommendations to the Secretary regarding approval of the application.

(4) USE OF FUNDS.—A State that receives a grant under this subsection shall use the funds made available through the grant to defray any of the following costs of related instruction:

(A) Tuition and fees.

(B) Cost of textbooks, equipment, curriculum development, and other required educational materials.

(C) Costs of any other item or service determined by the State to be necessary.

(6) PERFORMANCE AND EVALUATION.—The Secretary, after consultation with the Secretary of Education, shall—

14 (B) establish an evaluation system aligned  
15 with the performance measures, and reporting  
16 requirements for the program carried out under  
17 this subsection.

18 (c) FEDERAL SHARE.—

19                         (1) IN GENERAL.—The Federal share of the  
20 cost described in subsection (b)(1) shall be not less  
21 than 20 percent and not more than 50 percent.

(2) NON-FEDERAL SHARE.—The State may make the non-Federal share available—

(B) directly or through donations from public or private entities.

3           (d) REPORT.—The Secretary shall prepare and sub-  
4 mit to Congress, not later than September 30, 2028, a  
5 report—

(1) detailing the results of the evaluation described in subsection (b)(6)(B); and

10       (e) POLICY OF THE UNITED STATES.—It is the pol-  
11 icy of the United States that funds made available under  
12 this section should be used to supplement and not sup-  
13 plant other funds available under the Workforce Innova-  
14 tion and Opportunity Act (29 U.S.C. 3101 et seq.) and  
15 other Federal and State funds available to the State to  
16 support workforce development programs.

## 17 SEC. 3. IDENTIFYING IN-DEMAND OCCUPATIONS.

18 The Secretary shall—

19                   (1) identify in-demand occupations nationally  
20                   and regionally that lack the use of apprenticeships  
21                   in qualified apprenticeship programs;

1                   (3) prepare and submit to States and Congress  
2                   a report that contains the analysis described in para-  
3                   graph (2).

4 **SEC. 4. AUTHORIZATION OF APPROPRIATIONS.**

5                   There is authorized to be appropriated to carry out  
6                   this Act \$15,000,000 for each of fiscal years 2024 through  
7                   2029.
