## 117TH CONGRESS 1ST SESSION H.R.5608

# AN ACT

To support research and state management efforts on chronic wasting disease.

1 Be it enacted by the Senate and House of Representa-

2 tives of the United States of America in Congress assembled,

#### 1 SECTION 1. SHORT TITLE.

2 This Act may be cited as the "Chronic Wasting Dis-3 ease Research and Management Act".

#### 4 SEC. 2. FINDINGS.

5 Congress finds the following:

6 (1) Chronic wasting disease, the fatal neuro-7 logical disease found in cervids, is a fundamental 8 threat to the health and vibrancy of deer, elk, and 9 moose populations, and the increased occurrence of 10 chronic wasting disease in regionally diverse locations necessitates an escalation in research, surveil-11 12 lance, monitoring, and management activities fo-13 cused on containing and managing chronic wasting 14 disease.

(2) A focus on research into the transmission
of, resistance to, diagnosis of, and epidemiology of
chronic wasting disease is needed to inform future
policies to combat the disease and ensure the health
of cervid populations.

20 (3) Because States and Tribes have diverse 21 policies for addressing chronic wasting disease, the 22 Federal Government, in consultation with the 23 Chronic Wasting Disease Task Force established by 24 section 104 of America's Conservation Enhancement 25 Act (Public Law 116–188), should coordinate finan-26 cial and technical support to States and Tribes, •HR 5608 EH

1	State and Tribal departments of agriculture, State
2	and Tribal wildlife agencies, institutions of higher
3	education, and research centers conducting scientific
4	research on chronic wasting disease.
5	(4) Pursuant to State and Federal law, the
6	States retain primacy and policymaking authority
7	with regard to wildlife management.
8	(5) Under current policies, chronic wasting dis-
9	ease remains a systemic threat to cervids.
10	(6) Scientific advances that lead to the ability
11	to stop transmission of chronic wasting disease are
12	needed to ensure the long-term viability of cervids.

1	(2) CRITERIA FOR SELECTION.—In entering
2	into cooperative agreements or other legal instru-
3	ments pursuant to paragraph (1), the Secretary
4	shall give priority to eligible entities that shall con-
5	duct research relating to—
6	(A)(i) methods and products to effectively
7	detect infectious chronic wasting disease prions
8	in live cervids, cervid excreta, the environment,
9	and inorganic surfaces, and to decontaminate
10	such infectious prions; or
11	(ii) testing methods that significantly im-
12	prove sensitivity and accelerate timelines for
13	test results on non-live cervids;
14	(B) the long-term suppression or eradi-
15	cation of chronic wasting disease; or
16	(C) determination markers for genetic re-
17	sistance to chronic wasting disease and strate-
18	gies for using genetic resistance to combat the
19	spread of the disease;
20	(D) sustainable cervid harvest management
21	practices to reduce chronic wasting disease oc-
22	currence and to prevent or limit spatial spread
23	of chronic wasting disease; or
24	(E) factors contributing to local emergence
25	of chronic wasting disease, increased prevalence

of chronic wasting disease, and distribution of chronic wasting disease, including mechanisms of disease transmission and effective barriers to transmission.

5 (3) SIZE OF AWARDS.—To the maximum extent 6 practicable, individual cooperative agreements or 7 other legal instruments entered into under para-8 graph (1) shall be not less than two percent and not 9 more than 10 percent of the funds appropriated to 10 carry out this section.

11 (4) Administrative costs by eligible enti-12 TIES.—Of the amount of a cooperative agreement or 13 other legal instrument entered into with an eligible 14 entity under paragraph (1), the eligible entity may 15 use not more than 10 percent of such amounts for 16 administrative costs incurred by the eligible entity in 17 carrying out the research described in such para-18 graph.

19 (b) SUPPORT FOR STATE EFFORTS TO MANAGE AND20 CONTROL CHRONIC WASTING DISEASE.—

(1) IN GENERAL.—Subject to the availability of
appropriations, the Secretary shall offer to enter
into cooperative agreements or other legal instruments, as authorized under section 10413 of the
Animal Health Protection Act (7 U.S.C. 8312), with

1 State or Tribal wildlife agencies and departments of 2 agriculture to provide direct financial assistance to 3 support the efforts of such State or Tribal wildlife 4 agencies and departments of agriculture to develop 5 and implement management strategies to address 6 chronic wasting disease within their respective juris-7 diction.

8 (2) APPLICATION.—A State or Tribal wildlife 9 agency or department of agriculture seeking direct 10 financial assistance under this subsection shall sub-11 mit to the Secretary an application at such time and 12 manner, and containing such information as the Sec-13 retary may require.

14 (3) FUNDING PRIORITIES.—In allocating funds
15 made available to carry out this subsection for a fis16 cal year among State and Tribal wildlife agencies or
17 departments of agriculture that submit an applica18 tion for direct financial assistance under this sub19 section, the Secretary shall give priority to States
20 and Indian tribes that have—

(A) within their respective jurisdictions,
the highest incidence of chronic wasting disease;
(B) shown the greatest financial commitment to managing, monitoring, surveying, and
researching chronic wasting disease;

1	(C) comprehensive policies and programs
2	focused on chronic wasting disease management
3	that have integrated the programs and policies
4	of all involved agencies related to chronic wast-
5	ing disease management;
6	(D) the greatest risk of an initial occur-
7	rence of chronic wasting disease originating
8	from surrounding areas; or
9	(E) the greatest need for response to new
10	outbreaks of chronic wasting disease occurring
11	in—
12	(i) areas in which chronic wasting dis-
13	ease is already found; or
14	(ii) areas with first infections, with
15	the intent of containing chronic wasting
16	disease in any new area of infection.
17	(4) RAPID RESPONSE.—If a State or Indian
18	tribe detects chronic wasting disease in a cervid pop-
19	ulation within its jurisdiction that was not previously
20	infected, the Secretary may, notwithstanding para-
21	graphs (2) and (3), immediately issue funds made
22	available under subsection (e), in an amount to be
23	determined by the Secretary, to support State and
24	Tribal efforts to immediately control the spread of
25	chronic wasting disease within that population.

1	(5) Public education on chronic wasting
2	DISEASE.—The Secretary, in consultation with State
3	and Tribal departments of agriculture and wildlife
4	agencies, organizations representing the farmed
5	cervid industry, and organizations representing deer
6	hunters, shall develop and maintain materials based
7	on the latest scientific knowledge to be used to edu-
8	cate the public on chronic wasting disease and tech-
9	niques to help prevent the spread of the disease.
10	(c) DEFINITIONS.—In this section:
11	(1) CHRONIC WASTING DISEASE.—The term
12	"chronic wasting disease" means the animal disease
13	afflicting deer, elk, and moose populations that—

15	ous system resulting in distinctive lesions in the
16	brain; and
17	(B) belongs to the group of diseases known
18	as transmissible spongiform encephalopathies,
19	which includes scrapie, bovine spongiform
20	encephalopathy, and Cruetzfeldt-Jakob disease.
