19 (B) NO ABANDONMENT.—In carrying out

1           menced-conversion wetland has reverted to wet-

3           (2) WETLANDS.—For any land with respect to  
4           which the Secretary has made a wetland delineation,  
5           determination, or certification under section 1222 of  
6           the Food Security Act of 1985, the Chief of Engi-  
7           neers and the Administrator shall apply such delin-  
8           eation, determination, or certification when carrying

25         decide de novo all relevant questions of law, including the

2 and rules made. If the reviewing court determines that a  
3 statutory or regulatory provision relevant to its decision  
4 contains a gap or ambiguity, the court shall not interpret  
5 that gap or ambiguity as an implicit delegation of legisla-  
6 tive rule making authority and shall not rely on such gap  
7 or ambiguity as a justification either for interpreting agen-  
8 cy authority expansively or for deferring to any interpreta-  
9 tion of the Secretary, the Chief of Engineers, or the Ad-  
10 ministrator on the question of law. Notwithstanding any  
11 other provision of law, this subsection shall apply in any
