

118TH CONGRESS
1ST SESSION

H. R. 5951

To require the Secretary of Agriculture to establish and maintain a training program for Department of Agriculture personnel and third-party providers on the rapidly evolving methodologies, science, and practices of biological soil health management systems on agricultural land, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 12, 2023

Ms. SALINAS (for herself, Ms. BONAMICI, Mr. BLUMENAUER, and Ms. HOYLE of Oregon) introduced the following bill

OCTOBER 25, 2023

Referred to the Committee on Agriculture

A BILL

To require the Secretary of Agriculture to establish and maintain a training program for Department of Agriculture personnel and third-party providers on the rapidly evolving methodologies, science, and practices of biological soil health management systems on agricultural land, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Soil Conservation And
3 Regeneration Education Act of 2023” or the “Soil CARE
4 Act of 2023”.

5 **SEC. 2. TRAINING FOR REGENERATIVE AGRICULTURE IN**
6 **NRCS PROGRAMS.**

7 (a) ESTABLISHMENT OF TRAINING PROGRAM.—Sec-
8 tion 1242 of the Food Security Act of 1985 (16 U.S.C.
9 3842) is amended—

10 (1) in subsection (a)—

11 (A) by redesignating paragraphs (1) and
12 (2) as paragraphs (3) and (5), respectively;

13 (B) by inserting before paragraph (3) (as
14 so redesignated) the following:

15 “(1) BIOLOGICAL SOIL HEALTH MANAGE-
16 MENT.—The term ‘biological soil health manage-
17 ment’ means land management methods that are
18 employed to increase and balance soil biology, such
19 as microbial biomass and macrofauna, for the pur-
20 pose of improving biological functions, including
21 forming and stabilizing soil structure, cycling nutri-
22 ents, controlling pests and disease, and degrading or
23 detoxifying contaminants.

24 “(2) DEPARTMENT.—The term ‘Department’
25 means the Department of Agriculture.”; and

1 (C) by inserting after paragraph (3) (as so
2 redesignated) the following:

3 “(4) SOIL BIOLOGY.—The term ‘soil biology’ in-
4 cludes the collective biomass and activities of soil-
5 dwelling organisms from an array of trophic levels.”;
6 and

7 (2) by adding at the end the following:

8 “(j) TRAINING FOR BIOLOGICAL SOIL HEALTH MAN-
9 AGEMENT IN NRCS PROGRAMS.—

10 “(1) ESTABLISHMENT OF TRAINING PRO-
11 GRAM.—Not later than 1 year after the date of en-
12 actment of the Soil CARE Act of 2023, the Sec-
13 retary shall establish a training program (referred to
14 in this subsection as the ‘training program’)—

15 “(A) to provide education, resources, and
16 technical support to Department personnel and
17 third-party providers on the rapidly evolving
18 methodologies, science, and practices for im-
19 proving soil health; and

20 “(B) to assist Department personnel and
21 third-party providers in supporting agricultural
22 producers in understanding and implementing
23 biological soil health management systems that
24 regenerate farmland.

1 “(2) PROGRAM DEVELOPMENT AND DELIV-
2 ERY.—

3 “(A) IN GENERAL.—The training program
4 shall—

5 “(i) be made available in each Natural
6 Resources Conservation Service region
7 twice every 2 years; and

8 “(ii) include—

9 “(I) a nationally available online
10 curriculum on biological soil health
11 management systems that is—

12 “(aa) developed through co-
13 operative agreements with enti-
14 ties described in subparagraph
15 (B); and

16 “(bb) delivered by the Nat-
17 ural Resources Conservation
18 Service; and

19 “(II) in-person training work-
20 shops on biological soil health man-
21 agement systems that regenerate
22 farmland, that—

23 “(aa) include coverage
24 across regions and geography
25 types;

1 “(bb) are developed through
2 cooperative agreements with enti-
3 ties described in subparagraph
4 (B); and

5 “(cc) are delivered by the
6 Natural Resources Conservation
7 Service.

8 “(B) COOPERATIVE AGREEMENTS.—

9 “(i) IN GENERAL.—The training pro-
10 gram shall be developed and delivered
11 through cooperative agreements with enti-
12 ties with biological soil health management
13 systems expertise and experience working
14 with and training producers, including—

15 “(I) farming consultants, includ-
16 ing producers and producer coopera-
17 tives;

18 “(II) nonprofit organizations
19 serving organic, agroecological, and
20 other regenerative producers;

21 “(III) conservation districts;

22 “(IV) land-grant colleges and
23 universities (as defined in section
24 1404 of the National Agricultural Re-

1 search, Extension, and Teaching Pol-
2 icy Act of 1977 (7 U.S.C. 3103));

3 “(V) Long-Term Agroecosystem
4 Research sites; and

5 “(VI) other entities with ade-
6 quate expertise in biological soil
7 health management systems, as deter-
8 mined by the Secretary.

9 “(ii) INITIAL AGREEMENTS.—Not
10 later than 1 year after the date of enact-
11 ment of the Soil CARE Act of 2023, the
12 Secretary shall enter into cooperative
13 agreements under clause (i) for the initial
14 development and delivery of the training
15 program.

16 “(C) PARTICIPATION.—

17 “(i) IN GENERAL.—The Secretary
18 shall encourage relevant Department per-
19 sonnel and third-party providers—

20 “(I) to complete the online cur-
21 riculum described in subparagraph
22 (A)(ii)(I); and

23 “(II) to the extent practicable, to
24 attend at least 1 in-person training

1 workshop described in subparagraph
2 (A)(ii)(II).

3 “(ii) RELEVANT DEPARTMENT PER-
4 SONNEL.—For purposes of clause (i), rel-
5 evant Department personnel shall include,
6 at a minimum, Department personnel in-
7 volved in conservation planning activities
8 with, and the delivery of technical assist-
9 ance to, producers, including field office
10 staff of the Natural Resources Conserva-
11 tion Service.

12 “(iii) COMPLETION SCHEDULES FOR
13 THIRD-PARTY PROVIDERS.—

14 “(I) ESTABLISHMENT OF SCHED-
15 ULES.—The Secretary shall estab-
16 lish—

17 “(aa) a schedule for the
18 completion by third-party pro-
19 viders of the online curriculum
20 described in subparagraph
21 (A)(ii)(I); and

22 “(bb) a schedule of in-per-
23 son training workshops that will
24 be provided in accordance with
25 subparagraph (A)(ii)(II).

1 “(II) USE OF SCHEDULES.—The
2 Secretary shall encourage each third-
3 party provider—

4 “(aa) to complete the online
5 curriculum in accordance with
6 the schedule established under
7 subclause (I)(aa); and

8 “(bb) to the extent prac-
9 ticable, to attend at least 1 train-
10 ing workshop identified on the
11 schedule established under sub-
12 clause (I)(bb).

13 “(D) CONTINUING EDUCATION.—The Sec-
14 retary shall provide continuing education for
15 relevant Department personnel and third-party
16 providers, with a focus on the use of new con-
17 servation practice standards related to soil
18 health.

19 “(E) MATERIALS FOR PRODUCERS.—The
20 Secretary shall require relevant Department
21 personnel and third-party providers to provide
22 soil health education materials to producers
23 through the programs and conservation activi-
24 ties of the Natural Resources Conservation
25 Service, including materials relating to the top-

1 ics covered by the curriculum described in para-
2 graph (3).

3 “(3) CURRICULUM.—

4 “(A) IN GENERAL.—The training program
5 shall include the following minimum curriculum
6 components:

7 “(i) A unit on the principles of soil
8 health published by the Natural Resources
9 Conservation Service, with a focus on bio-
10 logical function and regional context.

11 “(ii) A unit on—

12 “(I) the transition to agriculture
13 management systems that build soil
14 health, including operations, infra-
15 structure, regulations, finance, and
16 marketing needs; and

17 “(II) associated risks and oppor-
18 tunities, including reducing input
19 costs by building on-farm and ranch
20 fertility.

21 “(iii) A unit on organic production
22 and soil health systems.

23 “(iv) A unit on diversified production
24 systems, including—

25 “(I) perennial cropping systems;

1 “(II) agroforestry or silvopasture
2 systems;

3 “(III) livestock integration into
4 cropping systems; and

5 “(IV) prescribed grazing.

6 “(v) A unit on the body of research on
7 soil biology and agriculture that regen-
8 erates farmland, including potential im-
9 pacts on soil health, water quality and se-
10 curity, biodiversity, ecosystem function, re-
11 silience to extreme weather, carbon seques-
12 tration, and agricultural profitability.

13 “(vi) A unit on key conservation prac-
14 tices that maximize soil health and miti-
15 gate climate impacts by implementing soil
16 health principles.

17 “(vii) A unit on—

18 “(I) issues specific to Indian
19 Tribes; and

20 “(II) traditional ecological knowl-
21 edge.

22 “(viii) A unit on—

23 “(I) the special needs of new,
24 small scale, and underserved pro-
25 ducers; and

1 “(II) how best to meet those
2 needs.

3 “(ix) A unit on approaches, tools, and
4 skills to support farmers in performing soil
5 health tests.

6 “(x) A unit on all conservation pro-
7 grams available to producers that improve
8 soil health, reduce production inputs, and
9 regenerate soil, farmland, and nearby eco-
10 systems.

11 “(B) UPDATES.—The Secretary shall re-
12 view and update the curriculum of the training
13 program every 2 years based on the latest—

14 “(i) biological soil health management
15 innovations; and

16 “(ii) scientific and technological ad-
17 vancements.

18 “(4) AUTHORIZATION OF APPROPRIATIONS.—
19 There is authorized to be appropriated to the Sec-
20 retary to carry out this subsection \$10,000,000 for
21 the period of fiscal years 2024 through 2028.”.

○
