## IN THE HOUSE OF REPRESENTATIVES

MARCH 2, 2020

Mr. NADLER (for himself, Mr. COLLINS of Georgia, Mr. JOHNSON of Georgia, and Mrs. ROBY) introduced the following bill; which was referred to the Committee on the Judiciary

---

## A BILL

To amend the Trademark Act of 1946 to provide for contributory liability for certain electronic commerce platforms for use of a counterfeit mark by a third party on such platforms, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Stopping Harmful Of-  
5       fers on Platforms by Screening Against Fakes in E-com-  
6       merce Act of 2020” or the “SHOP SAFE Act of 2020”.

1 **SEC. 2. CONTRIBUTORY LIABILITY FOR ELECTRONIC COM-**2 **MERCE PLATFORMS.**

3       Section 32 of the Act entitled “An Act to provide for  
4 the registration and protection of trademarks used in com-  
5 merce, to carry out the provisions of certain international  
6 conventions, and for other purposes”, approved July 5,  
7 1946 (commonly known as the “Trademark Act of 1946”)  
8 (15 U.S.C. 1114), is amended by inserting at the end the  
9 following:

10           “(4)(A) An electronic commerce platform shall  
11       be contributorily liable for infringement by a third-  
12       party seller participating on the platform for use in  
13       commerce of a counterfeit mark in connection with  
14       the sale, offering for sale, distribution, or advertising  
15       of goods that implicate health and safety, unless the  
16       following requirements are met:

17           “(i) The third-party seller is available for  
18       service of process in the United States.

19           “(ii) Before any alleged infringing act by  
20       the third-party seller, the platform dem-  
21       onstrates that the platform took each of the fol-  
22       lowing reasonable steps to prevent such use on  
23       the platform:

24           “(I) Verified through governmental  
25       identification and other reliable docu-  
26       mentation the identity, principal place of

1 business, and contact information of the  
2 third-party seller.

3 “(II) Required the third-party seller  
4 to verify and attest to the authenticity of  
5 goods on or in connection with which a  
6 registered mark is used.

7 “(III) Imposed on the third-party sell-  
8 er as a condition of participating on the  
9 platform contractual requirements that—

10 “(aa) the third-party seller  
11 agrees not to use a counterfeit mark  
12 in connection with the sale, offering  
13 for sale, distribution, or advertising of  
14 goods on the platform; and

15 “(bb) the third-party seller con-  
16 sents to the jurisdiction of United  
17 States courts with respect to claims  
18 related to the third-party seller’s par-  
19 ticipation on the platform.

20 “(IV) Displayed conspicuously on the  
21 platform the verified principal place of  
22 business, contact information, and identity  
23 of the third-party seller, the country of ori-  
24 gin and manufacture of the goods, and the

1                   location from which the goods will be  
2                   shipped.

3                   “(V) Required each third-party seller  
4                   to use images that the seller owns or has  
5                   permission to use and that accurately de-  
6                   pict the actual goods offered for sale on  
7                   the platform.

8                   “(VI) Implemented at no cost to the  
9                   registrant proactive technological measures  
10                  for screening goods before displaying the  
11                  goods to the public to prevent any third-  
12                  party seller’s use of a counterfeit mark in  
13                  connection with the sale, offering for sale,  
14                  distribution, or advertising of goods on the  
15                  platform.

16                  “(VII) Implemented at no cost to the  
17                  Registrant a program to expeditiously dis-  
18                  able or remove from the platform a listing  
19                  by any third-party seller that reasonably  
20                  could be determined to have used a coun-  
21                  terfeit mark in connection with the sale,  
22                  offering for sale, distribution, or adver-  
23                  tising of goods.

24                  “(VIII) Terminated use of the plat-  
25                  form by any third-party seller that has en-

1 gaged in more than three instances of use  
2 of a counterfeit mark in connection with  
3 the sale, offering for sale, distribution, or  
4 advertising of goods on the platform.

5                             “(IX) Implemented at no cost to the  
6 registrant technological measures for  
7 screening third-party sellers to ensure that  
8 sellers who have been terminated do not  
9 rejoin or remain on the platform under a  
10 different seller identity or alias.

11                         “(X) Provided the information verified  
12                         under clause (I) of each third-party seller  
13                         that used a counterfeit mark in connection  
14                         with the sale, offering for sale, distribu-  
15                         tion, or advertising of goods on the plat-  
16                         form to relevant law enforcement and,  
17                         upon request, the registrant.

18                   “(B) In this paragraph:

19                             “(i) The term ‘counterfeit mark’ has the  
20 meaning given that term in section 34(d)(1)(B).

“(ii) The term ‘electronic commerce plat-  
form’ means any electronically accessed plat-  
form that includes publicly interactive features  
that allow for arranging the sale, purchase,  
payment, or shipping of goods, or that enables

1           a person other than an operator of such plat-  
2           form to sell or offer to sell physical goods to  
3           consumers located in the United States.

4           “(iii) The term ‘goods that implicate  
5           health and safety’ means goods the use of  
6           which can lead to illness, disease, injury, serious  
7           adverse event, allergic reaction, or death if pro-  
8           duced without compliance with all applicable  
9           Federal, State, and local health and safety reg-  
10          ulations and industry-designated testing, safety,  
11          quality, certification, manufacturing, packaging,  
12          and labeling standards.

13          “(iv) The term ‘third-party seller’ means a  
14          person other than the electronic commerce plat-  
15          form who uses the platform to arrange for the  
16          sale, purchase, payment, or shipping of goods.

17          “(C) Nothing in this paragraph may be con-  
18          strued to limit liability for direct infringement.”.
