## A BILL

To amend title XIX of the Social Security Act and Public Health Service Act to improve the reporting of abortion data to the Centers for Disease Control and Prevention, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Ensuring Accurate and  
5 Complete Abortion Data Reporting Act of 2023”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) Reporting abortion data has been voluntary  
4 in the past, which has not resulted in complete data  
5 being submitted to the Centers for Disease Control  
6 and Prevention.

7 (2) While the Centers for Disease Control and  
8 Prevention requests specific data points from each  
9 State and the District of Columbia, there is a great  
10 variety in the information collected and published by  
11 the States.

12 (3) In fact, there is not a single abortion data  
13 point publicly reported for all fifty States and the  
14 District of Columbia.

15 (4) Even more alarming, three States that to-  
16 gether account for 15 percent of the United States  
17 population of women of childbearing age do not re-  
18 port any abortion data to the Centers for Disease  
19 Control and Prevention.

20 (5) Accurate statistical data regarding abortion  
21 and those who survive abortion attempts is critical  
22 to public health and policy analysis.

1 **SEC. 3. MEDICAID PAYMENTS FOR CERTAIN FAMILY PLAN-**  
2 **NING SERVICES AND SUPPLIES CONTINGENT**  
3 **ON SUBMISSION OF ABORTION DATA TO CDC.**

4 Section 1903 of the Social Security Act (42 U.S.C.  
5 1396b) is amended—

6 (1) in subsection (a)(5), by inserting before “an  
7 amount equal to” the following: “subject to sub-  
8 section (cc),”; and

9 (2) by adding at the end the following new sub-  
10 section:

11 “(cc) ANNUAL REPORTS ON ABORTION DATA.—

12 “(1) IN GENERAL.—Subject to paragraph (2),  
13 as a condition of receiving payment under subsection  
14 (a)(5) with respect to any amount expended during  
15 a year (beginning with the year following two years  
16 after the date of the enactment of this subsection)  
17 for family planning services and supplies described  
18 in section 1905(a)(4)(C) furnished to an individual  
19 described in section 1902(ii) or an individual whose  
20 medical assistance under this title is limited to such  
21 services and supplies furnished pursuant to a waiver  
22 granted under section 1115, each State shall, by not  
23 later than December 31 of the previous year, submit  
24 to the abortion surveillance system of the Centers  
25 for Disease Control and Prevention, with respect to  
26 the year before the previous year, at least abortion

1 data regarding the mandatory questions described in  
2 section 317W(a)(3)(A) of the Public Health Service  
3 Act.

4 “(2) LATE SUBMISSION OF REPORTS.—With re-  
5 spect to a year, in the case of a State that does not  
6 submit by December 31 of the previous year the  
7 abortion data required under paragraph (1) with re-  
8 spect to the year before the previous year but sub-  
9 mits such data by December 31 of the year, such  
10 State shall continue to receive payment, including  
11 retroactive payment, under subsection (a)(5) with  
12 respect to any amount expended during the year for  
13 family planning services and supplies described in  
14 section 1905(a)(4)(C) furnished to an individual de-  
15 scribed in such paragraph.

16 “(3) CERTIFICATION OF ABORTION DATA.—

17 “(A) IN GENERAL.—With respect to each  
18 submission of abortion data under this sub-  
19 section, a State shall certify to the Director of  
20 the Centers for Disease Control and Prevention  
21 that such data is accurate.

22 “(B) FALSE INFORMATION.—In the case  
23 that the Director of the Centers for Disease  
24 Control and Prevention determines that a State  
25 has knowingly provided false information with

1           respect to a submission of abortion data under  
2           this subsection, such State may not receive pay-  
3           ment under subsection (a)(5) with respect to  
4           any amount expended during the first full fiscal  
5           year following such determination for family  
6           planning services and supplies described in sec-  
7           tion 1905(a)(4)(C) furnished to an individual  
8           described in paragraph (1).”.
