1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Undertaking National
3 Initiatives to Tackle Epidemic Act of 2020” or the
4 “UNITE Act of 2020”.

5 **SEC. 2. FINDINGS.**

6 Congress makes the following findings:

7 (1) The outbreak of the novel coronavirus,
8 SARS-CoV-2, which causes COVID–19 (referred to
9 in this Act as the “coronavirus”), has disrupted the
10 lives of all individuals in the United States and re-
11 quired enormous sacrifice. In following the guidance
12 of public health officials, individuals in the United
13 States have and can continue to play a key role in
14 defeating their common, invisible enemy.

15 (2) The Corporation for National and Commu-
16 nity Service (referred to in this Act as “CNCS”),
17 through the health, disaster, and poverty services
18 administered by the CNCS under the 3 flagship
19 AmeriCorps programs (AmeriCorps VISTA,
20 AmeriCorps NCCC, and AmeriCorps State and Na-
21 tional Volunteers), is uniquely positioned to aid
22 frontline workers and communities most impacted by
23 the coronavirus public health emergency if the Presi-
24 dent of the United States fully mobilizes those 3
25 programs.

1 (3) The Federal Emergency Management Agen-
2 cy (referred to in this section as “FEMA”), tasked
3 with leading aspects of the whole-of-government re-
4 sponse to the coronavirus outbreak, is reportedly
5 understaffed of those frontline workers that are es-
6 sential to responding to the public health emergency.

7 (4) On March 15, 2020, the Peace Corps invol-
8 untarily ended the service of approximately 7,300
9 volunteers. Many of them acquired public health
10 skills in countries abroad, which may also be applied
11 to further service in AmeriCorps, service in FEMA,
12 or continuing service in the Peace Corps once oper-
13 ations of the Peace Corps are to resume.

14 **SEC. 3. SENSE OF THE HOUSE OF REPRESENTATIVES.**

15 It is the sense of the House of Representatives that—

16 (1) the President should fully utilize the com-
17 petencies of the Federal Government workforce to
18 battle the outbreak of coronavirus, the worst global
19 health emergency the United States has faced in a
20 century, as well as make available expanded opportu-
21 nities for individuals in the United States desiring to
22 serve their country in its time of need;

23 (2) the President should elevate the role of
24 CNCS within the whole-of-government response to

4 Coronavirus Task Force, take steps to actively

6 age individuals in the United States to serve as
7 a volunteer in an AmeriCorps program; and

9 vide assistance to those most impacted by the
10 coronavirus public health emergency and recruit
11 the maximum number of volunteers authorized
12 by law, particularly focusing on the recently un-
13 employed;

14 (3) the United States should expand the Cadre
15 of On-Call Response/Recovery Employees (CORE)
16 program, administered by the Federal Emergency
17 Management Agency, to enlist individuals in the
18 United States to solve public health and supply-man-
19 agement challenges related to the coronavirus out-

23 the Federal Emergency Management Agency will
24 also expand national service opportunities for quali-
25 fied individuals in the United States who have be-
