## A BILL

To prohibit discrimination against individuals with disabilities who need long-term services and supports, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

2 This Act may be cited as the “Latonya Reeves Free-  
3 dom Act of 2022”.

4 **SEC. 2. PURPOSES.**

7 mandate of the Americans with Disabilities Act of  
8 1990, held by the Supreme Court in *Olmstead v.*  
9 *L.C.*, 527 U.S. 581 (1999) in a manner that acceler-  
10 ates and improves State compliance;

11 (2) to ensure that States provide long-term  
12 services and supports to individuals with disabilities  
13 in a manner that allows individuals with disabilities  
14 to live in the most integrated setting, including the  
15 individual’s own home, have maximum control over  
16 their services and supports, and ensure that long-  
17 term services and supports are provided in a manner  
18 that allows individuals with disabilities to lead an  
19 independent life;

20 (3) to establish a comprehensive State planning  
21 requirement that includes enforceable, measurable  
22 objectives that are designed to transition individuals  
23 with all types of disabilities at all ages out of institu-  
24 tions and into the most integrated setting, if they  
25 choose that transition; and

1           (4) to identify and address racial, ethnic, geo-  
2           graphic, socioeconomic, sexual orientation, gender  
3           identity, and other disparities in the provision of  
4           community-based long-term services and supports.
