---

## IN THE HOUSE OF REPRESENTATIVES

MARCH 18, 2022

Mr. MCEACHIN (for himself, Ms. PRESSLEY, and Mr. GARCÍA of Illinois) introduced the following bill; which was referred to the Committee on Financial Services

---

## A BILL

To amend the Lead-Based Paint Poisoning Prevention Act to provide for additional procedures for families with children under the age of 6, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Lead-Safe Housing  
5 for Kids Act of 2022”.

6 **SEC. 2. CONGRESSIONAL FINDINGS.**

7 The Congress finds that—

8 (1) according to the Centers for Disease Con-  
9 trol and Prevention (CDC), on average between

1 2011 and 2016, approximately 590,000 or 2.5 per-  
2 cent of children under the age of 6 in the United  
3 States had elevated blood lead levels above the CDC  
4 reference value of 3.5 micrograms per deciliter ( $\mu\text{g}/$   
5 dL);

6 (2) there is no safe blood lead level in children;

7 (3) according to the CDC, the effects of lead  
8 poisoning are immediate and permanent—childhood  
9 exposure to lead, even at very low levels, can have  
10 lifelong consequences, including decreased IQ and  
11 cognitive function, developmental delays, and behav-  
12 ioral problems;

13 (4) higher exposures to lead at a young age can  
14 cause seizures, coma, and even death;

15 (5) under current law, children whose families  
16 participate in the Housing Choice Voucher Program  
17 must have been identified as having an elevated  
18 blood lead exceeding 3.5 micrograms per deciliter, as  
19 established by the CDC, or exhibit symptoms of lead  
20 poisoning before a lead hazard risk assessment oc-  
21 curs; and

22 (6) while some localities have required property  
23 owners to conduct risk assessments and abate lead  
24 when a child under the age of 6 will reside in a  
25 dwelling unit, the Massachusetts Fair Housing Cen-

1       ter recently sued the Massachusetts Department of  
 2       Public Health for instituting such a policy that the  
 3       Fair Housing Center argues led to augmented in-  
 4       stances of housing discrimination on the basis of fa-  
 5       milial status, as defined by section 802 of the Fair  
 6       Housing Act (42 U.S.C. 3602(k)), making housing  
 7       opportunities less available for families with children  
 8       and increasing the risk of homelessness for such  
 9       families.

10 **SEC. 3. AMENDMENTS TO THE LEAD-BASED PAINT POI-**  
 11 **SONING PREVENTION ACT.**

12       Section 302(a) of the Lead-Based Paint Poisoning
