To direct the Secretary of the Interior, the Secretary of Defense, and the Secretary of Veterans Affairs to inventory Confederate commemorative works on certain Federal lands, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JULY 9, 2020

Mr. MCEACHIN introduced the following bill; which was referred to the Committee on Natural Resources, and in addition to the Committees on Armed Services, and Veterans' Affairs, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To direct the Secretary of the Interior, the Secretary of Defense, and the Secretary of Veterans Affairs to inventory Confederate commemorative works on certain Federal lands, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Confederate Com-
5 memorative Works Inventory and Joint Resource Study
6 Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) The American Civil War was fought be-
4 tween 1861 and 1865.

5 (2) As early as 1864, efforts were underway to
6 preserve places that had been the location of pivotal
7 battles during the Civil War, even before surrender
8 occurred.

9 (3) The National Park Service preserves
10 unimpaired the natural and cultural resources and
11 values of the National Park System for the enjoy-
12 ment, education, and inspiration of this and future
13 generations, including sites dedicated to the inter-
14 pretation of the American Civil War.

15 (4) The National Park Service, the Department
16 of Veterans Affairs, and the Department of Defense
17 administer public lands that are responsible for Con-
18 federate commemorative works. Public lands play a
19 vital role in capturing the historical and cultural sto-
20 ries that shape the Nation's history, and the lands
21 administered by the National Park Service, the De-
22 partment of Veterans Affairs, and the Department
23 of Defense help facilitate the national narrative of
24 the American Civil War.

25 (5) There are 147 national cemeteries in the
26 United States. Fourteen are maintained by the De-

1 partment of the Interior, through the National Park
2 Service. The Department of Veterans Affairs,
3 through the National Cemetery Administration, ad-
4 ministers 131 cemeteries. The Department of De-
5 fense, through the Army, administers 2 cemeteries.

6 (6) The Department of Defense has jurisdiction
7 over—

8 (A) 10 major United States military instal-
9 lations named in honor of Confederate military
10 leaders; and

11 (B) Navy ships named after Confederate
12 victories.

13 (7) Given the significance these public lands
14 and works play in our Nation's education and reflec-
15 tion of the American Civil War, a full inventory and
16 special resource study are necessary to locate Con-
17 federate commemorative works and help evaluate
18 their suitability as resources for the interpretation of
19 the American Civil War.
