1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) SHORT TITLE.—This Act may be cited as the  
5 “Pandemic Preparedness, Response, and Recovery Act of  
6 2020”.

1 (b) TABLE OF CONTENTS.—The table of contents for  
2 this Act is as follows:

- Sec. 1. Short title; table of contents.
- Sec. 2. Findings.
- Sec. 3. Definitions.
- Sec. 4. Establishment of Commission.
- Sec. 5. Duties of the Commission.
- Sec. 6. Powers of the Commission.
- Sec. 7. Commission personnel matters.
- Sec. 8. Termination of the Commission.
- Sec. 9. Authorization of appropriations.

3 **SEC. 2. FINDINGS.**

4 Congress finds that:

5 (1) Federal regulation serves important goals  
6 and has achieved important objectives. The accumu-  
7 lation of Federal regulations over the decades, how-  
8 ever, is of concern. The Code of Federal Regulations  
9 currently contains over 180,000 pages of regula-  
10 tions, many of which may be outdated, no longer  
11 needed, or duplicative.

12 (2) Unneeded or inefficient regulation reduces  
13 the ability of United States employers and workers  
14 to generate and obtain more jobs and higher wages.  
15 It also increases the expenses of United States  
16 households and hinders the overall performance and  
17 competitiveness of the United States economy in the  
18 global marketplace.

19 (3) Unneeded or inefficient regulation is par-  
20 ticularly problematic as United States employers,  
21 workers, and households continue to respond to and

1 seek to recover from the Coronavirus SARS-CoV-2  
2 pandemic of 2019–2020.

3 (4) A timely and prioritized review of existing  
4 regulations to identify those that can and should be  
5 modified, consolidated, harmonized, or repealed to  
6 promote higher jobs and wages, reduce household ex-  
7 penses, and improve economic performance and com-  
8 petitiveness in and by the United States is needed.

9 (5) Such a review, moreover, is needed to accel-  
10 erate and strengthen the recovery of United States  
11 employers, workers, and households from the  
12 Coronavirus SARS-CoV-2 pandemic and ensure  
13 that Federal regulations do not inhibit or impede  
14 preparedness for and effective responses to future  
15 pandemics.

16 (6) The establishment of an expert commission,  
17 charged to conduct such a review and recommend to  
18 Congress legislation to effectuate a prioritized set of  
19 regulatory modifications, consolidations, harmoni-  
20 zations, and repeals, can ensure that such a review  
21 will be completed in the timeliest possible way.

22 (7) In light of the adverse impacts of and cir-  
23 cumstances caused by the Coronavirus SARS-CoV-  
24 2 pandemic, it is particularly important that such a  
25 commission prioritize in its review the elimination of

1 regulatory obstacles to the United States, the several  
2 States’, and the people’s preparedness for, response  
3 to, and recovery from the health and economic ef-  
4 fects of the Coronavirus SARS–CoV–2 pandemic of  
5 2019–2020 and possible future pandemics, for ex-  
6 ample, regulations that—

7 (A) impeded preparedness for or response  
8 to the Coronavirus SARS–CoV–2 pandemic, in-  
9 cluding those that were suspended or for which  
10 enforcement was waived after the outbreak of  
11 the pandemic under the authority of Executive  
12 Order 13924 (85 Fed. Reg. 31353; relating to  
13 regulatory relief to support economic recovery)  
14 or any other authority;

15 (B) could impede preparedness for or re-  
16 sponse to a future pandemic;

17 (C) otherwise impeded or could impede  
18 health, economic performance, or the stability  
19 of wages or employment during the Coronavirus  
20 SARS–CoV–2 pandemic or a future pandemic,  
21 including those that were suspended or for  
22 which enforcement was waived after the out-  
23 break of the pandemic under the authority of  
24 Executive Order 13924 or any other authority;  
25 and

1 (D) impede or could impede the recovery of  
2 health, economic performance, or wages or em-  
3 ployment following the Coronavirus SARS-  
4 CoV-2 pandemic or a future pandemic, with a  
5 particular emphasis on impediments to recovery  
6 by persons infected by Coronavirus SARS-  
7 CoV-2 or a future pandemic disease, individ-  
8 uals or entities that supported or support those  
9 persons, and entities that qualify as small enti-  
10 ties within the meaning of section 601(6) of  
11 title 5, United States Code, and those entities'  
12 employees, contractors, or investors, including  
13 by impeding—

14 (i) access to health care or health care  
15 equipment or supplies;

16 (ii) access to employment;

17 (iii) access to public or private assist-  
18 ance;

19 (iv) consumer or business spending,  
20 investment, or access to capital or credit;
