6       the other a joint resolution having the same text,  
7       then—

8                     (i) the joint resolution of the other House  
9       shall not be referred to a committee; and

10                  (ii) the procedure in the receiving House  
11       shall be the same as if no joint resolution had  
12       been received from the other House until the  
13       vote on passage, when the joint resolution re-  
14       ceived from the other House shall supplant the  
15       joint resolution of the receiving House.

16                 (B) This subsection shall not apply to the  
17       House of Representatives if the joint resolution re-  
18       ceived from the Senate is a revenue measure.

20       final passage of the joint resolution by the last day  
21       of the period described in subsection (a)(2)(B), then

7           and

8                 (B) with full recognition of the constitu-  
9                 tional right of either House to change the rules  
10                 (so far as they relate to the procedure of that  
11                 House) at any time, in the same manner and  
12                 to the same extent as in the case of any other  
13                 rule of that House.
