## RESOLUTION

Expressing support for the enforcement of section 1507 of title 18, United States Code, with respect to protests outside of the homes of sitting Supreme Court Justices.

Whereas the Supreme Court of the United States is charged with guarding, interpreting, and applying the Constitution and ensuring the American people are afforded equal and impartial justice under the law;

Whereas the Court’s power of judicial review is a necessary check to ensure that each branch of government does not exceed its authority under the Constitution;

Whereas our constitutional system and the rule of law rely upon the independence of judges who are not subject to the whims of public opinion or the political process;

Whereas the recent leak of a draft opinion in *Dobbs v. Jackson Women’s Health Organization* constitutes a grave breach of judicial ethics and a blatant attack on the independence of the Court;

Whereas following the leak of the draft opinion in *Dobbs v. Jackson Women’s Health Organization*, churches and the headquarters of a pro-life organization were firebombed and vandalized, and activists sought to intimidate Justices of the Supreme Court by protesting outside their homes; and

Whereas Federal law (18 U.S.C. 1507) provides: “Whoever, with the intent of interfering with, obstructing, or impeding the administration of justice, or with the intent of influencing any judge, juror, witness, or court officer, in the discharge of his duty, pickets or parades in or near a building housing a court of the United States, or in or near a building or residence occupied or used by such judge, juror, witness, or court officer, or with such intent uses any sound-truck or similar device or resorts to any other demonstration in or near any such building or residence, shall be fined under this title or imprisoned not more than one year, or both.”: Now, therefore, be it

1        *Resolved*, That the House of Representatives—

2                    (1) condemns the unauthorized leak of the draft

3                    opinion in *Dobbs v. Jackson Women’s Health Orga-*

1 nization and the ensuing violence, damage to prop-  
2 erty, and attempted intimidation of Justices of the  
3 Supreme Court by proabortion activists;

4 (2) expresses deep concern regarding the ero-  
5 sion of Americans' faith in our institutions;

6 (3) unwaveringly supports the notion that the  
7 judiciary must remain free from political inter-  
8 ference and insulated from public opinion so that it  
9 may ensure every American is afforded equal and  
10 impartial justice under the law; and

11 (4) calls upon the Department of Justice to en-  
12 force section 1507 of title 18, United States Code,  
13 with respect to protests outside of the homes of sit-  
14 ting Supreme Court Justices.
