

111TH CONGRESS
2D SESSION

H. RES. 1353

Supporting the goals and ideals of Student Financial Aid Awareness Month
to raise awareness of student financial aid.

IN THE HOUSE OF REPRESENTATIVES

MAY 12, 2010

Mr. BISHOP of New York submitted the following resolution; which was
referred to the Committee on Education and Labor

RESOLUTION

Supporting the goals and ideals of Student Financial Aid
Awareness Month to raise awareness of student financial
aid.

Whereas education is the key to a successful future for many
people in the United States;

Whereas the ability of some students to attend an institution
of higher education is conditional on the availability of
student financial assistance;

Whereas the cost of higher education continues to rise for 4-
year private colleges and universities, 4-year public col-
leges and universities, 2-year community colleges, and for
profit institutions;

Whereas students and families across the United States are making important decisions about financing their education at an institute of higher education;

Whereas efforts to increase awareness about student financial aid options are necessary for students across the United States to receive all of the financial aid available to them;

Whereas increasing awareness about the Free Application for Federal Student Aid (FAFSA) ensures that more eligible students may benefit from Federal financial assistance;

Whereas students must complete and submit a new FAFSA each school year to be considered for all forms of Federal financial aid;

Whereas each year, about 14,000,000 students apply for financial aid by filling out the FAFSA;

Whereas increasing access to Federal financial aid helps reduce students' reliance on costly private loans; and

Whereas Student Financial Aid Awareness Month will help call attention to the critical role financial assistance plays in helping students attending an institution of higher education: Now, therefore, be it
