RESOLUTION

Recognizing and honoring teachers who have earned or maintained National Board Certification.

Whereas National Board Certification signifies professional teaching excellence based on rigorous standards developed by teachers for teachers to demonstrate their ability to advance student learning and achievement;

Whereas research shows that students taught by National Board Certified Teachers learn more than their peers, especially for low-income students;

Whereas access to just one Board-certified mathematics teacher increases a student's lifetime earnings by \$48,000;

Whereas National Board Certified Teachers play a critical role in addressing the learning loss incurred during the COVID-19 pandemic by accelerating student learning by 1 to 2 months of instruction per school year;

Whereas National Board Certified Teachers often amplify their expertise positively by serving in leadership roles as teacher mentors, principals, administrators, and district leaders;

Whereas analyses show that National Board Certified Teachers are more likely to stay in the profession, leading to improved teacher retention rates that are critical to mitigating staffing shortages;

Whereas, according to the Center on Great Teachers and Leaders, National Board Certified Teachers rank Board Certification as their most important ongoing formal education, above graduate-level coursework and other training programs;

Whereas 29 States provide salary incentives for National Board Certified Teachers, including 13 States prioritizing incentives in high-needs schools;

Whereas 47 percent of National Board Certified Teachers serve students in title I schools;

Whereas, in 2024, 4,355 teachers earned their National Board Certification for the first time, and 4,884 teachers successfully maintained their certification, benefiting thousands of students across the country; and

Whereas, as of March 2025, there are a total of 141,464
teachers who have achieved National Board Certification:
Now, therefore, be it
