## RESOLUTION

Commending the Departments of Defense and Veterans Affairs for their joint campaign to raise awareness during September, Suicide Prevention Month, to reduce suicide among members of the United States Armed Forces and veterans.

Whereas suicide is a leading noncombat cause of death among members of the United States Armed Forces;

Whereas, according to the Department of Veterans Affairs 2012 Suicide Data Report, as many as 22 veterans are lost to suicide in the United States each day;

Whereas more than 38,000 people in the United States take their lives each year, 20 percent of whom are veterans;

Whereas the Joshua Omvig Suicide Prevention Act (Public Law 110–110; 121 Stat. 1031) was enacted in 2007 to establish a comprehensive program for suicide prevention among veterans;

Whereas the Veterans Crisis Line, which was established under the Joshua Omvig Suicide Prevention Act, has received more than 890,000 telephone calls and facilitated more than 30,000 life-saving rescues;

Whereas many suicides are preventable, and 90 percent of individuals who die by suicide have a diagnosable psychiatric disorder at the time of death;

Whereas the Clay Hunt Suicide Prevention for American Veterans Act (Public Law 114–2; 129 Stat. 30) was enacted in 2015 to provide veterans increased access to mental health care and resources;

Whereas September is National Suicide Prevention Awareness Month; and

Whereas in September 2014, the Department of Defense and the Department of Veterans Affairs launched the joint public awareness campaign “The Power of 1” to draw attention to the mental health services and suicide prevention programs available to members of the United States Armed Forces and veterans, focusing on everyday actions that can save lives: Now, therefore, be it

1       *Resolved*, That the House of Representatives—

2               (1) commends the Department of Defense and  
3       the Department of Veterans Affairs for raising  
4       awareness during Suicide Prevention Month of the

1 life-saving resources available to those who have  
2 served, or are currently serving, in uniform; and

3 (2) supports the goals and ideals of National  
4 Suicide Prevention Awareness Month, “The Power  
5 of 1” campaign, and efforts to improve outreach to  
6 individuals at risk for suicide, especially those ad-  
7 dressed to veterans and members of the United  
8 States Armed Forces.
