RESOLUTION

Supporting the goals and ideals of National Public Health Week.

Whereas the week of April 2, 2012, through April 8, 2012, is National Public Health Week, and the theme for 2012 is “A Healthier America Begins Today: Join the Movement”;

Whereas since 1995, public health organizations have used National Public Health Week to educate the public, policymakers, and public health professionals about issues that are important to improving the health of the people of the United States;

Whereas preventing diseases and injuries is critical to helping people live longer, healthier lives while managing health-related costs;

Whereas chronic diseases such as heart disease, cancer and diabetes are responsible for millions of premature deaths and cause Americans to miss 2.5 billion days of work each year, resulting in lost productivity totaling more than \$1 trillion;

Whereas currently, people in the United States are living 78 years on average, but only 69 of these years are spent in good health;

Whereas despite providing some of the world's best health care, the United States still ranks below many countries in life expectancy, infant mortality, and many other indicators of healthy life;

Whereas studies have shown that small strategic investments in prevention could result in significant savings in health care costs; and

Whereas in communities across the United States, more people are changing the way they care for their health by avoiding tobacco use, eating healthier, becoming more physically active, and preventing unintentional injuries at home and in the workplace: Now, therefore, be it
