## RESOLUTION

Recognizing the significance of National Historically Black Colleges and Universities (HBCU) Conference Week.

Whereas the Department of Education recognizes September 6 through September 10, 2021, as National HBCU Conference Week;

Whereas historically Black colleges and universities (HBCUs) were established in the United States of America beginning in the early nineteenth century and continued to be established throughout the nineteenth century to provide educational opportunities and valuable guidance to Black students;

Whereas after the Civil War, HBCUs continued to provide education and valuable guidance to formerly enslaved students;

Whereas slavery and segregation served as barriers to Black students' successful enrollment in colleges and universities;

Whereas notable Black Americans, such as Supreme Court Justice Thurgood Marshall and W.E.B. Du Bois, attended an HBCU;

Whereas, on May 17, 1954, *Brown v. Board of Education of Topeka* established that racial segregation in public schools is unconstitutional;

Whereas, on November 8, 1965, Congress officially defined a historically Black college or university (HBCU) as an institution of higher learning that was accredited and established before 1964, and whose principal mission was the education of African Americans;

Whereas Congress calls for the issuance of a Presidential proclamation to mark National HBCU Conference Week; and

Whereas HBCUs continue to remain integral to the United States of America academically, socially, and economically: Now, therefore, be it

1        *Resolved*, That the House of Representatives—

2            (1) recognizes National HBCU Conference  
3        Week; and

4            (2) reaffirms its support for HBCUs and stu-
