Whereas the Abraham Accords shattered barriers and reduced the prospect of armed conflict, improved ties between Israel and neighboring countries, and advanced the cause of achieving lasting peace in the Middle East, including through a negotiated solution to the Israeli-Palestinian conflict that ensures mutual recognition and guarantees that Israelis and Palestinians live side-by-side with freedom, security, and prosperity;

Whereas the Abraham Accords have catalyzed dramatic growth in trade, tourism, and investment in the Middle East, benefitting the people of those countries;

Whereas in January 2023, Israel's Ambassador to the United Arab Emirates stated that, Trade in goods between Israel and the UAE reached a new record in 2022 and stands at \$2,560,000,000 compared to \$1,220,000,000 in 2021;

Whereas on May 31, 2022, Israel and the United Arab Emirates signed a comprehensive free-trade agreement to cover 96 percent of bilateral trade, amounting to approximately \$1,000,000,000;

Whereas trade between the United Arab Emirates and Israel is expected to surpass \$10,000,000,000 within five years, economic conditions that were made possible by the Abraham Accords;
