

112TH CONGRESS
2^D SESSION

H. RES. 782

Supporting the goals and ideals of National Suicide Prevention and Awareness
Month.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 13, 2012

Mr. BOSWELL (for himself and Mr. McDERMOTT) submitted the following
resolution; which was referred to the Committee on Energy and Commerce

RESOLUTION

Supporting the goals and ideals of National Suicide
Prevention and Awareness Month.

Whereas suicide is the 10th leading cause of all deaths in the
United States and the third leading cause of death
among individuals between the ages of 15 to 24;

Whereas in the United States, on average, there is a death
by suicide every 14.2 minutes;

Whereas it is estimated that 4,730,000 people in the United
States are survivors of suicide (those who have lost a
loved one to suicide);

Whereas an increase in the overall suicide rate in the United
States occurred in 2009, the suicide rate for those be-
tween the ages of 15 to 24 has more than doubled since

the mid-1950s, and the suicide rate remains highest for adults 75 years of age and older;

Whereas suicide is now the leading noncombat cause of death among members of the Armed Forces and the leading cause of death in the Army;

Whereas 38 members of the Army died during July 2012, by either confirmed or suspected suicide, resulting in the highest one-month tally of suicides in recent Army history;

Whereas in the United States, on average, 18 veterans are lost to suicide every day;

Whereas the Joshua Omvig Veterans Suicide Prevention Act (Public Law 110–110) was enacted into law in 2007 to establish a comprehensive program for suicide prevention among veterans;

Whereas the law created the Veterans Crisis Line, which has answered more than 650,000 telephone calls and made more than 23,000 life-saving rescues;

Whereas the stigma associated with mental illness and suicidality works against suicide prevention by discouraging persons at risk for suicide from seeking life-saving help and further traumatizes survivors of suicide;

Whereas a great many suicides are preventable; and

Whereas September is National Suicide Prevention and Awareness Month: Now, therefore, be it
