

117TH CONGRESS  
1ST SESSION

# H. RES. 89

Expressing support for a national day of mourning in recognition of the lives lost as a result of COVID–19.

---

## IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 2, 2021

Mr. PAYNE (for himself, Ms. LEE of California, Mrs. TRAHAN, Mr. THOMPSON of Mississippi, Ms. KAPTUR, Mr. CASTEN, Mr. JOHNSON of Georgia, Mr. CARSON, Ms. NORTON, Mr. BISHOP of Georgia, Mr. SIRES, Mr. MFUME, Mr. VEASEY, Mr. GRIJALVA, Mr. SUOZZI, Mr. HASTINGS, Mr. JONES, Mrs. DINGELL, Mr. CASE, Mr. NEAL, Mr. MALINOWSKI, Ms. OCASIO-CORTEZ, Ms. TLAIB, Mr. HIGGINS of New York, Mrs. KIRKPATRICK, Mr. COHEN, Mr. CARTWRIGHT, Ms. JACKSON LEE, Mr. SAN NICOLAS, and Mr. MEEKS) submitted the following resolution; which was referred to the Committee on Oversight and Reform

---

## RESOLUTION

Expressing support for a national day of mourning in recognition of the lives lost as a result of COVID–19.

Whereas, as of January 3, 2021, more than 350,000 Americans have died as a result of COVID–19;

Whereas, during the week leading up to January 3, 2021, the United States added over 150,000 COVID–19 cases per day;

Whereas millions of Americans have been unable to say goodbye to loved ones or mourn properly as a result of

COVID–19, making a collective day of mourning appropriate;

Whereas the COVID–19 pandemic has disproportionately affected minorities in the United States;

Whereas Black Americans are more than 2 times as likely to be diagnosed with COVID–19, more than 3 times as likely to be hospitalized with COVID–19, and more than 2 times as likely to die as a result of COVID–19, when compared to White Americans;

Whereas Latino Americans are more than 3 times as likely to be diagnosed with COVID–19, more than 4 times as likely to be hospitalized with COVID–19, and more than 2 times as likely to die as a result of COVID–19, when compared to White Americans;

Whereas Native Americans are more than 2 times as likely to be diagnosed with COVID–19, more than 5 times as likely to be hospitalized with COVID–19, and 1.4 times as likely to die as a result of COVID–19, when compared to White Americans;

Whereas Asian Americans are 1.1 times as likely to be diagnosed with COVID–19, 2 times as likely to be hospitalized with COVID–19, and 1.8 times as likely to die as a result of COVID–19, when compared to White Americans; and

Whereas a national day of mourning in recognition of the lives lost as a result of COVID–19 would be appropriate:  
Now, therefore, be it

1        *Resolved*, That the House of Representatives—

1           (1) supports the goals and ideals of a national  
2           day of mourning in recognition of the lives lost as  
3           a result of COVID-19;

4           (2) encourages Americans to observe a moment  
5           of silence on such a day; and

6           (3) encourages the President to order flags  
7           flown at halfstaff on such a day.
