## RESOLUTION

Expressing the great contributions to American society by Indian-American communities and the graduates of the Indian Institutes of Technology in the United States.

Whereas the presence of Indian-American residents deeply enriches the United States;

Whereas the Indian-American community and the graduates of the Indian Institutes of Technology (IIT) in the United States have made valuable and significant contributions to society across many professions and disciplines;

Whereas the United States President Joseph R. Biden, Jr., and Indian Prime Minister Narendra Modi affirmed a vision of the United States and India as among the closest

partners in the world in a joint statement on June 22, 2023;

Whereas in that statement the two nations affirmed that technology will play the defining role in deepening the partnership between these two democracies in the 21st century; and

Whereas IIT graduates are highly committed and dedicated to research, innovation, and promotion of trade and international cooperation between India and the United States: Now, therefore, be it
