A BILL

To amend the national service laws to prioritize national service programs and projects that are directly related to the response to and recovery from the COVID–19 public health emergency, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Cultivating Oppor-
5 tunity and Recovery from the Pandemic through Service
6 Act” or the “CORPS Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) The United States has a strong history of
4 citizen response to national calls to service in order
5 to help the Nation recover in times of crisis.

6 (2) More than 80 years ago, the Nation rose to
7 the challenge of the Great Depression with the cre-
8 ation of citizen service programs like the Civilian
9 Conservation Corps (referred to in this section as
10 the “CCC”) and the Works Progress Administration
11 (referred to in this section as the “WPA”).

12 (3) Millions of participants benefitted from paid
13 employment and opportunities to develop their skills
14 while constructing national parks and public lands
15 infrastructure and producing cultural works still en-
16 joyed today.

17 (4) Following decades of evolution, incor-
18 porating policies of both political parties, today’s na-
19 tional service programs carry on the legacy of the
20 CCC and WPA.

21 (5) Founded in 1990, the Corporation for Na-
22 tional and Community Service today coordinates na-
23 tional service by individuals in the United States
24 across every State and territory, partnering with
25 State-level commissions and supporting locally driv-

1 en services in partnership with nongovernmental or-
2 ganizations and State governments.

3 (6) National service programs provide public
4 health, education, employment training, and nutri-
5 tion services for which the Nation has a critical need
6 in the current crisis.

7 (7) The signature programs of the Corporation
8 for National and Community Service, which are the
9 AmeriCorps State and National, AmeriCorps Na-
10 tional Civilian Community Corps, AmeriCorps Vol-
11 unteers in Service to America (referred to in this
12 Act as “VISTA”), and National Senior Service
13 Corps programs, can and should be expanded to
14 meet current needs.

15 (8) The novel coronavirus pandemic has in-
16 fected and killed individuals in every State and terri-
17 tory, causing more than 31,000,000 cases and
18 560,000 deaths so far.

19 (9) In response, States, Tribal governments,
20 and cities across the country have closed down busi-
21 nesses, schools, and public events, leading to dra-
22 matic swings in the economy.

23 (10) Millions of people in the United States
24 have filed for unemployment benefits since the start

1 of the pandemic, with unemployment rates peaking
2 at an unprecedented level.

3 (11) More than 1 in every 10 adults in the
4 United States has applied for unemployment insur-
5 ance since the crisis began.

6 (12) The pandemic and the associated economic
7 consequences have disproportionately impacted peo-
8 ple of color across many States.

9 (13) To recover, the Nation needs meaningful
10 employment opportunities, as well as a significant
11 expansion of the human capital working to address
12 community needs around public health, behavioral
13 health, hunger, education, and conservation.

14 (14) Experience has demonstrated the cen-
15 trality of community participation in pandemic re-
16 sponse, to overcome stigma and structural barriers
17 and meet the full needs of all members of a diverse
18 community.

19 (15) As the Nation works to respond to and re-
20 cover from the current twin challenges of a public
21 health pandemic and an economic crisis, national
22 service presents a unique opportunity for flexible, lo-
23 cally driven responses to meet State and local em-
24 ployment and recovery needs.

1 **SEC. 3. PURPOSES.**

2 The purposes of this Act are—

3 (1) to provide for annual growth in the number
4 of participants, over 3 years, in national service pro-
5 grams that will provide services in response to the
6 pandemic and economic crisis;

7 (2) to ensure that participant allowances cover
8 the reasonable cost of participation and provide par-
9 ticipants with economic and educational opportunity;

10 (3) to stabilize such national service programs
11 during economic crisis, including by supporting ad-
12 aptations to service models in light of the crisis; and

13 (4) to support opportunities for all individuals
14 in the United States to engage in service, including
15 through the recruitment of increasingly diverse and
16 representative participants.
