

114TH CONGRESS
1ST SESSION

S. 1555

To award a Congressional Gold Medal, collectively, to the Filipino veterans of World War II, in recognition of the dedicated service of the veterans during World War II.

IN THE SENATE OF THE UNITED STATES

JUNE 11, 2015

Ms. HIRONO (for herself, Mr. HELLER, Mr. REID, Mr. KAINES, and Mr. SCHATZ) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

To award a Congressional Gold Medal, collectively, to the Filipino veterans of World War II, in recognition of the dedicated service of the veterans during World War II.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Filipino Veterans of
5 World War II Congressional Gold Medal Act of 2015”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) The First Philippine Republic was founded
2 as a result of the Spanish-American War in which
3 Filipino revolutionaries and the United States
4 Armed Forces fought to overthrow Spanish colonial
5 rule. On June 12, 1898, Filipinos declared the Phil-
6 ippines to be an independent and sovereign nation.
7 The Treaty of Paris negotiated between the United
8 States and Spain ignored this declaration of inde-
9 pendence, and the United States paid Spain
10 \$20,000,000 to cede control of the Philippines to the
11 United States. Filipino nationalists who sought inde-
12 pendence rather than a change in colonial rulers
13 clashed with forces of the United States in the Is-
14 lands. The Philippine-American War, which officially
15 lasted for 3 years from 1899 to 1902, led to the es-
16 tablishment of the United States civil government in
17 the Philippines.

18 (2) In 1901, units of Filipino soldiers who
19 fought for the United States against the nationalist
20 insurrection were formally incorporated into the
21 United States Army as the Philippine Scouts.

22 (3) In 1934, the Philippine Independence Act
23 (Public Law 73–127; 48 Stat. 456) established a
24 timetable for ending colonial rule of the United
25 States. Between 1934 and Philippine independence

1 in 1946, the United States retained sovereignty over
2 Philippine foreign policy and reserved the right to
3 call Filipinos into the service of the United States
4 Armed Forces.

5 (4) On December 21 1935, President of the
6 Philippine Commonwealth, Manuel Quezon, signed
7 the National Defense Act, passed by the Philippine
8 Assembly. General Douglas MacArthur set upon the
9 task of creating an independent army in the Phil-
10 ippines, consisting of a small regular force, the Phil-
11 ippine Constabulary, a police force created during
12 the colonial period of the United States, and reserv-
13 ists. By July 1941, the Philippine army had 130,000
14 reservists and 6,000 officers.

15 (5) On July 26, 1941, as tensions with Japan
16 rose in the Pacific, President Franklin D. Roosevelt
17 used his authority vested in the Constitution of the
18 United States and the Philippine Independence Act
19 to “call into service of the United States . . . all of
20 the organized military forces of the Government of
21 the Philippines.” On July 27th, 1941, in accordance
22 with a War Department directive received a day ear-
23 lier, the United States Forces in the Far East
24 (USAFFE) was established, and Manila was des-
25 ignated as the command headquarters. Commander

1 of the USAFFE, General Douglas MacArthur,
2 planned to absorb the entire Philippine army into
3 the USAFFE in phases. The first phase, which
4 began on September 1, 1941, included 25,000 men
5 and 4,000 officers.

6 (6) Filipinos who served in the USAFFE in-
7 cluded—

8 (A) the Philippine Scouts, who comprised
9 half of the 22,532 soldiers in the Philippine De-
10 partment, or United States Army garrison sta-
11 tioned in the Islands at the start of the war;

12 (B) the Philippine Commonwealth Army;

13 (C) the new Philippine Scouts, or Filipinos
14 who volunteered to serve with the United States
15 Army when the United States Armed Forces re-
16 turned to the island;

17 (D) Filipino civilians who volunteered to
18 serve in the United States Armed Forces in
19 1945 and 1946, and who became “attached” to
20 various units of the United States Army; and

21 (E) the “Guerrilla Services” who had
22 fought behind enemy lines throughout the war.

23 (7) Even after hostilities ceased, wartime serv-
24 ice of the new Philippine Scouts continued as a mat-
25 ter of law until the end of 1946, and the force

1 gradually disbanded until it was disestablished in
2 1950.

3 (8) On December 8th, 1941, not even 24 hours
4 after the bombing of Pearl Harbor, Japanese Imperial
5 forces attacked bases of the United States Army
6 in the Philippines.

7 (9) In the spring of 1942, the Japanese 14th
8 Army overran the Bataan Peninsula, and, after a
9 heroic but futile defense, more than 78,000 members
10 of the United States Armed Forces were captured,
11 specifically 66,000 Filipinos and 12,000 service
12 members from the United States. The Japanese
13 transferred the captured soldiers from Bataan to
14 Camp O'Donnell, in what is now known as the infamous
15 Bataan Death March. Forced to march the
16 70-mile distance in 1 week, without adequate food,
17 water, or medicine, nearly 700 members of the
18 United States Armed Forces and an estimated 6,000
19 to 10,000 Filipinos perished during the journey.

20 (10) After the fall of the Bataan Peninsula, the
21 Japanese Army turned its sights on Corregidor. The
22 estimated forces in defense of Corregidor totaled
23 13,000, and were comprised of members of the
24 United States Armed Forces and Filipino troops. Of
25 this number, 800 were killed, 1,000 were wounded,

1 and 11,000 were captured and forced to march
2 through the city of Manila, after which the captured
3 troops were distributed to various POW camps. The
4 rest of the captured troops escaped to organize or
5 join an underground guerrilla army.

6 (11) Even before the fall of Corregidor, Philippine
7 resistance, in the form of guerrilla armies,
8 began to wage warfare on the Japanese invaders.
9 Guerrilla armies, from Northern Luzon to
10 Mindanao—

11 (A) raided Japanese camps, stealing weapons
12 and supplies;

13 (B) sabotaged and ambushed Japanese
14 troops on the move; and

15 (C) with little weaponry, and severely out-
16 matched in numbers, began to extract victories.

17 (12) Japanese intelligence reports reveal that
18 from the time the Japanese invaded until the return
19 of the United States Armed Forces in the summer
20 of 1944, an estimated 300,000 Filipinos continued
21 to fight against Japanese forces. Filipino resistance
22 against the Japanese was so strong that, in 1942,
23 the Imperial Army formed the Morista Butai, a unit
24 designated to suppress guerrillas.

(13) Because Philippine guerrillas worked to restore communication with United States forces in the Pacific, General MacArthur was able to use the guerrillas in advance of a conventional operation and provided the headquarters of General MacArthur with valuable information. Guerrillas captured and transmitted to the headquarters of General MacArthur Japanese naval plans for the Central Pacific, including defense plans for the Mariana Islands. Intelligence derived from guerrillas relating to aircraft, ship, and troop movements allowed for Allied forces to attack Japanese supply lines and guerrillas and even directed United States submarines where to land agents and cargo on the Philippine coast.

1 16,000 Filipinos in California alone decided to en-
2 list.

3 (15) The mobilization of forces included the ac-
4 tivation and assumption of command of the First
5 Filipino Infantry Battalion on April 1, 1942, at
6 Camp San Luis Obispo, California. Orders were
7 issued to activate the First Filipino Infantry Regi-
8 ment and Band at Salinas, California, effective July
9 13, 1942. The activation of the Second Filipino In-
10 fantry Regiment occurred at Fort Ord, California,
11 on November 21, 1942. Nearly 9,000 Filipinos and
12 Filipino Americans fought in the United States
13 Army 1st and 2nd Filipino Infantry Regiments.

14 (16) Soldiers of the 1st and 2nd Infantry Regi-
15 ments participated in the bloody combat and mop-
16 up operations at New Guinea, Leyte, Samar, Luzon,
17 and the Southern Philippines. In 1943, 800 men
18 were selected from the 1st and 2nd Regiments and
19 shipped to Australia to receive training in intel-
20 ligence gathering, sabotage, and demolition. Reorga-
21 nized as part of the 1st Reconnaissance Battalion,
22 this group was sent to the Philippines to coordinate
23 with major guerrilla armies in the Islands. Members
24 of the 1st Regiment were also attached to the
25 United States 6th Army "Alamo Scouts", a recon-

1 naissance group that traveled 30 miles behind enemy
2 lines to free Allied prisoners from the Cabanatuan
3 death camp on January 30, 1945. In addition, in
4 1945, according to the 441st Counter Intelligence
5 Unit of the United States Armed Forces, Philippine
6 guerrillas provided “very important information and
7 sketches of enemy positions and installations” for
8 the liberation of the Santo Tomas prisoner of war
9 camp, an event that made front page news across
10 the United States.

11 (17) In March 1944, members of the 2nd Fili-
12 pino Infantry Regiment were selected for special as-
13 signments, including intelligence missions, and reor-
14 ganized as the 2nd Filipino Infantry Battalion (Sep-
15 arate). The 2nd Filipino Infantry Battalion (Sepa-
16 rate) contributed to mop-up operations as a civil af-
17 fairs unit.

18 (18) Filipinos participated in the war out of na-
19 tional pride, as well as out of a commitment to the
20 Allied forces struggle against fascism. 57,000 Fili-
21 pinos in uniform died in the war effort. Estimates
22 of civilian deaths range from 700,000 to upwards of
23 1,000,000, or between 4.38 to 6.25 percent of the
24 prewar population of 16,000,000.

1 (19) Because Filipinos who served in the Com-
2 monwealth Army of the Philippines were originally
3 considered a part of the Allied struggle, the military
4 order issued by President Roosevelt on July 26,
5 1941, stated that Filipinos who served in the Com-
6 monwealth Army of the Philippines were entitled to
7 full veterans benefits. The guarantee to pay back the
8 service of Filipinos through veterans benefits was re-
9 versed by the Rescission Acts of 1946 (Public Laws
10 79–301 and 79–391; 60 Stat. 6 and 60 Stat. 221),
11 which deemed that the wartime service of the Com-
12 monwealth Army of the Philippines and the new
13 Philippine Scouts was not considered active and,
14 therefore, did not qualify for benefits.

15 (20) The loyal and valiant Filipino Veterans of
16 World War II fought, suffered, and, in many in-
17 stances, died in the same manner and under the
18 same commander as other members of the United
19 States Armed Forces during World War II.

20 (21) The Filipino Veterans of World War II
21 fought alongside, and as an integral part of, the
22 United States Armed Forces. The Philippines re-
23 mained a territory of the United States for the dura-
24 tion of the war and, accordingly, the United States
25 maintained sovereignty over Philippine foreign rela-

1 tions, including Philippine laws enacted by the Phil-
2 ippine Government. Filipinos who fought in the Phil-
3 ippines were not only defending or fighting for the
4 Philippines, but also defending, and ultimately liber-
5 ating, sovereign territory held by the United States
6 Government.

7 (22) The United States remains forever in-
8 debt to the bravery, valor, and dedication that the
9 Filipino Veterans of World War II displayed. Their
10 commitment and sacrifice demonstrates a highly un-
11 common and commendable sense of patriotism and
12 honor.

13 **SEC. 3. DEFINITIONS.**

14 In this Act—

15 (a) the term “Filipino Veterans of World War II”
16 includes any individual who served—

17 (1) honorably at any time during the period be-
18 ginning on July 26, 1941, and ending on December
19 31, 1946;

20 (2) in an active-duty status under the command
21 of the United States Armed Forces in the Far East;
22 and

23 (3)(A) within the Philippine Commonwealth
24 Army, the Philippine Scouts, the Philippine Con-
25 stabulary, Recognized Guerrilla units, the New Phil-

1 ippine Scouts, the First Filipino Infantry Regiment,
2 the Second Filipino Infantry Battalion (Separate),
3 or the First Reconnaissance Battalion; or

4 (B) commanding or serving in a unit described
5 in paragraph (3)(A) as a United States military offi-
6 cer or enlisted soldier; and

7 (b) the term “Secretary” means the Secretary of the
8 Treasury.

9 **SEC. 4. CONGRESSIONAL GOLD MEDAL.**

10 (a) AWARD AUTHORIZED.—The President pro tem-
11 pore of the Senate and the Speaker of the House of Rep-
12 resentatives shall make appropriate arrangements for the
13 award, on behalf of Congress, of a single gold medal of
14 appropriate design to the Filipino Veterans of World War
15 II in recognition of the dedicated service of the veterans
16 during World War II.

17 (b) DESIGN AND STRIKING.—For the purposes of the
18 award referred to in subsection (a), the Secretary shall
19 strike the Gold Medal with suitable emblems, devices, and
20 inscriptions, to be determined by the Secretary.

21 (c) SMITHSONIAN INSTITUTION.—

22 (1) IN GENERAL.—Following the award of the
23 gold medal in honor of the Filipino Veterans of
24 World War II, the gold medal shall be given to the
25 Smithsonian Institution, where it will be available

1 for display as appropriate and made available for re-
2 search.

3 (2) SENSE OF CONGRESS.—It is the sense of
4 Congress that the Smithsonian Institution should
5 make the gold medal received under paragraph (1)
6 available for display elsewhere, particularly at other
7 appropriate locations associated with the Filipino
8 Veterans of World War II.

9 (d) DUPLICATE MEDALS.—

10 (1) IN GENERAL.—Under regulations that the
11 Secretary may promulgate, the Secretary may strike
12 and sell duplicates in bronze of the gold medal
13 struck under this Act, at a price sufficient to cover
14 the costs of the medals, including labor, materials,
15 dies, use of machinery, and overhead expenses.

16 (2) SALE OF DUPLICATE MEDALS.—The
17 amounts received from the sale of duplicate medals
18 under paragraph (1) shall be deposited in the United
19 States Mint Public Enterprise Fund.

20 **SEC. 5. STATUS OF MEDALS.**

21 (a) NATIONAL MEDALS.—Medals struck under this
22 Act are national medals for purposes of chapter 51 of title
23 31, United States Code.

1 (b) NUMISMATIC ITEMS.—For purposes of section
2 5134 of title 31, United States Code, all medals struck
3 under this Act shall be considered to be numismatic items.
